This forenoon, the Richop had many isitors, some of them of prominence in the city and state, who called to express their adverse opinion to the treatment he had received. The bishop deprecated the stir that had been made over the matter, although he evinced considerable feeling, suposing, that particularly in Boston he

able on the subject, there is an impression in New York anthracite coal trade circles that the spring schedule of prices will be made this year much earlier than usual, and that it will be figured on the basis of \$3.50 per ton for stove

of \$153,387.

Wall Street Review

New York, Jan. 20.—Markets were controlled today in a large measure by the various reports from the anthracite coal presidents' meeting. These officials were in session all day and after the close of business announced that an agreement as to per-centages had been arrived at on the fol-lowing basis: Reading, 29,50; Lackawan, na, 12,5; Delaware and Hudson, \$69; Feansylvania, II.40; Lehigh Valley, 15.65; Jersey Central, 11,76; Pennsylvania Coal and Erie 4 per cent, each; Ontario and Western 3.10; Sesquehanna and Schuyikill, 3.50, and the Susquehanna and Western 3.20 per cent. In the early trading the reports that the presidents had or would arrive at an agreement stimulated purchases of leati-ing issues and prices advanced, sharply, Jersey Central rose to 108; Lackswanna to 167%; Delaware and Hudson to 129%; Rending to 15 and Ontario and Western to 15%. A feature of the trading was the buying of the low-priced issues, and the Gran-gers. These stocks made new high rec-ords. Northern Pacific, preferred, ad-vanced to 16; North America to 5%; Union Pacific to T4: St. Paul to 72%; Lonisville and Nashville to 47%; Burlington and Quincy to 78%, and Rock Island to 69. To-ward the close there was some disposition to realize profits because of an advance in the posted rates of exchange, unfound-ed rumors of a hitch at the cost meeting and reports from Wachington that a vote and reports from Washington that a vale on the free silver colonge bill will be taken in the senate on Saturday. The opinion prevails that the free silver bill will pass the senate, but bankers are equally sure that it will not become a law, at least before the life of the present congress. Opinion is divided as to the effect of the passage of the bill bythe senate on the

passage of the bill bythe senate on the new bond issue, some arguing that it will not have the slightest influence. In the afternoon decline Jersey Central was the greatest sufferer, falling from 108 to 1012. The general list lost 24124 per cent, in sympathy. Speculation closed rather weak in tone. Net changes show gains of hally per cent, outside of Sugar. Rock Island and Manhattan, which lost tank per cent. Total sales were 261,065
