MESSAGE FROM SPIRIT LAND.

Indiana Man Sees His Spirit Land, Gives Him Good News. Muncie, Ind., Feb. 10.—J. W. Collington is greatly excited over a peculiar message from the spirit land Thursday. He says he was awakened by a soft hand being rubbed over his face. He opened his eyes and was horrified to see the image of his dead grandmother standing before him. He started as if to jump from the bed, but she commanded him to lie still. She then said to him: "Your rich uncle, Thomas Cross, who you believed died in Newark, N. J., several years ago, is still alive, but will soon die and you will be the only heir to his fortune of \$50,000. After conveying this message she disappeared as quickly and mysteriously as she came. Collington was left in wonderment. Collington knew that his uncle was quite wealthy, but supposed that he had been dead several years. He has written to Newark to learn if his uncle is still living.

HEALER IS LOSING POWER.

People of Michigan Not Interested Long in His Movements. Saginaw, Mich., Feb. 10.—Healer Jas. Burke, who disappeared from here suddenly a few days ago, is expected to be seen in Saginaw. The fact is that only in a limited circle has he attracted any attention, and not a genuine cure of any kind has been recorded. His cures have simply among hypochondriacs and people of superstitious beliefs. Intelligent people are surprised that any attention whatever was paid to him, for his methods and associations have, according to reports both here and in Grayling, been of anything but a lofty character.

DEATH AT A REVIVAL.

Remarkable Frenzy Shown at a Peculiar Awakening in Oklahoma. Perry, Ok., Feb. 10.—At Tonkawa, a small town a few miles north of here, Free Methodists are holding a revival, and it seems the whole town will be turned over to religion. The meeting goes on every day and night. Men and women faint in their enthusiasm, and a man and woman have died while shouting.

THE WORLD OF BUSINESS

Wall Street Review. New York, Feb. 10.—The week opened with quiet activity and strength in the markets for securities. The transactions aggregated \$2,942 shares, the largest total for some time past. While the bulk of the business was in Sugar, Tobacco and St. Paul, still the general market decidedly more active than of late and the dealings were well distributed. The tendency of the market in the main was toward higher prices, but intervals of temporary fluctuations were not infrequently observed. Under the influence of a sharp rally in leading securities, the market advanced rapidly and the bull speculation received its first impetus this morning from London, where securities were above the parity of its closing on Saturday. The reduction of one per cent in the posted rates for sterling exchange and continued deposits of gold in the sub-treasury, together with the announcement of a new government loan stimulated the new upward movement in prices. Sugar in the early trading rose to 12 1/2c, but declined to 12 1/4c on the introduction in the senate of an amendment to the tariff bill which takes off the differential on refined sugar. As the tariff bill with the free silver rider is not expected to pass through the senate before the adjournment, the market for sugar down to the present were covering at the close and a rally to 12 1/2c followed. Tobacco was the most active market of the day. It fell 3/4c to 7 1/2c, rose to 7 3/4c, declined to 7 1/2c, jumped to 7 3/4c, receded to 7 1/2c, and finally closed at 7 1/2c. There were heavy purchases to cover shorts, one firm alone being credited with buying orders to the extent of over \$200,000. The advance in the general list was equal to that of the sugar market. Manhattan moved up 1/4c to 11 1/2c on a restoration of the rumors recently current that the Metropolitan street car road had made an offer to lease the road on a guarantee of five per cent. The stock finally receded to 11 1/4c. The Erie stock advanced 1/4c to 10 1/2c, reacted to 10 1/4c and closed at 10 1/2c. Leather preferred fell from 65 1/2c to 65c and rallied to 66c. Baltimore and Ohio was 2 points lower at 37. The market closed quiet with few changes above.
