MANY PEOPLE RIDICULE THE IDEA OF AN ABSOLUTE CURE FOR DYSPEPSIA AND STOM-ACH TROUBLES.

Ridicule, However, Is Not Argument, and Facts Are Stubborn Things.

Stomach troubles are so common and Stomach troubles are so common and in many cases so obstinate to cure that people are apt to look with sus-picien on any remedy claiming to be a radical, permanent cure for dyspep-sia and indigestion. Many such pride themselves on their acuteness in never being humbugged, especially on medi-

This fear of being humbugged may be carried too far; so far, in fact, that many persons suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims of a preparation so reliable and universally used as Stuart's Dys-pepsia Tablets.

Food not digested or half digested is poison as it creates gas, acidity, headaches, palpitation of the beart, loss of fiesh and aspetite, and fudny other troubles which are often called by some other name. Some time ago Charles Lamb, who resides with his wife and family in Simpson, returned home from his work rather unexpectedly and to his surprise found J. W. White in company with his wife. A DISINTERESTED VIEW.

From the Philadelphia Press, The Democrats of Seranton evidently look upon their local contest, which in-volves the election of a mayor, as hopeless. They have started nearly two weeks before election a cry that fraud is inten-ed by the Republicans. This is not unusual when defeat is foreseen, but it is not the practice of those conscious of their own strength and cause. There are some Republican dissensions in Seran ton, but they have no botter basis that personal selfishness, which does not in-fluence Tair-minded men. The Republi-cans bave a conspicuously worthy condi-date for mayor in Colonel Exra II. Riple, a man of high charcter and entitled to the support of every Republican. His election now will put the party in shape for a successful battle on the important field later in the year, and if his success were not pretty certain the Democrats would not be attempting to excuse their prospective defeat by a cry of fraud,
