CITY NOTES.

There will be a meeting of the Lacka-wanna Institute of History and Science next Tuesday afternoon at 4 o'clock. The noon service today at the rooms of the Young Women's Christian associa-tion from 12.30 to 1 o'clock will be led by Mrs. W. H. Pearce. Miss Black will sing.

The store of W. F. Sandway, at Ran-som, was destroyed by fire Tuesday. The loss on stock and building is placed at \$5,000, to cover which there is an insur-ance of only \$3,000.

I know of another man who could tell something about "Connellism" if he was in a position to speak. A man who contributed of his means and worked year after year with all his might for the success of the Republican party in Lackawanna county. The time came when he wanted friends and many of those to awhom he had been true and loyal had "other axes to grind" and could only support him with a proviso. I have heard from his own

A WISE INVESTMENT.

Additional Man Allowed to the Phoenix Hose and Chemical Engine Company

The ordinance providing for an addi-tional man for the Phoenix company was yesterday signed by Mayor Con-nell. This will give the Phoenix com-pany three paid men, which is one more than is allowed any other company. As the Phoenix company runs a hose cart and chemical engine, three men are absolutely necessary and four could be

absolutely necessary and four could be nicely used. In consideration of the excellent work that the chemical engine has been do-ing the councils had no hesitancy in grafting Chief Ferber's request for an extra man for this company. The mayor also signed the resolution directing the city engineer to prepare plans for grading Alder street between Pittston and Irving avenues.

Men Who Work Hard

Need Horsford's Acid Phosphate.

Taken at bed-time it brings sound, sweet sleep; quiets the nerves and builds up brain tissue. It's good for digestion, too-take a little after meals.
