At about 3,30 o'clock yesterday afternoon fire broke out in the building owned and occupied by Thomas Herbert, who conducted a saloon on one side, and J. W. Williams a bakery on the other side. Before an alarm been sent in the fire had gained considerable headway, and for a time it seemed as if the surrounding proper-ties could not be saved. The firemen responded promptly, but as the water pressure was very low, they worked at great disadvantage, but finally suc-ceeded in confining the flames to the fated building. The upper story was used as a society hall and the following societies met there. committee for the purpose of revising the borough ordinances. This is some-thing that should have been done long ago, and while it would also be well to make provisions for having them placed where they could be seen and preserved. A few years after the crea-tion of the borough the ordinances then in force were collected and published in paniphlet form and one copy print-ed on a large card, was framed and placed in the council room. At pres-ent this card is the only thing in ex-istence to show that we are governed by local laws, and even this is in such poor condition that in a short time it will be useless. The council should also place a vault or case in the council should also place a vault or case in the council room for the preservation of borough documents. Under the present system all the borough books and papers are transferred from one secretary to an other and in this way valuable papers are lost, or get out of the possession of the borough authorities. BOCK BEER CARD.

Mr. Joseph Glennon, of the firm of Hughes & Glennon, the Pittston brewers, has designed a magnificent Bock Beer card. The card contains portraits of the most promineut candidates for the Presidency. Mr. Cleveland stands aloof from the group, to whom he is delivering an address. He wears upon his lapel a third term badge, and rests his left hand on Hughes & Glennon's mascot bock goat. The right hand is extended to impress his hearers with his last words, which were, "The Union and Hughes & Gleunon's Bock Beer forever."

Hughes & Glennon's Bock Beer is better this year than ever. This is due to the artesian well from which the firm obtains the pure crystal deep rock used in making the beer. No imported beer can compare with the Forest Castle beer. Drink it down ! Drink it down!

Hurrah for Hughes & Glennou! Hurrah for their spleadid bock. It will set your face a-grinning. It is made from pure deep rock.
