OF THE LOCAL CASE

(Continued from Page 1)

This year 1896, which was considered a year of unusual prosperity, the financial condition of the country.

After Mr. Doney had finished reading his report, Dr. Hamilton spoke briefly on the work of the Freedman's Aid and Southern Educational Society.

The lay delegate conference convened in the Sunday school room at 2 o'clock for the purpose of electing two lay delegates to the general conference.

The following gentlemen were appointed as a credentials committee: W. F. Clements, J. W. Keller, W. W. Corwin.

The following committee was appointed on resolutions: G. K. Powell, B. E. James and George S. Wilber.

The following committee was appointed on resolutions: G. K. Powell, B. E. James and George S. Wilber.

RAILROAD NOTES

George A. Nettleton has been appointed chief engineer of the Ann Arbor railroad with headquarters at Toledo, O.

R. D. Adams, chairman of the Northern Pacific Railroad company, will, it is said, be chairman of the Board of directors when the reorganization is completed.

T. E. Adams, formerly master mechanic of the Great Northern at Barnesville, Minn., has been appointed superintendent of the Dakota division of that road, with headquarters at Grand Forks, N. D.

Russell Harding, divisional superintendent of the Great Northern Railway at Grand Forks, N. D., has been appointed general superintendent of the Western district of the same system, with headquarters at Spokane, Wash.

The management of the Pittsburg, Chicago and Lake Erie Railroad Co. has arranged for a good many improvements between LaCrosse and Buffalo.

The first ore freight contracts for the season have been closed at Cleveland. The steamers Vega and Vulcan, owned by Robert Wallace of Lorain, were placed for ore from the head of Lake Superior to Lake Erie points at \$1, which is the rate that James Davidson accepted.

IDEA IS VERY HIGH

"Indeed in every truth the denominational ideal of the office and work of the church is exceedingly high. The church demands of her ministry the highest quality of leadership in spiritual and intellectual realms as well as in that of the moral and social.

The church demands of her ministry the highest quality of leadership in spiritual and intellectual realms as well as in that of the moral and social. The results of a faithful preacher's life work are not fully realized until the waves of eternity beat upon the shores of the church.

The church demands of her ministry the highest quality of leadership in spiritual and intellectual realms as well as in that of the moral and social. The results of a faithful preacher's life work are not fully realized until the waves of eternity beat upon the shores of the church.
