AN INTERESTING CASE.

Parties from the Last Chance Quarre Over Water-

It it usually something stronger than pure spring water that cause fractures and quarrels in domestic life, but a case was heard at Alderman Jones', of which this same spring water was the principal cause

which this same spring water was the principal cause. The parties in the case halled from Last Chance settlement, as the place is outside the water limits, the water is secured from a spring near by. Among others who use the spring are Mrs. Whitman and Mrs. Mooney. The women had quarrelled about something and had not spoken for some time. Mrs. Mooney was at the spring one day when she saw Mrs. Whitman com-ing, and deliberately rolled the water

for it to clear.

rants sworn out against the other. At the office of Alderman Jones they At the once of Anternan order uny still kept up their war of words when the Alderman threatened to have them both committed. They then decided they would try to live more peaceably and were discharged.

FLOURISHED A KNIFE.

Ralph Healey Amuses Himself by Chasing

Ilis Wife. Considerable excitement was occa-sloned on Rock avenue the other eve-ning, when Ralph Healy, after imbibling freely of liquor, returned home and proceeded to chase his wife about with a butcher knife. The neighbors tried to interfere, but itw as of no use. Con-stable Neary was then sent for who arrested Healey. The man was too drunk to do much damage. Mr. Healey is an old offender, but the matter was settled yesterday morn-ing. Mrs. Healy will secure papers of separation as soon as possible from her husband, who has treated her very cruelly. She has the sympathy of a large number of friends by whom she large number is well liked.

CAUGHT HIS FOOT.

A Revolving Wheel Causes Terrible In-

juries to a Small Boy. Joseph, the five-year-old son of Mr. and Mrs. J. J. Lowry, of Belmont street, met with a most distressing accident on Thursday evening. Among one of the amusements of the boys is jumping on the wagons as they

boys is jumping on the wagons as they pass and securing a ride. It was while doing this that the accident occurred. The boy caught hold of the back of the wagon and by putting his foot on the spring was climbing in when his when his foot caught in the revolving wheal

Before the wagon could be stopped his leg was fractured in two places. Besides this his foot was horribly cut by being caught between an iron up-right and the hub.

Delosky Pays the Costs. The case of Joseph Delosky who was said to have engaged in a fight with Henry Booth while under hypriotic in-Henry Booth while under hypriotic in-fluence, was to have come off yester-day morning, but Delosky failed to appear. A jury had been appointed to consider the case, but they decided that

Atherton will leave today for a business trip to New York city.

WAVERLY.

About seven miles from Scranton is situated the borough of Waverly, which at the present time contains about sev-en hundred inhabitants and is still in-

en hundred inhabitants and is still in-creasing in population. Among the first settlers was Andrew Bedford, son of Jacob and Deborah Bedford, who was born in Wyoming. Luzerne county, Pa. in the year 1890. After his graduation in Yale college where he studied medicine, he prac-ticed with the late Dr. Nichols, and then practiced in Dundaff for the period of three years, after which he removed to Waverly. From 1824 to 1840 he followed his vocation, his practice extending over a circuit of sixty miles. In 1842 he was elected to the office of prothonotary and cierk of the courts of Luzerne county for a term of three years when he was again elected to succeed himself. Few people in this section of the

years when he was again elected to succeed himself. Few people in this section of the country or in Scranton are aware of how much they owe to Dr. Bedford or that he obtained the original charter of the Delaware. Lackawanna and Western railroad from Providence to Great Bend, renewing it every five years. He was one of the first direct-ors of the road and owing to his large acquaintance and pleasant speech and manners, was able to save the road many thousands of dollars. Glenburn, the nearest station to Waverly, was presented to the road by Doctor Bed-ford, G. E. Humphreys, Le Northup, Halls and others; and will always be a monument to their kindness and phil-anthropy.

informed to their kindless and part anthropy. In 1837 he was elected to the consti-tutional convention, where, by his own presence, he was able to win hosts of friends, who, now that he has passed away, honor and revere his name. In 1827 he was united in marriage to Miss there is a particular by whom he had Hannah Reynolds, by whom he had seven sons. She died in the year 1845. He was again married about 1852 to Miss Mary Porter Burtis, by whom he had one daughter, who is now the wife of Edward Leighton, of Binghamton, N. Y.

N. Y. His father, Jacob Bedford, died in the year 1849 at the age of eighty-six. His mother, who was the last survivor of the terrible massacre of Wyoming which occurred in 1778, died at her son's residence at the advanced age of nine-

Doctor Bedford died in September, 1889, honored and revered by all with whom he came in contact, and Waverly owes many things to both the doctor ly owes many things to both the doctor and those who have succeeded him. Upon a hill from which one is able to see over five hundred square miles and from which one can plainly see at least four counties, is the old Madison Acad-emy, which although it still retains its name, was transferred to the borough of Waverly in 1860.

of Waverly in 1860. NOTES. Rev. F. H. Parson will fill the pulpit at the Methodist Episcopal church to-morrow morning at 10.30.

morrow morning at 10.30. A. B. Cowles, of Cowles & Sherman, is visiting his brother, Richard R. Cowles, at Jamaica, L. I. Rev. A. Bergen Browe will hold the usual services at the Baptist church to-

S. C. Simpkins. The remains will be taken on the 6.03 Delaware and Hudson train this morning to Sidney, N. Y., for burial. time he divided the applause of her audiences with Fanny Davenport. At one time he was entreated to accept the position of leading man in Wal-lack's theatre. At one time his photo-graph was in every schoolgirl's boudoir, and matinee girls used to swoon at the sight of him. Where is he now? Where is Maud Harrison? Time was when she filled the public eye. Where is Harrigan? His first nights were events over which the once famous but now also forgotten Judge Duffy used to pre-side. In those days Harrigan, Yea-mans and Wild were words to swear by. But now where shall we find this amus-ing trio? or burial. F. J. Swingle is riding a new '96 model

moved to Nanticoke. William Cox, of Carbondale, was in town on business yesterday. The "Deestrick Skule" will be given by the Young People's society of the Presbyterian church in Ledyard hall,

Monday evening, April 27. The Blue Ridge, Riverside, Mt. Jes-sup collieries will pay their employes today. AVOCA.

Manager Davis has succeeded in booking Perkins D. Fisher's well-known farce comedy, "A Cold Day," for three days only. Monday, Tuesday and Wednesday next. This will be an opportunity for those who like good singing, first-class dancing, and clean, wholesome fun to enjoy themselves. "A Cold Day," needs no further en-dorsement than the fact, that it has for the last eight years played at most Yesterday afternoon while Patrick Tougher, of the West Side, was wander-ing about the vicinity of the Avoca colliery he unconsciously lay on the track and fell asleep. A Lehigh Val-ley switch engine backed into the col-llery and pushing the cars that stood on the tracks forward, passed over the head of the young man, killing him in-stantly and almost severing the head the last eight years played at most everywhere in the United States and has therefore well earned the saying. from the body. Deceased was a quiet inoffensive young man. It is believed that he had become intoxicated and 'Once a success, always a success, had chosen this dangerous spot that he might be out of the way of the public.

Miss Kathryn Kidder, the star of 'M'adame Sans Gene" company, is an ardent devetee of bloycling, and every

ardent devetee of blcycling, and every pleasant day takes a spin on her pretty wheel. In speaking of blcycle riding the other day Miss Kidder said: "I rebelled against blcycling four or five years, because I did not like the cos-tume, and the dress necessary to the part seemed very obnoxious. But my physicians at last pursuaded me that the exercise would be most beneficial the exercise would be most beneficial, and after I had conquered and sub-dued the principal tribulations attend-ant upon learning. I found the advice of these learned men to be more than good. It fits in with my theory that concentration is the greatest force to-ward success and happiness. The bicycle is an exacting friend, jealousiy de-manding one's undivided attention, and for an actor you can easily understand how beneficial it would be for the mind, to have all thoughts of the theater with its usual routine set aside for the time being by this usurping interest. The

exercise gives the greatest possible ben-efit while not encroaching upon so much of one's time as other exercises der to derive any benefit. "Mme. Sans Gene" will be produced at the Froth-ingham next Monday and Tuesday evenings.

JERMYN.

Tuesday afternoon at 2 o'clock the esidence of Patrick Cantwell on Hill residence of Patrick Cantwell on Hill street, Mayfield, was burned to the ground. The alarm was sounded by the whistle at the Glenwood breaker and in a short time William Walker Hose company was on the spot. Upon the company's arrival the flames had the company's arrival the names had gathered such headway as to baffle their attempts in fighting them. All efforts were then directed towards the saving of adjoining property. The dwelling including all the furniture, etc., was burned to the ground. The fire was caused by the failing of coals on the floor from the kitchen range, and in the absence of all the members of the family soon gathered such head-way as to destroy everything. Mr. Cantwell will rebuild immediately.

Cantwell will rebuild immediately. W. J. Baker, who graduated at the Baltimore Dental college, Baltimore, Md., last month, has decided to locate in Hallstead, Susquehanna county, where he will practice his profession. Dr. Baker has a host of friends and acquaintances in Jermyn, who will regret to hear of his removal to Hallstead. Elihue H. Nicholson, who has been

employed in the Jermyn Planing mill at this place for several years, has resigned his position and accepted one in the office of the Rapid Transit company at Mayfield. Mr. Nicholson will begin his new duties at once.

American newspaper correspondents.

Sardou's elaborate comedy, "Madame Sans Gene," or "Madame Don't Care." in its English translation, which will be seen at the Frothingham Monday and Tuesday of next week. is one of the and Tuesday of next week, is one of the most elaborate presentations on the stage today. A long series of successos have brought to rough and ready Le-febvre a marshal's staff and a ducal crown, and Mme. Sans Gene wears her court robe only with difficulty and a palpable sense of unfitness. The wo-men of the court hate her, although their ancestries as a rule were little their ancestries, as a rule, were little higher than her own; but the men-for were not all the men of Napoleon's court soldlers?-adore her. Was she not a vivandiere? The episode of her court career, upon which the play is built, deals with the narrow escape from death of the brave but unfortu-nate Count de Nelpperg, one of the Austrian attendants of Marie Louise. The play is constructed in Sardou's own inimitable manner and elaborated with a degree of detail that even for him is remarkable.

from Denier regarding the matter: Chicago, Ill., Marc h7, 1806. Friend George:-You remember I told you I had grub-staked a newspaper friend of mine, so that he could go to look for gold where he said he knew he could find it. Most of my other friends said I was a fool to have done such a thing. Well, I heard from my newspaper friend the other day after you left here, and he has struck it big. He wants me to give him permission to sell two of the mines and we are to keep the Humpty Dumpty, and he says he has a cinch on another claim next to that and asks me to send him a name for it. I have therefore taken the liberty of sending your daughter's and my niece's name. Tonina, as a fitting name for the new mine. Should it turn out like the others, our young lady may marry for the new mine. Should it turn marry the others, our young lady may marry a prince, or what is better still, an hon-est American. Yours, Tony Denier, Miss Tonina Adams, the young lady referred to, is a member of the "Fan-
