REPUBLICAN STATE TICKET.

Congressmen-at-Large. GALUSHA A. GROW, of Susquehanna. SAMUEL A. DAYENPORT, of Erie.

We trust that all our readers will prize the very interesting and timely letter on page 2, in which Mr. Edward B. Sturges of this city lays before the public the case of the producer of anthracite coal, and utterly demolishes the fiction that a mutually protective combination of anthracite interests for the fitting of output to demand is detrimental to the public welfare.

The Prospects of Arbitration.

The one conspicuous result of the Washington conference for international arbitration has been the education of the public up to the knowledge that arbitration is thoroughly practicable between nations.

No More Fake News.

There are two very good obstacles to Congressman Scranton's scheme of statehood honors for Arizona, New Mexico and Oklahoma.

OUR JEWELS.

The city of Scranton is blessed in the possession of a number of enterprising, aggressive, brainy, young business men who have won their way to the city and incidentally have built up large fortunes for themselves.

AN UNSAFE LEADER.

From the Manufacturer. One of the greatest frauds ever perpetrated upon this nation was the removal of the duties from wool under the pretense that it would confer benefit upon the woolen manufacturers and the consumers.

THE OLD WORLD.

Unnumbered soldiers load their guns, And stack them handy by; Five hundred million cringing clouds For bare existence cry.

the ambition of his life. He has put his name in the papers.

The retirement of Senator Cameron from politics will deprive the Philadelphia Press of a very convenient target.

The Cityward Tendency.

The student of social questions does not require to be told that there is no menace to the future of republican government in America more threatening than the present tendency of population to concentrate in cities, and no philanthropic proposition more inviting than that this tendency should be reversed.

ONLY ONE NATIONAL CANDIDATE.

Wellman, in the Times-Herald. No matter what one's personal preferences or prejudices may be, he must, if a student of public affairs, admit that there is now only one truly national candidate in the Republican line.

overdue. Mr. Kelgaard reports that 75 per cent. of the New York state farmers are not making a living and 5 per cent. on the estimated value of their farm property; 40 per cent. are running behind every year.

WHAT THE PEOPLE WANT.

From the Manufacturer. The extraordinary popularity and strength of Mr. McKinley are due, not at all to the exercise of dexterity of his friends or to lavish expenditure of money.

of the efforts of Mr. Cleveland and his friends there is wreck and disaster upon all sides. Some notion of the harm that has been done may be obtained from this single statement:—The exports of the imports of woolen fabrics for 1896, over the imports for 1895 represents a quantity of goods which, if made in our own mills, would have consumed more than half of the domestic clip, and would have distributed twenty million dollars in one industry, among the people who work in the woolen mills, and twenty million dollars more among the farmers.

GOLDSMITH'S BAZAAR.

THERE'LL BE MERRY DOINGS

Among the Carpets and Draperies during the next few days. It's house cleaning time now and your mind is on these matters. There are styles and values here that will make "town talk" when the news gets out.

The New Carpets

Every worthy weave from rag to velvet. Dray loads of them have been received during the past few weeks. We've laid our lines to do the Carpet business of the town, and with the equipment we've got we ought to do it.

Ingrain Carpets

All wool and a yard wide. The best extra supers, not an antiquated or side-tracked pattern among them. All clean, quiet, neutral tints that won't show dust, and they turn well; a pick of these at 49c. the yard.

New Tapestry Brussels

The best 10-wire kind, of course. No better medium-priced Carpet made. Got a number of hall and stair patterns among them. They've got the looks and wear in them; you all know the quality, now come in and get the price.

Standard Body Brussels

All reputable makes, and a stock to pick from that would grace a city of twice the size of ours. Want you to feel that we have your Carpet interests at heart. Come in and let us figure with you; small order or large, it's all one to us.

Moquette Carpets

Always beautiful, more so this season than ever before; soft as a mossy bank, bright as a meadow in June. Many of them have borders to match. Pay you to give them careful inspection.

The New Mattings

Some jointless, some cord-warp, some plain, some fancy, and all good. They're made of good live straw; they're flexible and don't scuff out like the poorer, dried-out sorts. What a cool, cleanly, comfortable floor covering they make, to be sure; and so cheap, too, as we sell them beginning at 10c. the yard.

RUGS AND ART SQUARES.

Haven't space to particularize, but they're in every known weave, size and color combinations, and the prices will agreeably surprise you.
