## SCRANTON VS. FALL RIVER CLARK. IT

Only Two of the In and Outfielders Were in Position.

NEW ENGLANDERS' VICTORY

Won a Heavy-Hitting Game in the Ninth Inning-Great Stick Work by Rafferty, Meaney and Clark.

Special to the Scranton Tribune. Fall River, Mass., April 26,-Scran-Fall River, Mass., April 26.—Scratt-ton's patched-up team was defeated here yesterday. It was a closely played geme, the weather being very cold and rendering it impossible to handle clean-ly the hird-hit balls. There was little life in the game, until near the end, when Scranton, after a hard up-hill right, tied the score, only to lose in the

last inning. Both teams batted hard, Scranton leading; but Fall River was more for-tunate in bunching hits and were aided tunate in bunching hits and were aided by costly errors by the Scranton men out of position. Herr and Brown pitched well, better than the record shows, many hits being made after chances had been given to retire the home team. Scranton's fielders were again changed about in the in-field, and fast work could not be expected.
Scranton earned a run in the first on
hits by Ward, Chiles and Egan, Fall River's one run in the second and seven in the third were made on six hits and four bad errors. In the third Scranton scored four times on hits by Hess, Flack, Meaney and Rafferty, and one Flack, Meaney and Rafferty, and one in the fourth on hits of Hess and Egan. In the fifth one Scranton man was forced in by a bas on balls. The run in the sixth was on doubles by Meaney and Rafferty. In the eighth two tallies were made on sigles by Flack and Rafferty and a double by Meaney Fall River was out in the ninth by a triple River won out in the ninth by a triple by Ladd, after two were out.

## NATIONAL LEAGUE.

Boston and Baltimore are sent down below St. Louis and Cincinnati by reason of the latter, two clubs' Sunday victories over Louisville and Chicago respectively. Chicago's defeat pulls that club down from third place to fifth below Washington and Cleveland. It is a fact which brings particular satisfaction to Pennsylvania cranks that this state's two clubs, Philadel-phia and Pittsburg, are first and sec-ond by the list. If the former loses today and the latter wins they will be tied in first place. It is also possible for Washington and Cleveland to tie the Pirates in second position. The Phillies, however, are sure of retaining their position today. THE PERCENTAGE BECORD

### SATURDAY GAMES.

Philadelphia-Brooklyn.

New York-Boston. New York, April 25.4 The New Yorks played a ragged game against the Bostors today and were easily taken into camp. The errors behind Dad Clarke were most discouraging, while Stivetts, who took things easy, was too much for the locals. The feature of the game was the batting and fielding of Hamilton. The weather was cold and cloudy, yet 5,300 persons were in attendance. Score: R.H.E. New York

While in Indianapolis Patsey Tebeau saw Rusie. Amos told him that he had received a telegram President Freedman in whileh the magnate said he was coming to Indianapolis to try and patch up terms. According to Patsey, Rusie has been practising and is ready to go into the box

## THE CLUB COMES HOME.

McDermort and His Hall Players Re turned at Midnight-Men Are Stiffened by Rains and Severe Cold Weather,

Manager McDermott and his fourteen base ball players reached here on last night's 12.15 train from New York city following their up-East trip, which was chiefly distinguished for cold weather, snow storms and stiffened players. Pitcher Cronin and Shortstop Sweeney were not brought back. They with Pitchers Getts and Mullarkey and Shortstop Heller make five, who have been tried, found wanting and released. Excepting Tommy Johnson, pitcher, and Third Baseman Maguire, all the men return in splendid physical condimen return in spientia physical condi-tion, which, however, does not include a general complaint of sore arms. Dur-ing the first few days of the jaunt the weather was warm, but then came a spell of rain followed by severe cold and the result on overtaxed muscles may be left to one's imagination. Tommy Johnson has for two days been afflicted with a severe cold on his lungs which will probably disappear with a few days' rest and treatment. Ma-guire has one slightly sprained and an-other weakened ankle. His injury is trivial, however, and there is no doubt that he will be all right by Friday.

when the club opens the season at Springfield. Of the pitchers, Brown and Stemmell are in first-class shape. Herr is not lame, but the cold has made it impossible for him to limber up, and Horner is in much the same condition.

WHAT M'DERMOTT SAYS. Manager McDermott, while talking with a Tribune reporter about the trip did not show any of the anxiety or un-happiness. On the contrary he seemed happy and satisfied with his players.

He said:
"No, we didn't win our games. You wouldn't expect us to, would you, with not over three players in position, pitchers and catchers excepted, in any one game since we left home? From start to finish we hit better than the other clubs and lost our games through

We are all right on pitchers. Brown and Stemmell are now almost perfectly fit. Johnson's arm is as right as can be and he will be in the game as soon as he is cured of his cold. Herr and Horner, as soon as we get some warm weather to limber them up, will be surprises. Rafferty is the prettiest little backstop you ever saw.

WARD AND MAGUIRE. "Ward and Maguire for second and third are as good as I want. Don't worry about a shortstop, either; I'll have one before Thursday and he will be a good one, too. First base is the only position that causes me any un-easiness. I am determined to land Tom easiness. I am determined to land Tom-Power if I can locate him. It all de-pends on that. It looks as though he must submit his terms before the sea-son opens. If he don't he is liable to severe punishment by the National board. Chiles will play first if Power don't show up. don't show up

"Barring first and short, we are satisfied to tackle the best in the league; in any event, we can give a good ac-count of ourselves. Don't worry," Ward has captained the team on the trip and will continue to do so until a shortstop or first baseman is found who can better fill the position.

can better fill the position.

The first practice game at home will be played this afternoon, beginning at 3.30 o'clock, with the Cuban Glants. Horner and Stemmell will pitch for Scranton. That a large crowd will witness the game is indicated by what is plainly a revived interest in the sport in this city and the belief that the association would try to move the earth in order to have this city represented by a club that will be well up in the race. Several hundred invitations have been issued for this afternoon's entertainment. entertainment,

Scranton people are sitting up nights worrying and doing some wild guessing about the whereabouts of Tom Power, the first baseman purchased from Proprietor icuntresh, of Syracuse, who has refused to ratify the sale by signing a Scranton contract.—Springleid Union. It appears to us at this writing tent Springleid will do the worrying about Tom Power, racer will be no gressing about his whereabouts though; he will probably be playing base hall for Scranton.

Si. Louis, April 25.—Arile Latham will probably not be seen in active service on the diamond this season. He shirked three balls in succession in Thuraday's game, and after his fight with Umpire Sheridan, President Von der Ahe relegated him to the bench for the rest of the reseason tyless Megwax the Browns youngster, fails to pan out. Latham will continue to draw salary and will retain the captainey of the club.

## YALE ADOPTS THE RULE.

No "Summer Nine" Players on Her Base

Ball Team. The most radical reform made by Yale in athletics in years has just been announced. It has been put into opera-tion by the Base Ball association of the university, and is nothing less than the frank avowal by the management, acting, it is asserted, under the advice and direction of the faculty, that no person who may play on a regularly organized summer nine shall be eligible for the Yale team. In former years Yale players have spent the summer on amateu nines, and no official notice was ever given by the management that the practice was objectionable to the university authorities.
