Robert Dorin, who for the past five years has been with the Grand Union Tea company, at this place, has resigned his position and on May 4 will enter the employ of the Great Atlantic and Pacific Tea company. He will have a handsome wagon for delivery and will make regular calls throughout the county. Mr. Dorin is one of Honesdale's popular young men and by his close attention to business has been successful in gaining a promotion in life.

The funeral of the late Mrs. John Penwarden will be held at the Baptist church today at 2 p. m. Rev. M. Goodnough, of Girdland, will officiate.

Mrs. Caroline Cooper returned home yesterday after several weeks' visit in the valley.

Dr. Reed Burns, of Scranton, was in Honesdale last evening.

Fred D. Lamb, jr., was in Montrose on Monday.

The chairs for the Presbyterian church arrived on Wednesday.

Miss Anna Hanrahan attended a wedding in Kirkwood on Wednesday.

Hon. James T. Du Bois will return to Washington on Saturday.

A new and larger dynamo for lighting the silk mill arrived on Monday.

We understand arrangements are being made to have a new weekly published in town. It will be devoted towards the Prohibition cause.

The work of removing the bell from the steeple of the old Presbyterian church to the new edifice was commenced Wednesday morning. Unfortunately in some way the bell fell and plowed its way through the building until it reached terra firma. No damage was done to the bell.

MARKET AND STOCK REPORT

Wall Street Review.

New York, April 29.—This was another dull day at the Stock Exchange. The transactions aggregated only 127,657 shares. In the early trading a higher range of prices prevailed in sympathy with reports from London of a firm market for securities there. The advance was equal to ½@⅝ per cent. in the genral list, the latter in Chicago Gas, while Consolidated Gas moved up from 163 to 164¼, the highest figure yet attained. There was a fair demand for international stocks for London account. The reduction in the price of Refined Sugars, however, and advices from Germany that the Reichstag would probably pass the sugar bounty bill, led to a decline in Sugar Trust stock from 124½ to 122⅞, and this weakened the whole market. A report that the American Tobacco Trust would be enjoined from paying the scrip dividend recently declared led to a decline in that stock from 72¼ to 70½, but a recovery to 71½ subsequently took place. The net losses in the general run of stocks were only ⅛ to ½ per cent. and according to statements made by leading commission houses, the selling had no special significance. Speculation closed about steady in tone despite rumors which wer partly confirmed at the sub-treasury that between $1,500,000 and $2,000,000 gold will be shipped to Europe on Saturday's steamers. It is to be noted that while the posted rate for demand sterling was advanced a half cent to $4.90, the rates at which actual business was done, were only a small fraction higher than on yesterday. The demand from remitters is light and if gold is hipped it will be on special orders.

TAYLOR.

The council meets tomorrow evening.

The lecture delivered by Dr. Farnsworth Tuesday evening at the Welsh Congregational church was very instructive throughout. A map of Armenia and its surrounding was produced and the doctor, who is so well informed on the geography of the place, illustrated it most beautifully. The latter part of the lecture was characterized with very pathetic language, which was the means of causing very many tears in the audience. The church have decided to devise some plan by which a substantial sum may be raised to assist in alleviating the troubles of those people.

No place like Taylor for John Daniels and family, who recently moved from South Taylor to Providence. They are returning this week.
