DOINGS AFTER CONTRACT

They Want to Lay the Asphalt Pave on Monroe Avenue.

PAVING OF MULBERRY STREET

Property Owners from Clay to Prescott Avenue Do Not Want a Pave Yet. Ordinance to Have Spruce Street Ready for Mayor's Signature.

Evidently the Barber Asphalt company will no longer have a monopoly of the asphalt business of the city. At last evening's session of common council bids were opened for paving Monroe avenue from Vine to Myrtle streets and it was discovered that Dunn Brothers had asked the Barber company for laying a sheet asphalt pave on the portion of the street specified above.

An ordinance allowing the property owners on Mulberry street from Millin to Prescott avenues to pave that street was introduced and referred to a committee. There were sixty-four signers to the petition for the ordinance and a resolution was passed directing the city clerk to publish a notice of the pending ordinance together with the names of the petitioners.

Attorney P. W. Stokes representing the property owners on Mulberry street between Clay and Prescott avenues, presented a petition objecting to the laying of a pave on that portion of the street for the reason that extensive building operations are in progress and that it would be necessary to tear up the pave every little while. The petition was also referred to the committee.

SPRUCE STREET PAVE. The ordinance providing for paving Spruce street, between Wyoming and Franklin avenues passed on third reading. Asphalt will be the pave and the city and property owners will jointly bear the expense. The ordinance has passed the select council and is now ready for the mayor's signature. A private contract will be made for the paving and it is expected that it will be laid before the Knights Templar convene here in this city.

Councilman Geller introduced a resolution which was approved allowing the Knights Templar to erect a temporary wooden building 150x25 feet to be used for the reception of those who come here to attend the convolve. The building will be erected on the lot owned by Clark & Shover between the Penn avenue Baptist church and the Frothingham theater and will face Penn avenue. A bond in the sum of \$500 is to be filed to remove the building before June 1.

An ordinance was passed on first and second readings appropriating \$2,500 to purchase land owned by the estate of J. M. Lewis for the opening of the Penn avenue between Phelps and Ash streets. The following passed on third reading: Providing for a sewer on Penn avenue from New York street to the Fourteenth sewer district main sewer; establishing grade of Robinson street and certain portions of Ninth and Jackson streets, and providing for the paving of these thoroughfares with Belgian blocks; providing for a lateral sewer on Capouse avenue from the Fourteenth district main sewer to New York street; and for three electric lights in the Nineteenth ward; providing for a sewer on Sanderson avenue, New York street, Fordham court and Monsey avenue.

NEW RESOLUTIONS.

The following resolutions were introduced and adopted: Directing the city engineer to give grade lines on Cross street from city line to intersection with Myrtle street so that property owners may lay sidewalks on said street; directing the building inspector to make plans and specifications for cells for women in the central police station; directing the chief of the fire department to erect a fire hydrant at Brick avenue and Mary street, in the First ward; directing the street commissioner to repair the culvert in Evans court, between Swetland and Pettibone streets also extending the culvert on Pettibone street between the city line and Decker's court; instructing the city engineer to give proper grade on Price street between Chestnut street and Fairview avenue; instructing the city engineer to prepare plans and an estimate of cost for a sewer on Washington avenue from the German cemetery along the line of the city to Larch street; Larch to Wyoming, Wyoming to the Fourteenth district main sewer; giving permission to Michael O'Malley and J. C. Long, of Green Ridge, to connect their premises with adjacent sewers; correcting the assessments of C. P. Stack and J. E. Hobbs for building a lateral sewer on Penn avenue, between Green Ridge and Delaware streets; giving property owners on the westerly side of Penn avenue from Green Ridge to Marion street permission to connect a sewer with their own expense to connect with the Marion street sewer.

A resolution directing the light and water committee to consider if there is economy in attaching the municipal building with Wellbach lights and to report the result of their finding to council was referred to the committee.

SETTLING THE CLAIMS.

A communication was received from City Solicitor Torrey advising that the claim of H. A. B. for damages caused by the grading of Twelfth street be settled for \$85 and that of Mary McCoy for damages due to the grading of Twelfth street be settled for \$225. The suggestion was approved of, and resolutions passed authorizing the settlement of the claims. A select council resolution settling the claim of N. C. Collier against the city arising from the grading of Tenth street was approved. The action of select council in adopting these resolutions was concurred in; awarding the contract to F. Thornton & Co. for constructing the lateral sewer on Wheeler avenue, from Mulberry to Vine streets, at \$2.02 per lineal foot; awarding to the same firm for \$1.54 per lineal foot the contract for a sewer on Webster avenue from Myrtle to Ash streets; directing the city clerk to return to John P. Canavan his proposition to sell to the city the plot adjoining Nay Aug park, as well as the map accompanying the proposition. A communication was received from the executors of the estate of John J. Gordon asking \$1,000 for the damage done three lots and a house, the property of the estate, by the grading of Gordon street, in the Seventh ward.

SHE WAIVED A HEARING.

Mrs. Mary Crowe Entered Bail for Her Appearance at Court. The postponed hearing in the case of News Agent Campbell, of the Harrisburg Telegram, against Mrs. Mary Crowe, attracted a large crowd to the office of Alderman Bailey on Dickson avenue last evening. Constables Black and Davis succeeded in finding the defendant, who was wanted for an alleged assault on Campbell, and the woman was accompanied to the alderman's court by her husband, her brother, George Philippi, seven cousins and nearly all the neighbors in the block. The defendant and her friends seemed full of fight upon entering the alderman's office, but on the appearance of Attorney Shurtliff, who represented Campbell, Mrs. Crowe concluded to waive hearing and give bail. After a whispered consultation, William Edgerton, of the West Side, stepped up

NO FAITH CURE

ABOUT STUART'S DYSPEPSIA TABLETS.

They Cure Stomach Troubles and Indigestion Anyway, Whether You have Faith in Them or Not.

All physicians agree that the element of faith has a great deal to do in the cure of disease.

Firm belief and confidence in a family physician or the same confidence and faith in a patent medicine, have produced remarkable cures, in all ages.

This is especially true in nervous troubles and no field offers so prolific a harvest for the quick and charlatan, as the diseases arising from a weak or run-down nervous system.

Nevertheless, the most common of all diseases, indigestion and stomach troubles, which in turn cause nervous disturbances, heart troubles, consumption and loss of flesh, require something besides faith to cure.

Stuart's Dyspepsia Tablets will digest food for you, will not give you an appetite, will not increase your flesh and strengthen your nerves and heart, but Stuart's Dyspepsia Tablets will do these things, because they are composed of elements of digestion, they contain the juices, acids and peptones necessary to the digestion and assimilation of all wholesome food.

Stuart's Dyspepsia Tablets will digest food if placed in a jar or bottle in water heated to 98 degrees, and they will do it much more effectively when taken into the stomach after meals.

They invigorate the stomach, make the blood and strong nerves, in the only way that nature can do it, and that is, from plenty of wholesome food well digested. It is not what we eat, but what we digest that does us good.

Stuart's Dyspepsia Tablets are sold by nearly all druggists at 50 cents for full sized package, or by mail from the Stuart Co., Marshall, Mich.

THREE DIVORCES GRANTED.

Unhappy, Ill-Mated Couples Separated by Decrees of Court.

Three divorces were granted yesterday by the court. Anna Dunn was granted a divorce from her husband, Edward Dunn. They were united in marriage on Dec. 21, 1888, in this city by Rev. J. E. Price, pastor then of the First Methodist Episcopal church.

They went to live in Scott township, but they did not live happily together. On Dec. 6, 1894, she was forced to withdraw from his home and on the next day she returned to her home in the village and has not been seen around there since. On one occasion Dunn became so demonstrative that standing six feet away from her he hurled a milking stool made out of 2-inch hemlock timber at her head and it missed her by only a very small margin.

Another time she was showing him how to wind some yarn and he got mad, cuffed her ears, caught hold of her, jammed her back against the door, and struck her three or four times in the face. On another occasion she was sitting on his lap and he threw her as hard as he could on the floor. Once while she was sick and had no appetite he would put mustard and other things that she could not bear the smell of up to her nose to tantalize her.

James Davis was divorced from his wife, Carrie Davis. A few months of married life sufficed for them to learn that traveling along in the same boat with the sea of matrimony would not do at all.

They were united on Aug. 1, 1893, and one morning she was at the house in Spring Brook town, and in the evening when he came home she was absent. That was exactly two months after their marriage. They lived in Spring Brook town. At the hearing in the case it was brought out that Mrs. Davis gave herself up to a disolute life.

Marie Ferantle was divorced from Diego Ferantle. They were married on June 14, 1871, by a Catholic priest on Sullivan street, New York, and soon afterward came to this city to live.

They kept a fruit stand where Hotel Jermyon now is next to the old Forest house. For a long time preceding Nov. 1891, her husband and Sarah Farnigiano, wife of Frank Vignano, had been secretly carrying on an illicit intimacy, and it culminated on that date in their separation. The Vignano woman was much younger than Ferantle and she was very pretty.

THE TRIBUNE HAS SENT A STAFF TO SPRINGFIELD TO REPORT ON THE OPENING GAME AT SPRINGFIELD.

COMING ATTRACTIONS.

At the Academy of Music Monday, Tuesday and Wednesday one of the most elaborate scenic and realistic productions of the season is promised in Colton & Ryno's big scenic spectacle, "Lost in New York." The company carries all their own special scenery, painted by Arthur Voegtlin, of Hoyt's Madison Square theater, New York.

Among the realistic features of the production are real ferries, row boats, a full rigged yacht and a practical steamboat that runs at full speed and carries a full quota of passengers. The New York cast is many new special features are promised.

Over a year ago, while Miss Yaw was

abroad, there was a very conspicuous article published in the New York Herald, a column in length. It discussed that voice as having the greatest compass of any soprano recorded in history—a range of nearly four octaves; from G below the staff to E in alt., and expressed surprise that a voice reaching such an altitude should possess such breadth and beautiful quality of tone in the lower and medium register. Miss Yaw, assisted by several celebrated artists, will be heard in concert at the Frothingham Friday evening, May 8, for benefit of Company B, Thirteenth regiment.

THE TRIBUNE IS DETERMINED TO LEAD THE FIELD IN ITS REPORTS OF SPORTING NEWS. READ TOMORROW OUR REPORT OF THE OPENING EASTERN LEAGUE BALL GAME AT SPRINGFIELD.

MRS. DEPUY BRINGS SUIT.

John Coleman Had a Judgment Against Her Husband.

Minnie Depuy, of Dunmore, by her attorney, E. C. Newcomb, began an action of trespass yesterday against John M. Coleman to recover damages in the sum of \$1,500.

She alleges that on or about March 15, 1896, she was the owner and possessor of one sleigh, one gray mare, five horse blankets and a lot of household furniture. The same day Mr. Coleman having obtained a judgment in the court of common pleas against her husband, Harry Depuy, caused the sheriff to seize, take in execution, carry away and advertise for sale the said goods and chattels against her protest and after she gave notice that the property belonged to her.

DETWEILER IS OUT.

Withdraws His Petition for the Chieftaincy of the Fire Department.

A. K. Detweiler has drawn out of the race for the chieftaincy of the fire department. He waited on Mayor Bailey yesterday and after explaining that it was his intention to continue in the harness business, to which he succeeded on the death of his father, withdrew his petition.

Mr. Detweiler figured in many of the stunts made out by the prophets, and knowing once said it known that his candidacy was not altogether displeasing to the mayor. His withdrawal leaves the field clear and free to the other sixty-seven candidates.

RHEUMATISM is caused by lactic acid in the blood. Hood's Sarsaparilla neutralizes this acid and completely and permanently cures rheumatism. Be sure to get only Hood's.

HOOD'S PILLs cure nausea, sick headache, indigestion, biliousness. Sold by all druggists.

Rexford's
