

BRILLIANT PULPIT ORATOR

Preached Yesterday in the Pean Avenue Baptist Church.

DR. DIXON'S ELOQUENT SERMON

He Drew a Lesson from the Street That is Called Straight—Congregation Impressed by His Magnetism and Versatility.

A treat was enjoyed by the Pean Avenue Baptist congregation yesterday in listening to the two sermons by Rev. Dr. Joseph K. Dixon, of Philadelphia, a young divine of rare magnetic qualities...

Dr. Dixon, while pastor of the Epiphany church, succeeded in increasing its membership to a marvelous number in erecting a chapel in which the Sunday school rooms alone cost \$25,000.

Dr. Dixon has traveled in the West and incidentally lectured and done not a little newspaper writing. He regained his health and is sought by many churches that are without pastors.

His subject last night was "The Straight Street," suggested by the text "And the Lord said unto him, arise and go into the street which is called Straight."

Sacrament of the Lord's Supper Celebrated Yesterday Morning at Calvary Church—Services Last Evening of Very Interesting Nature.

Last evening the services at Calvary Reformed church were conducted by ministers attending the session of Wyoming classis. The classis will close today and the clergy members are expected to return in the afternoon to their homes.

At Saturday morning's session Rev. W. H. Stubbeltine made an appeal for financial assistance to establish a mission chapel in Petersburg. He thought that if the classis would give \$500 he would be able to undertake the work.

Rev. Benner's remarks.

Saturday evening services in preparation for the celebration of the Lord's Supper yesterday morning was led by Rev. H. A. I. Benner, of Freeland. His words were meant to impress his hearers with the need of examining into their hearts to discover and discard the errors and sins which we are subject to.

FAITH IS THE THING

Faith, he said, in ourselves and in our work is the quality that begets success. Cyrus W. Field had faith in his ability to connect the two worlds by means of the Atlantic cable.

Rev. G. F. Sorber, of Watstown, who was one of a committee of three sent to look into the prospects of establishing a church here, and which laid the beginning of Calvary church, was the last speaker.

Fixing for the Summer Cottage.

Pretty flowers look prettier amid congenial environments. Jarde nieres, Flower Stands and Pedestals on which to put them add to the beauty of the cottage; show plants and flowers to better advantage.

It isn't necessary to use the "best china" or make out with kitchen crockery. Very attractive dinner and toilet ware can be bought for very little money now-a-days, cheaper far than the commonest stoneware of not so very long ago.

We are making a feature of Summer cottage trade. Lamps, Lanterns—there are lots of necessities as well as comfort suggestions here.

Court has denied the appeal of the Delaware and Hudson railroad to take the suit against the Scranton and Pittston Traction company to the Supreme court. Judge Gunster allowed the street car company to cross the railroad tracks at grade at the Moose station.

The superior court sustained the lower court, and now the appellant wanted to bring it to the supreme court, but the court here refused the appeal for the reason that the act establishing the superior court contains a provision against granting the appeal.
