

THE WOMAN'S PAPER

Will undoubtedly be a welcome visitor at thousands of homes throughout Lackawanna county today. Its appearance marks a new phase in Scranton's resourceful enterprise, and we trust that the labors of its promoters and gifted contributors will be crowned with perfect success. We may also add that we highly appreciate the opportunity which *The Woman's Paper* affords us of saying a word or two about

THE WOMAN'S STORE

(The Globe Warehouse.) We are still going forward, still keeping pace with the growth and development of a great and prosperous city. As usual, stocks are full in every department with the newest and best productions on the market, while, as regards variety, extent and values, we have no competitors. **Our Departments Include:**

Black and Colored Silks

All the standard weaves by best makers, and the most complete line of fancies this end of the state.

Black and Fancy Dress Goods

Every good staple weave and all the popular fancies. Stock greater than all others in the city combined.

Summer Wash Goods

Our stock includes everything worn, besides many exclusive novelties well worthy of your inspection.

Prints and Gingham

Include imported novelties, highest grade of Domestic productions and the usual Domestic standard makes.

Draperies and Curtains

This department is complete in every detail, and although one of our latest additions, is gaining ground rapidly.

Cloths, Flannels, Etc.

Staple coatings, fancy cloakings, imported and domestic flannels, flannellettes, etc., also skirtings and light summer flannel.

Domestic Linens

Finest imported Linens in Table Damasks, Napkins, Towels, etc., also shirtings, towelings, bleached and unbleached muslins, etc.

Umbrellas and Parasols

A department fully up-to-date, brimful of novelties and lacking in nothing that common sense or fashion's whims demand.

Ribbons and Laces

A department rich in novelties, abundant in stock, and beyond the keenest competition when it comes to values.

Popular Priced Millinery

An enlarged department where high class millinery can be purchased for what it is worth intrinsically. A new idea.

Ladies' Muslin Underwear

One of our grandest successes, selection unlimited, qualities guaranteed. Making as fine as made-to-order goods.

Our Corset Department

Years of experience have taught us the difference between good and bad makes and shapes. Buyers get the benefit.

Satisfactory Glove Selling

Comes not by chance, but by knowledge. The reputation of this department stands unchallenged. We still lead.

Hosiery and Underwear

The chief clothing comforts of ladies and gentlemen. Our stock shows that we've discovered the right sorts at right prices.

The Great "Notions" Family

is fully represented by the latest new comers, while the good old stand-bys are not overlooked. We couldn't afford to.

The Shirt Waist Craze

grows, but we're equal to the occasion. As usual we show the biggest stock, best and lowest prices.

Cloaks, Suits and Skirts

We keep "tally" on fashion's every move, but she never gets ahead of us. A look will satisfy you on that score.

Men's Collars, Cuffs and Shirts

Not a half stock in the corner of a dry goods store, but a gent's furnishing store in a dry goods house.

The Same Remarks Apply

To everything mannish, including smart neckwear, suspenders, sweaters and all else in that line.

A Three Line Summary

We haven't told all. We don't want to. We'd rather you'd find it all out for yourself.
