THE SCRANTON TRIBUNE-THURSDAY MORNING, MAY 14, 1896.

lot stand 10 to 9. That his heart wasn't in it, however, was evidenced when the Grier surprise party was sprung, for he was the first to make the attempt to break the quorum. The reconsideration and final action occurred about 10 o'clock and adjournment was immediately made

adjournment was immediately made. Action connot again be reconsidered under the rules and the matter will now go to select council. TURNPIKE TROUBLE AGAIN.

Mr. Flanaghan said he had heard Mr. Flanaghan said he had heard that the Turnpike people proposed mov-ing their toll-gate down to Leggett's creek, which is within the city limits and he introduced a resolution direct-ing the street commissioner to take the necessary legal steps to prevent. Mr. Oliver advised taking out an in-junction and Messrs. Sweeney and Nealls advised taking out an ax. It was finally agreed to instruct the street commissioner that in case a toll gate is erected within the city limits by the Providence and Abington Turnpike company, he shall remove it if in his judgment it shall be an obstruction.

An ordinance for a lateral sewer on Monsey avenue and another for as-phalting the court between Clay and Webster avenues passed third reading. The annual report of the city con-troller's department was submitted by Mr. Bobbase and ordered duel A suc Mr. Robinson and ordered filed. A syn-opsis of it is appended: The revenue from all sources was \$384,304.77. Im-provements to the amount of \$56,322.20 were made by local assessments. To-tal amount handled, \$440,626.97. The ex-nenditures for all nurroses including

penditures for all purposes including \$56,029 for interest and redemption of bonded debt, amounted to \$560,739.57. Cash balance April 1, 1895, \$360,334.67; receipts during fiscal year. \$440,626.97; total, \$500,961.64. Disbursements, \$620,-268.97; cash balance April 6, 1896, \$180,-692.67. The bonded indebtedness at the end of the fiscal year 1895, was \$635,-961.88.

OUR WOMAN'S NEWSPAPER.

t Exceeded All Expectations-Demands for More Papers Received from All

"Our Woman's Newspaper" has been given to the public and everywhere exterday the warmest words of praise were heard for it, for it exceeded all expectations. The women who labored so carnestly and unselfishly to make it came in for the hearty congratulations they so richly deserved. The paper was complete in every detail and most of the departments were of unusual ex-

The last "form" of the paper was lowered into The Tribune's stereotyping department at 3.30 yesterday morning and soon the ponderous press was in readiness to begin the task of printing the 40,000 copies of the edition. The weary women editors and reporters reweary women enfors and reporters re-mained to witness the printing of the first copy, which was afterwards en-closed in a handsomely printed satin cover and given to Charles Schlager, who paid \$100 for it.

As soon as the press began to throw off the printed copies they were hur-ried over to the Young Women's Christian association rooms, where a corps of women prepared them for circulation and distributed them through the city and its vicinity. The paper was on sale in many business places.

The solicitors for orders for The Woman's Paper desire that any that did not receive their papers yesterday in the delivery would send their names the derivery would send their names to the Young Women's Christian asso-clation rooms. The young women did very faithful work in getting orders and delivering papers and bringing in their returns from the various streets. The ones in the booths and in the stores did well.

The first newsboy on the street sold 140 papers in a short time and came back for more. By noon Wilkes-Barre telephoned for 2,000 more copies. Hyde staying by saying he would prefer charges against him. Mr. Flanaghan also told him in a fatherly kind of a Park and Providence were quite enthusiastic. The women were out in decorated carriages and bright young girls were in street booths as well as in

The meeting of the Anthracite Cinder Path association in Mahon's hall, Oly-phant, last night, was the largest since

phant, last night, was the largent since the organization of the movement. The Carbondale Wheelmen conducted a club run to the needing as did the Green Ridge Wheelmen of this city. A great many unattached wheelmen from various points along the proposed routes were present. Vice President Charles Houser, of Olyphant, called the meeting to order in the absence of President Dr. John Day, of Carbondale. After the routine of business had been disposed of the resignation of Mr. Day as president of the association, was read. Mr. Day was elected to the office without his consent and while he is in sympathy with the motives of the organization, yet his business interests would not alyet his business interests would not al-low him to do justice to the office. The resignation was accepted. C. W. Whiting, of Carbondale, was nominated to fill the vacancy and was unanimously

elected. The finance committee's report show-The finance committee's report show-ed that, although no systematic can-vas had been made, there have been re-ceived voluntary pledges to the amount of seven hundred dollars. The right of way has already been granted from Crystal lake to Peckville on the public birthway by the two solutions of the public birthway by the two solutions of the public highway by the township supervisors and borough councils along the route.

AN EXPENSIVE FORTION.

The most expensive part of the path will be from Carbondale to Crystal lake, that section costing two hundred and fifty dollars per mile. From Car-

and fifty dollars per mile. From Car-bondale to Green Ridge will cost four-teen hundred dollars, 8000 per mile. About \$4,000 is the sum needed and it is believed this sum will be almost raised by subscriptions for member-ship and contributions for hotel men and others having properties along the path and who will be benefited by it. The executive committee has ap-pointed subscription solicitors in all the lowns along the path and in Carbon. towns along the route and in Carbon dale and Scranton.

Thirty new members were added to mebership list at a dollar cach, e meeting adjourned to meet at the the

welcome addition to the theatrical at-

tractions of the season. The company supporting the ever favorite comedian Digby Bell, and his talented wife, Laura

in the extreme, Mr. Keller, at the con-summation of the clever coup, turned to Mr. Zeidler and said: "You may go now." "Yes, you may go now," chimed in Chairman Grier. And Mr. Zeidler On Monday next Professor X La Motte and Olga Sage, the hypnotists, will begin a week's engagement at the Academy of Music in this city. Last week they were in Rending and created went. This paying fight was one of the hottest battles that was ever waged in common council. After being besieged such a furore that hundreds of people who had become impressed by the ex-credse of their peculiar power requestby the representatives of the two com-panies and two factions of the property ed them to remain another week and holders for the last two weeks, the committee last night brought in two re-ports, the majority report, signed by Messrs. Noone, Wenzel, McGrail and the engagement was finally prolonged. This week they are turning people away every right. The week previous to every night. The week previous to their going to Reading the Sages were at Wilkes-Barre, where they appeared Messre, None, wenter, actual and the Gordon favoring the Barber bid, and the minority report signed by Mr. Keller, recommending the awarding of the connightly before the largest audiences that ever gathered in the Grand Opera house, not excepting those attracted by

tract to Dunn Bros. MR. KELLER'S SPEECH. Mr. Keller made a lengthy and strong

the Baldwins last season. A noticeable thing about the Sages' entertainments is that they have no confederates, but speech in favor of the minority report, reiterating his contention that the only select their subjects from their audiences-from among people who are well known in the towns in which they exquestion before the committee and councils was the selection of the lowest responsible bidder and that the quality hibit, Occasionally Professor Sage uses Mr. Fullwood, his advance agent, or Mr. Adkins, his business manager, when he has some especially hazard-ous feat to perform, but he never places them underinfluence without pre-viously notifying the audience that they one in his motion. responsible bidder and that the quality of material and all that was a matter which the ordinance and specifications leaves entirely in the hands of the city engineer. He also took occasion to re-mark that he could not see what could influence councilmen to vote to virtual-ly rob the people of the four blocks of Monroe avenue out of \$3,100 as they proposed to do in voting to give the contract to the Barber Asphalt com-pany. He showed how the city and are in his employ. The Sages are nev-er at a loss for subjects and it frequenty happens that representative citizens ly happens that representative citizens submit to the professor in order to sat-isfy themselves there is no fake about hypnotism. During the week's engage-ment the character of the Sages' enter-tainments are changed every night, so that those who go every evening will not see the same exhibition twice. During the week the subjects will play a ball game on the stage, open bar-ber shops and shave customers; open photograph galleries and take abetuess contract to the Barber Asphalt com-pany. He showed how the city and property holders would be protected even in case Dunn Brothers should de-fault or fail to live up to their contract and argued that it was establishing a bad precedent to award a contract to the higher bidder, discouraging com-petition and bringing criticism on the body. Mr. Keller concluded by pre-senting a petition signed by a large majority of the property holders pray-ing that the low bid be accepted. Captain Moir, in whose ward are three of the blocks which are to be payed. ber shops and shave customers; open photograph galleries and take pictures, open dentistries and draw teeth in the most approved fashion; take their girls out sleighriding, etc., etc. There's one thing everybody says after seeing the Sages and that is "I never laughed of the blocks which are to be paved, also spoke in favor of the Dunn bld. Mr. McGrail got himseif heartily laughed at by getting up at this junc-ture and making an explanation that didn't explain, to wit: That he and other majority members of the commitso much in one evening in all my life." While the Sages were at Wilkes-Barre they gave private exhibitions at the Press club, the Stafford Literary club,

other majority members of the commit-tee were befuddled by the bombardment of lawyers, asphalt agents and the like and brought in their report so that there would be two sides of the ques-tion presented and councils could do the rest the Elks rooms and were entertained by many representative families of the At the Frothingham next Monday night John J. Kennedy and his com-pany of players will open a week's en-gagement during which popular prices the rest. Mr. Oliver also spoke in favor of the Dunn bid along the lines of Mr. Keller's will prevail. The company is a first arguments. class one in every particular.
