The result might have been different if Horner had been taken out of the box after the first inning when he was

hit five times for seven bases.

Meanwhile the puzzling delivery of Friel, the Providence colt, was so mystifying that after the third inning he was found for only two effective singles. He was supported in superb style. Scran-ton's field work was bad, all the errors excepting the two by Flack, being of the positive and hair-raising variety. So, even without the good twirling of Friel or the easy work of Horner, Providence would have won just the same. It is just as true that the very, very

From the beginning Scranton's hitters got a perpetual roast on balls and strikes. It was charity to think Kelly's eyesight was bad, and there was kelly's schedler of eyesight was bad, and there were many back of the clate who but a more se-rious construction on the matter.

Shamokin Kicks on a Decision of Umpire Reilly's.

Special to the Scranton Tribune. Carbondaie, May 11.—The Carbondale-Shamokin game yesterday ended in a big kick. That is, Shamokin did all the kicking and as a consequence surfered the penalty. The Shamokin captain, since his debut in this city, has shown that he possesses the qualities of a mule and a very obstinate one at that. Umpire Reilly has made, all the week, very bad decisions, but as he gen-

eraily evened up things no one kicked but the Shamokin team.
You can't bluff Reilly though after be has made a decision and when the visiting players failed to take their po-sitions in the required time awarded the game to Carbondate. There was a

great cheer at this decision and the people were very willing to forgive people were very willing to forgive Reilly his past faults. The game promised to be a very in-teresting one, the score being 5-5 when the game was called. Both teams were playing good ball and it was anybody's game. McQuade, the first man at the bat, knocked an easy one to first. Staltz hit to second and reached first safely Patchen then knecked a nice one to center field scoring Staltz's run. Massey and Rafter, the next men up, were put out at first. Two runs had been placed to our credit, however, so we

were happy. were happy.

There was a sudden fall in the temperature when Shamokin came in.

O'Gara was in the box and was very wild at first though he soon settled down. Ellis and Fox both hit to O'Gara. Fox getting first all right. Costello followed with a rattling two-bagger. Kuntzer took a walk. The visitors were hitting freely and before they were

retired scored four runs. In the next inning neither side scored. O'Gara made up for his bad pitching in

In the next inning neither side scored. O'Gara made up for his bad pitching in the first by connecting with the ball for three bags. "Tommie" was loudly applauded. In the third inning Staltz took base on balls. Patchen hit safely to right field and Staltz came in on Massey's sacrifice. Another run came in. The visitors in their half made one run.

In the fourth Staltz made a two-bagger and came in on Massey's hit to right field. This tied the score, Shamokin being shut out in their half.

In the fifth Carge went out at first, Sales hit an easy grounder to shortstop and just made first safely. It was on this decision that the Shamokins kicked and left the field. On the whole the people were just as well pleased as it made the game, which might have gone the other way, ours. Score:
