### Philadelphia-Chicago.

Philadelphia, May 28.—Philadelphia made it three straight from Chicago this afternoon. The game was not begun until 4.15 o'clock, a half hour after the scheduled time, owing to rain, and throughout the contest, a downpour was momentarily threatened. No rain fell, however, and nine innings were played. Heavy hitting by both clubs was the feature, all of Chicago's runs being earned. Philadelphia took the lead in the seventh, by hitting the ball freely and held it to the end. The grounds were muddy, but notwith-standing this the home team played without an error. Troubles never come singly. Now it is rumored from up Rochester way that Latham wants to go to Louisville.

Dan Mahoney, the Lewiston catcher, whose release was purchased by Man-ager McDermott, but who would not report and was not wanted finally, be-cause of a bad arm, has decided that his arm is all right and wants to come. It is not known what Manager Me-Dermott thinks about it, but it is not likely that Mahoney will be taken on, as Rafferty has recently been hitting well and doing some good backstop work.

Tom Power and Tommy Johnson reached here yesterday in advance of the team. It is probable that Power will be in the game by Monday.

Tobacco Manufacturers Out \$10-000,000 in '95.

Prospect of Still Larger Loss in '06-Great Anxiety in Tobacco Circles.

Chicago.-[Special.]-It was reported here today that a large sum of mone; had been offered for the tobacco habit cure No-To-Bac, famous all over the country for its wonderful cures. This offer, it is said, was made by parties who desire to take it off the market and stop the sale, because of its injury to the tobacco business. General Man ager Kramer, of No-To-Bac, when in terviewed at his office, No. 45 Randolph street, said:
"No sir, No-To-Bac is not for sale

to the tobacco trust. Certainly No-To-Bac affects the tobacco business. It will cure over 200,000 people in 1896, at an average saving of \$50 which each would otherwise expend for tobacco, amounting in round figures to \$10,000,-000. Of course tobacco dealers' loss is gained by the cured. Does No-To-Bac benefit physically? Yes, sir. The ma-jority of our patients report an immediate gain in flesh, and their nicotine saturated systems are cleansed and made vigorous. No-To-Bac is sold by druggists throughout the United States and Canada, under absolute guarantee that three boxes will oure any case. Fallure to cure means the money back. Of course there are failures, but they are few, and we can better afford to have the good will of an occasional failure than the money. We publish a little book called 'Don't Tobacco Spit and Smoke Your Life Away, that tells all about No-To-Bac, which will be mailed free to anyone desiring it. Address the Sterling Remedy Co., Chicago, Mon-treal, Can., or New York."

companions named Roland and Gard-ner to meet in a blacksmith shop, in Centerville, Butler county, and together "chip in" \$1 and buy a pint of whisky on a prescription at a neighboring drug store, was affirmed by Judge Wickham, in a decision handed down by the superior court yesterday.

As Peters had contributed the larger share of the dollar he was arrested three months afterward, and by a Butler county j dg 's charge, was convicted of "selling liquor to the other two with-out a license." Judge Wickham says he should have been acquitted, and practically reverses the judgment,
