Now It's Our Turn.

Eight Scranton Players and a Rigger Couldn't Win at Wilkes-Barre.

Eight Scranton players and "Beatty" Wilkes-Barre, went, were led down to Wilkes-Barre yesterday afternoon to be slaughtered.

The game had its features. One was the absence of Pat McManey, who was said to be ill.

Another was the patchwork arrangement of the men on the field, Williams being on first, Horner in right and Ward in center, while the Wilkes-Barre directorate in the early part of the game, when Scranton was ahead, furnished no little amusement from their seats in the directors' box by their varied advice to the players of each team, the umpire and the reporters.

When a game lags in Wilkes-Barre the cheering of the directors will furnish more fun to the square million than is ever furnished by the Scranton directors of long ago—and that's saying a good deal.

Wilkes-Barre had in the box the elongated Boston youth named Yerrick, who seems too nice for his business. Mr. Yerrick has a beautiful form and takes the game in his stride.

He is right in every respect, but he can't pull out of tight places as any other pitcher. Yesterday he seemed to die in allowing hits and sending men in to first at critical periods and then, posing his trust in the alacrity of his supporters to retire the side.

The elongated Yerrick's nerve in that respect was commendable, but he can't thank his fellow Alligators for their acuity and Scranton's infielders for their errors, as these two things explain the result of the game.

HOW IT WAS DONE.

Johnson was hit quite freely from the beginning, but a fit of fast balls in the diamond and in the outfield kept the score tied at 1-1 for three innings.

In the fourth, two pitching errors and a single gave the Wilkes-Barrens two runs, while the Scranton made three runs in the fifth on four singles and McMahon's fumble and held the lead for a half inning.

After that we were never in the hunt. The Alligators hit out two earned runs in the sixth, got three in the seventh on pitching errors, field errors, misplays and a lonesome home run and secured their final and undeserved tally in the eighth.

Rafferty, Ward and Latham won the bouquets (that were not) for field work, and Maguire and Egan did some time by hitting. For Wilkes-Barre, Bonner distinguished himself at second, and Diggins caught a good, steady game.

In the first inning Latham scored a run after getting a bang-bang ball and making a clean steal of second. Hutchinson grounded out to Earl and Arlie scored on Williams' single. Ward singled and Hutchinson and Rafferty went out on infield hits. Bonner singled and Lytle, Lezotte and Bonner tied the score.

Second inning—Maguire reached third on a base on balls. Maguire's sacrifice and Johnson's out at first. Latham got four wide ones but Hutch was nailed at first. With one out Wilkes-Barre got three on base on a base on balls to McMahon, Diggins' single and a base on balls to Yerrick. That was the cue for the rest of the game.

Latham made a splendid running catch of Lytle's foul fly and Lezotte fanned.

Third inning—With two out Egan got a base on balls and went to second on Rafferty's single but the latter was forced at second. Betts singled but was forced by Bonner and Earl flew out to Egan. Smith singled Bonner to third, and McMahon fanned.

RAN OUT OF LINE.

Fourth Inning—With Maguire disposed of on a left field fly Johnson reached first on Betts' muff but ran out

of line while stealing second and Latham flew out to Betts. With one out Yerrick was hit by a pitched ball and Lytle drew four wide ones. Lezotte singled, Yerrick batted and Lytle to third but in helping the ball in from right field Hutchinson threw wild to stop Lytle at third and the latter second. Two outfield flies ended the inning.

Fifth Inning—Hutchinson and Williams singled and McMahon fumbled. Hutchinson scored on Egan's hot bouncer which Smith did well enough to stop. Rafferty hit a grounder to Bonner which he got to the plate in time to stop Williams. The bases were full again when Horner struck out. Maguire hit one into left field scoring Smith and Egan, but Rafferty was declared out at third on Diggins' assist in the play following Maguire's hit. For Wilkes-Barre Earl singled and Lytle fanned at second. Files to Egan and Latham retired the side. Score, 4-3.

SIXTH INNING—Johnson singled and reached second on Latham's sacrifice and third on Hutchinson's force hit. Johnson was run down on the line in an unsuccessful attempt to double McMahon. Williams was retired at first. Three singles and a fly to the outfield earned Wilkes-Barre two runs. Score, 4-5.

SEVENTH INNING—Ward was hit by pitcher, Egan fanned and Rafferty singled Ward to second. Horner and Maguire flew out to Betts. Wilkes-Barre filled the bases on a base on balls to Smith, Maguire's fumble of McMahon's hit and Diggins' bunt which Johnson might have held out. Lytle fanned. Williams was retired at first. Yerrick hit a grounder which Maguire fumbled and Smith came home. The bases were filled again. Lytle forced McMahon to the plate. Lezotte hit a bouncer that Maguire could have fielded but Latham got his hand against the ball, changing its direction, and shot past Maguire into left field and Diggins and Yerrick scored. Betts forced Lytle at third and Bonner was thrown out at first.

PARCELLED BY HUTCHINSON.

Eighth Inning—With Johnson out Latham singled but was forced by Hutchinson. Williams fanned. A double, a single and Williams' muff of Diggins' fly gave Wilkes-Barre the final run.

NINTH INNING—Ward was retired at first and Egan singled. Rafferty forced Egan and was out at second. A double play from Smith to Bonner to Earl.

STATE LEAGUE.

Easton Shut Out by Heavy Hitters of Carbondale-Luby's Fine Work.

Special to the Scranton Tribune.

Carbondale, June 1.—Carbondale won her third consecutive game from the Triple City aggregation yesterday in a well played game, in which our boys out to runs to their credit to the victors none.

The game was one of the best witnessed in this city, being full of interest and made more exciting up to the very last by the possibility of giving Easton a shut out.

The possibility was realized and the crowd went home happy.

Healy's magnificent pitching kept the visitors from scoring. They were unable to hit the ball safely and during the whole game made but three hits, and two of these were of the scratch order. His support was fine, only three errors being made. One error by Sales was the result of the player being hit by the linesman at a swift grounder. Easton did not get a man down to third base, and very few got to second.

Patchen caught several in attempts to steal, but Luby led him in the hitting, making two clean two-baggers. McQuade also hit hard. Massey's playing on first base was without fault. He made a fine catch of a foul ball the fourth, running clear to some plate after it. Kinnsela at first and Mayer at third did the best work for Easton.

RAVEN MADE A NEW RECORD FOR TRACK

Trotted a Mile with Ease in 2:16 1/2 at the Driving Park.

COULD HAVE MADE IT IN LESS TIME

Driver Westlake Did Not Allow the Mare to Exert Herself During the Last Half Mile—Mary West Won the Event for Trotters in the 2:19 Class. An Amusing Hitch Race.

A new track record for the Scranton Driving park was established yesterday by Raven, the black, fleet footed mare recently purchased by Dr. L. Wentz, of this city. She is said to be the fastest trotter in the world on a half-mile track, and her performance yesterday certainly warranted the belief that this claim for her is not an exaggeration. She made the mile in 2:16 1/2, reducing the track record half a second, without an effort apparently.

Robert Westlake, of Providence, held the ribbons, and so leisurely did he take things during the last half mile that in entering the stretch he pulled out his watch to see if it was necessary to get additional speed out of his charge to smash the record. It was not, and Raven passed under the wire traveling at the same easy, steady gait observed for the last half of the mile.

The performance of Raven was a feature of the races of the Gentlemen's Driving club, which had to be postponed Saturday on account of the rain. A handsome track harness was offered as a prize for Raven if she could make a new track record. There is no doubt about her ability to make several other new records for the track, cutting it down half a second a clip each time.

TIME THAT RAVEN MADE.

Raven gave two exhibitions. The first was merely a warming up mile, and Driver Westlake did not urge her.

The second exhibition was a half mile in 1:57 1/2, three-quarter in 1:50 and mile in 2:24. Half an hour later she came out for the real exhibition of speed and won the quarter in 24 1/2 and in 1:09 1/2, three-quarters in 1:42 and mile in 2:16 1/2.

On the second trial all the time was gained on the first half mile. Raven making the last half in 1:07 1/2, while she made the last half of the warming-up mile in 1:07 1/2. Had Westlake let her out in the last half mile of the last trial, the track record of less than 2:13 would have been established. Raven has a mark of 2:10 1/2 on a half-mile track. Her performance yesterday was as steady and even as the best seen.

The first event on the regular race card was the second heat of the half-mile event, 3:00 class. The first heat was run on Saturday and resulted as follows:

Lady Langford, b. m., Joe Langford.....4

Dick Atkins, b. k., John L. Wentz.....2

Kittie Mae, H. H. Howard.....5

Mame K, b. m., Dr. J. W. Houser.....2

Time—1:20 1/2.

When the race was called yesterday Lady Langford and Dick Atkins were withdrawn. The other three contested and came in as follows:

Joe, b. k., Frank Ferguson.....1

Mame K, Dr. J. W. Houser.....2

Kittie Mae, H. H. Howard.....5

Time—1:20.

That made two straight heats for Joe and he was awarded the race and the first prize, a sweet harness. Kittie Mae was awarded the second, a lap robe, and Mame K the third, a sulky whip.

2:25 CLASS FOR PACERS.

The second event was one mile for pacers in the 2:25 class, the first heat of which was also run on Saturday, resulting as follows:

Magnolia, bl. m., Dr. J. L. Wentz.....3

Duke, bl. g., L. T. Payne.....1

St. Joe, bl. g., C. E. Bellman.....1

Dick C, b. g., W. H. Richard.....1

Billy Brown, bl. g., Al Turner.....2

Time—2:40.

Yesterday Magnolia had an easy thing of it and experienced no difficulty in winning two heats straight. Summary:

Magnolia, bl. m., Dr. J. L. Wentz.....1

Duke, bl. g., L. T. Payne.....3

St. Joe, bl. g., C. E. Bellman.....5

Dick C, b. g., W. H. Richard.....2

Billy Brown, bl. g., Al Turner.....2

Time—2:40.

The first prize, a rubber two-minute Darr harness, went to Magnolia; the second, a cooling blanket, to St. Joe, and the third, a buggy whip, to Duke.

The third event was the one-mile race in the 2:19 class, a very desperate battle between Silston and Mary West, but the latter proved to be the fastest. In the third heat H. H. Howard drove a sweet harness. Kittie Mae was fouled by Cook, who drove Mary West, and the judges directed that it be trotted over again. Summary:

Silston, b. g., Robert Westlake.....1 2

Mary West, bl. m., Dr. J. W. Houser.....1 1

Jim Meers, b. g., Dr. G. E. Cook.....1 1

Time—2:16 1/2.

The first prize of a gold two-minute Darr harness went to Mary West; second, a cooling blanket to Silston and third, a gold mounted track whip to Jim Meers. Cook, who was the worst performing event of the day aside from the performance of Raven.

AN AMUSING RACE.

An amusing feature was the hitch race open to all. Those who participated were required to hitch their horses before the judges' stand, drive a mile and unhitch them again. Dr. L. H. Hill, John Fritz, L. T. Payne, P. A. O'Connor, William Richard, Frank Ferguson and W. P. Boland took part. Payne and O'Connor completed the work of hitching about the same time and started off together. Dr. Hill was third and Ferguson fourth. Payne completed the mile first, but O'Connor distanced him in unhitching in conformity to the rules, and was given the prize of \$5. Dr. Hill, John Fritz and L. T. Payne wore grotesque costumes.

James H. Kelly, of Dunmore, was the starter of the races, and the judges and time-keepers were T. E. Clark, of Honesdale; Levi Patterson, of Carbondale; F. H. Jernyn, J. H. Wilson and Louis Bunnell, of this city. A fair sized crowd witnessed the races.

Victory for Lavigne.

London, June 1.—The match between Kid Lavigne and Dick Butze, the lightweight champion of England, was fought tonight at the National Sporting Club, and resulted in a victory for Lavigne in the seventeenth round.

Piles! Piles! Itching Piles!

Symptoms—Moisture; intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and secrete, becoming very sore. Swayne's Ointment stops the itching and bleeding,
