EASTERN LEAGUE BASE BALL GAMES

The Springfields Make a Slight Gain in Percentage.

TORONTO WON THE FINAL GAME

Horner Lusted Only an Inning. Wilkes-Barre Played the Bisons to a Standstill—Rochester and Springfield Still Even—Today is Moving Day.

Table with 4 columns: Team, Score, Percentage, P.C.

The Toronto won their first of the series three games which ended here yesterday, and the Barons hold their position next to last, although the Springfields slightly improved their percentage by winning one of the two games played with Rochester and are too near us for comfort.

This is moving day. Toronto should do at least as well in Wilkes-Barre as in Scranton. Rochester will make an effort to give the Grays an extremely interesting time. The Syracuse-Springfield games will be bitterly contested, as the feeling between the managers is not of the most cordial kind and the opinions of the base ball writers of the two cities are as varied as March weather.

Percentage Record table with 4 columns: Team, P, W, L, P.C.

Today's Eastern League Games. Buffalo at Scranton. Toronto at Wilkes-Barre. Rochester at Providence. Syracuse at Springfield.

BARONS SLAUGHTERED.

Umpire Doescher Contributed His Share. Scranton Men on Bases But No Hits Came.

"Little Jack" Horner essayed to pitch against the Canadians yesterday. Thanks to a very, very rank decision of Umpire Doescher which prevented the side being retired when two were out and one run was in and three were on bases the Canucks were permitted to score five runs in the first inning. Six successive singles were made in that one chapter of Horner. Brown was put in the box in the second, and though the score showed that he pitched as good a game as McPartlin, the Canucks were fortunate in bunting their drives and they won by a score of 15 to 6. The Barons were unable to find McPartlin when the finding meant runs, as is testified by the fifteen left on bases.

There was a rather solid kick registered by Captain Hutchinson after Doescher declared O'Brien safe at first in the opening inning. O'Brien was out by at least two feet. There was no divided opinion about it. As O'Brien's safe arrival at first brought in two runs, making three in all, there was nothing good reason for Hutchinson's kick. Two more runs came in on another hit and Outcault's wild throw over second, netting Toronto five runs, when they should have made but one.

MORE TROUBLE. There was more trouble in the second when with one out and Delahanty on third and Freeman on second, Wright

MINISTER SAVED AFTER 31 YEARS. Tyrode, Ark., Sept. 19th, 1895. Gentlemen: I am now 31 years old and have been a perfect slave to tobacco for three boxes of No-To-Bac, and before two was used all desire for tobacco was gone, and since tobacco has not entered my mouth—and this, after not chewing, but eating it for years. I used over a pound a week. I can say to all who desire to quit tobacco permanently, give No-To-Bac an honest trial and you will succeed. Respectfully,

W. H. BOYCE. Now, frankly, what more can we do or say? It is for you to act. Just try today, the right time is right now. If you don't like feeling better after the first week you can learn tobacco using over again. Get our booklet, "Don't Take Tobacco Spit and Smoke Your Life Away." NATIONAL LEAGUE.

Rain prevented the games scheduled for Baltimore and Washington. The Baltimore-Louisville score was 4 to 4 when Umpire Sheridan called the game on account of heavy downpour of rain.

Up to that point the Canucks had been credited with six runs, only one of which they were entitled to. Doescher's claim that he didn't see Freeman bump Maguire sustains him in his decision, but it shows that he neglected an umpire's first duty to watch the ball. There was where his eyes belonged. If he had detected correctly in the first and second innings the score would have been 1-0 instead of 6-0, and the whole result of the game might have been changed.

What followed, however, indicates that the Pittsburgh farmers would probably have won. HOW THE RUNS CAME IN. Scranton scored four times in the fifth and made the tally 4-6. The runs were made on a single by McPartlin, O'Brien's miff of Ward's fly, Griffin's single, a single by Maguire and Berger's two-bagger. But in the last half of the same inning the Canucks got five earned runs on five singles, a sacrifice and a double. In the sixth they got another run on a base on balls, a single and a fly to the outfield, and three more in the eighth on Latham's error, a force hit, a triple and a single.

The Barons' run in the ninth was on Berger's triple and McPartlin's error at first base in miffing Lutenberger's assist. Outcault caught the first inning. His backstop work was good, but he made a wild throw over second. This was probably due to nervousness and over-anxiety. He was taken out after the one inning only because it was thought best to have Brown caught by Berger, who had steadied Sir Richard in such splendid fashion on Monday.

He Has Signed with Hornellville and Not Scranton. A special dispatch from Hornellville to the Rochester Democrat and Chronicle says: "Father Gillon and Fielder O'Brien, recently of the Rochester club, have been signed by Hornellville. O'Brien will play third base until Saturday when Barry, of the Niagara university, will be here.

TWO OUT OF THREE.

The Alligators Easily Shut Out the Hunting Bisons. Wilkes-Barre, Pa., June 9.—Yerrick pitched good ball for Wilkes-Barre today and was instrumental in securing a victory for the home team. Buffalo was unfortunate in its pitchers, S. Herndon after sending two men to bases in the first inning, was taken out of the box and Gannon substituted.

The latter was also wild and in the sixth inning, after Wise had a chance to retire the side, he went to pieces and Wilkes-Barre scored six runs. Attendance 600. Score:

Springfield-Rochester.

Springfield, Mass., June 9.—Springfield and Rochester played two games this afternoon, one of them being the game postponed from Monday. In the first game the home team battled Weighing all over the lot, winning in a walk.

The second game the Ponies put up was not of the sort that wins. They could not get McPartlin's curves to any great extent and threw away runs by foolish base running. Scores: First game—R.H.E. Springfield.....0 0 1 2 6 0 0 1 3 3 Rochester.....5 0 2 2 0 0 1 5 10 5 Batteries—Latham and Leahy; Weighing, Boyd and Sweeney.

Providence-Syracuse. Providence, June 9.—Providence again defeated Syracuse today. The home team took kindly to Mason's delivery and hit him hard and often. The Stars were not able to do much with Rudderham's pitching. Scores: R.H.E. Providence.....0 0 1 2 0 0 1 1 7 14 Syracuse.....0 0 1 0 0 0 0 1 2 5 2 Batteries—Rudderham and Dixon; Mason and Hess.

CONNELL-PRYOR WEDDING.

Miss Victoria Connell and Edwin Eugene Pryor Married Last Night. The wedding of Miss Victoria Connell, daughter of Mrs. Elizabeth Connell, to Edwin Eugene Pryor, of Brooklyn, N. Y., took place last evening at the home of the bride's mother, 469 Clay avenue. Those who witnessed the ceremony numbered about thirty, and included only the relatives and most intimate friends of the couple. The officiating clergyman was Rev. Robert Reed, of Shawnee Town, Ill., a great uncle of the bride.

Miss Jessie Connell, the bride's cousin, was bridesmaid. James Crouthers, of New York city, attended Mr. Pryor. The ceremony took place in the parlor, which, with the other rooms, was handsomely decorated with flowers. A reception and supper followed. Mr. Pryor and his bride left the city on an early morning Lackawanna train. They will reside at 1022 Green avenue, Brooklyn. The bride's gown was made of white duchess satin and trimmed with lace, pearl and emerald chignon. She carried white roses. A white gauze ribbon contained in the waist trimming had been in the Pryor family nearly 200 years and was presented by the groom's mother. Miss Jessie Connell wore a gown of white figured moussin de sole with pearl and point lace trimmings. She carried pink roses.
