LAIID AT REST WITH PRIESTLY HONORS

Funeral of Rev. Anthony Kileycne from His Mother's Home.

REQUIEM MASS AT ST. JOHN'S

Was Celebrated by Rev. J. A. Moffitt. Eloquent Tribute Paid to the Worth of the Deceased by Rev. Father Curran—Interment Made in a Vault in St. Joseph's Cemetery, Minooka.

Rev. Anthony F. Kileycne's remains were consigned yesterday morning to their last resting place in St. Joseph's cemetery, Minooka. The funeral was a magnificent one, due to his memory. There was an element of sadness in his death, stricken down as he was in the prime of manhood, under circumstances which deserve to be inscribed on the scroll of martyrs. Words are said to portray the grief of his aged mother and his brothers and sisters.

At 8:15 the casket was borne from his mother's home, at the corner of Cedar avenue and Breck street, to St. John's church. A catafalque was erected on a platform above the seats in front of the sanctuary. It was draped with heavy black mourning. Three high candlesticks were ranged on each side. When the casket was rested on the catafalque, the lid was lifted and the beretta worn by the deceased was placed on his head and the golden chalice with which he offered up his first mass was put upon his breast. The body was vested with his cassock, surplice, alb, stole and purple chasuble.

CLERGYMEN PRESENT. At 9:30 Right Reverend Bishop O'Hara entered the sanctuary with the following priests: Rev. Thomas F. Coffey, of Carbondale; Rev. John Loughran, of Minooka; Rev. J. A. O'Reilly, Rev. J. J. R. Feeley, and Rev. J. W. Malone, of the cathedral; Rev. M. B. Donlan, of Dunmore; Rev. R. H. Walsh, of Moscow; Rev. J. J. McCabe, of Avoca; Rev. James J. Fagan, of Great Bend; Rev. M. J. Millane, of Carbondale; Rev. J. J. Curran, of Wilkes-Barre; Rev. W. P. O'Donnell, of Providence; Rev. J. J. Dunn, of Green Ridge; Rev. James P. Jordan, of Redbank; Rev. George J. Stopper, of St. Mary's German church; Rev. P. P. McNally, of the West Side; Rev. P. E. Lavelle, of Pittston; Rev. J. J. Judge, of Hawley; Rev. James Shanley, of Dickson; and Rev. Daniel A. Dunne, of the West Side. The office of the dead was chanted by Rev. Father Coffey and the other priests sang the responses. After this service was over a solemn high mass of requiem was begun. Rev. J. A. Moffitt, of St. John's, was celebrant; Rev. M. F. Crane, of Avoca, was deacon; Rev. D. W. McCarthy, of Minooka, was sub-deacon; and Rev. H. P. Burke, of St. John's, was master of ceremonies. The choir of the church sang the Gregorian requiem mass, and at the offertory Miss Winifred Melvin sang the "O Salutaris!"

FATHER CURRAN'S SERMON. Rev. Father Curran preached the sermon and his text was "He was taken from judgment, and who shall declare his generation?" He was cut off out of the land of the living; for the sins of my people have I struck him." Isaiah, LII:3. This was applied to Christ, said the speaker, when He came upon earth to lay down his life to redeem souls. To the life of every priest it can also be applied. He does not redeem souls, but he goes among mankind to save souls. He turns his back upon his father and his mother and has no home, that he may work at all times for the salvation of souls. The speaker referred with eloquent words to the self-sacrificing spirit of the dead priest. He remained at his post through sickness and disease and fever to minister to his flock and like the good shepherd laid down his life. Rev. Father Curran, who knew the deceased well, testified to his beautiful character, his brilliant mind, and all the attributes of noble manhood. Absolution of the body was performed by Right Reverend Bishop O'Hara and the lid was placed on the casket and sealed. The remains were interred in a vault in Minooka cemetery on the left hand side of the entrance. After the remains were lowered, Rev. Father Moffitt, Loughran, Burke, Fagan, Curran and McCarthy chanted the final prayers.

CONVENTION AT PLAINS.

Tenth Annual Meeting of Congregational Sunday Schools of Wyoming and Lackawanna Valleys. Last Monday and Tuesday the tenth annual Sunday school convention of the Congregational churches of Wyoming and Lackawanna valleys met at the Congregational church of Plains. The first session met Monday evening, when Rev. H. I. Evans, of Scranton, led the devotion exercises. The address of welcome was given by Rev. Theodore Davies, of Plains, to which the moderator, Rev. Peter Roberts, of Olyphant, responded. A paper was read by Rev. William Surdival, of Jermyn, on "Cornelius, as a Seeker for Truth." An informal discussion followed on the Christian Endeavor societies in their relation to the churches.

On Tuesday morning the convention was called to order by the moderator, Secretary D. D. Evans, of Scranton, read the minutes. The roll of twenty-four schools was called, and representatives from seventeen responded. The reports from the various schools showed progress and efficiency. In the afternoon session the following officers were elected for the coming year: President, Rev. J. J. Jenkins, Nanticoke; vice president, Rev. D. M. George, of Pittston; secretary, D. D. Evans, of Scranton; treasurer, Prof. H. W. Evans, of Plains; executive committee, Rev. Peter Roberts, Olyphant; Rev. R. S. Jones, D. D., Scranton; Rev. T. C. Edwards, D. D., Kingston; Rev. David Jones, Scranton; Rev. Theodore Davis, Plains; Lewis Anthony, Edwaledale; W. D. Owens, Pittston; Daniel Bevan, Plains; committee of examiners, Rev. D. P. Jones, Scranton; and Rev. William Surdival, Jermyn.

TRANSFERRED A SURPLUS. The surplus revenue of \$11,800 over and above the controller's estimate for 1895 was, by a resolution presented by Mr. Neill, transferred to the judgments and incidentals fund, which is about depleted. An old bill of \$963.44, for work done on the third district main sewer by Hays, Fuhrman & Co., in 1887, was resurrected by a resolution, introduced by Mr. Keller and adopted, directing the city solicitor to allow judgment to be entered for that amount against the city, the claimants having agreed to withdraw the litigation now on in the courts and refrain from collecting until after the annual appropriation report next year. The bill passed councils in 1887, but Controller Eisele refused to countersign it for some technical reason. City Solicitor Burns approved of the bill and then suit was entered to compel its payment, which suit has been hanging in limbo since. This action will wipe out the claim and stop the accumulation of interest.

The resolutions authorizing the city solicitor to settle on a basis of 50 per cent. all claims against the city in which arbitrators have given an award was favorably reported by the judiciary committee and adopted. A communication from the board of health urging the necessity of establishing a sewer district on Columbia avenue was referred to the councilman of the ward, Mr. Gordon. The select council resolution granting to the chief of the fire department permission to use the old station house as a store room was concurred in. The petition from North Washington avenue property holders complaining that the Trinidad Asphalt company has utterly failed to live up to its contract to keep the pavement in repair and praying that the city compel the company to live up to its agreement was read and a resolution directing the street commissioner to take the necessary steps to enforce compliance was unanimously adopted.

GARBAGE ON THE RIVER BANK. Mr. Zedler secured the passage of a resolution directing the board of health to put a stop to the dumping of garbage on the river bank at the foot of Mulberry street and instructing the mayor to detail an officer at that point between the hours of 6 and 9 o'clock p. m. A resolution calling for plans for a woman's ward in the central police station was introduced by Mr. Keller and passed. A resolution introduced by Mr. Keller, appropriating \$450 to settle the claims arising from the construction of the Farber cove sewer through the McCarthy, Rifenberg and Gehrens properties, was referred to the sewers and drains committee. Mr. Gilroy introduced a resolution "directing the city solicitor to furnish copies of a copy of the negotiations received by him from the Delaware and Hudson Canal company relative to the opening of Wyoming avenue, between Olive and Gibson street, if he is in receipt of any such." The resolution was approved as it stands.

Will NOT TAKE AN APPEAL. Common Council Does Not Favor Attacking the Jermyn Decision. The board of revision and appeals met yesterday afternoon in the city clerk's office and decided to recommend to councils that City Solicitor Torrey be empowered to take an appeal in the Hotel Jermyn case, if in its judgment, there is any likelihood of the lower court being reversed. A resolution granting this power was introduced in common council last night, but was not approved.

MRS. LYNCH INJURED.

She Is Now Seeking to Recover Damages from the Scranton Traction Company.

And still another damage suit is on trial against the Scranton Traction company. Mrs. Mary Lynch, of Farker street, Providence, is the plaintiff and the amount she claims is \$10,000. Her attorneys are A. A. Vosburg, W. S. Hulslander, and A. D. Dean, Esq., Judge W. H. Jessup and Horace E. Hand, esq., represent the company.

Mrs. Lynch alleges that on Dec. 12, 1894, she boarded a Providence car in the central city to go to her home. It was in the evening after dark, and the car was packed with passengers. When the conductor collected the fare she told him to let her off at Parker street. He forgot it and the lurching of the car going over the tracks at the Marvins crossing impressed her that she was carried beyond her destination and she told him to stop and let her off. He gave the motorman the signal to start as she had one foot on the step and in the act of placing the other on the ground. The car started and she was thrown heavily to the ground, sustaining a fractured rib and a laceration of the intestines. Dr. Dean, who has made her a permanent sufferer, she asks damages in the sum of \$10,000.
