WEST SIDE EVENTS.

New Officers Elected by the Epworth League of Simpson M. E. Church Last Night.

The Epworth league of the Simpson Methodist Episcopal church met last evening and elected officers. Rev. J. B. Sweet presided over the meeting, which was well attended. The league is in a flourishing condition. The officers elected are: Miss Rachel Jones, president; Mrs. Josie Knauss, first vice-president; Miss Clara Gibbs, second vice-president; Miss Minnie Rinker, third vice-president; Miss Mae Jones, secretary; George Jones, treasurer; Miss E. Rinker, pianist; L. Jones, chorister; W. Clarke, usher; H. Hartman, Bert Meyers, librarians.

BEFORE THE SUN HAD RISEN.

Michael Monahan left his wife about two weeks ago and upon returning yesterday he signalled the event by storming their home at 215 E. 10th street. The sun had not yet risen—neither had Mrs. Monahan—when the door was smashed in and the intruder began to throw all portable articles from the building. Constable Timothy Jones was awakened from his sleep and from 5 o'clock a. m. until 4 p. m. he looked for Monahan. The constable was armed with a warrant sworn to before Alderman Blair by Mrs. Monahan. By chance it was discovered that the home wrecker intended to ask for his "time" at the Dodge colliery, where he works, and the constable immediately reported him to the police. Monahan was about to leave for other climes with his pay order in his hand. A hearing will be given this morning at 10 o'clock.

AT HYENNA'S COURT.

Weddings of June are not few on the West Side. Cards are out announcing the wedding of John York, of Jackson street, and Miss Emma C. Howor, of Price street, on June 23, at the residence of the young lady's parents. Mr. York is the efficient foreman at F. H. Gerlock's printing establishment. Miss Lizette Jones, of South Filmore avenue, will be wedded on June 17, to Evan Davis, of North Hyde Park avenue. The wedding will take place at the home of the bride's mother. Miss Bertha Jenkins and Attorney David Davies will be wedded on June 19 at the Washburn Street Presbyterian church. The affair will be conducted on a scale of prominence seldom before reached in West Side society.

HAS COME TO REMAIN.

The new bicycle club, under the name "West Side Wheelmen," is likely to be a permanent and strong feature of Hyde Park clubdom. At the meeting held last night in the rooms of the Colonial club eight new members were received, thus bringing the total membership very close to the hundred mark. The club has rented the Marquette rooms on South Main avenue and will take possession next Thursday. At last evening's meeting the attendance was quite flattering to the interest in the organization. After the session a score of wheelmen paraded the principal streets.

DR. MOYLAN SLIGHTLY INJURED.

Dr. P. F. Moylan, the South Main avenue resident physician, experienced a runaway yesterday. The horse he was driving became frightened while the doctor was driving down Washburn street. The animal darted ahead with a sudden start and the physician was thrown to the pavement. He was only slightly injured. The runaway reached and turned up Main avenue. When the banner block was wedged in the driving lines became tangled in the spokes of the wheels and the animal was thus brought to a standstill.

QUIETLY CONDUCTED WEDDING.

Luther Price, a well-known West Side man, and Miss Nellie M. Early, of the East Side, were wedded last evening by Rev. J. B. Sweet at the Simpson Methodist Episcopal church parsonage on North Hyde Park avenue. Bride and groom were unaccompanied. The marriage was kept a secret from the friends of the contracting persons.

NOTES AND PERSONALS.

The Republican league will meet tonight and will nominate officers. At 4:30 o'clock yesterday morning fire was discovered in the oil house of Matthew Bros. at the westerly extremity of the Lackawanna avenue bridge. An alarm was sent in from box 31. Both Hyde Park companies responded, but their services were not needed as the employees extinguished the blaze with water from a garden hose.

THE LADIES OF THE PLYMOUTH CONGREGATIONAL CHURCH GAVE A 10-CENT SUPPER LAST EVENING AT THE CHURCH.

The funeral of Effie, infant daughter of Mr. and Mrs. Daniel O'Connor, of Robinson street, occurred yesterday afternoon. Interment was made in the Hyde Park Catholic cemetery. Mrs. John Williams is ill at her home on North Main avenue. The members of the Scranton Street Baptist church will give a social and entertainment free to all next Thursday evening. The serving of refreshments will be done by men. Peters and York are distributing the high school announcements. Joseph A. Meara has returned from a fishing trip. Miss Sarah Evans, of South Summer avenue, is visiting at Hazelton.

MISS FLORENCE CAMPBELL, OF CHATTANOOGA, TENN., IS VISITING ON THIS SIDE.

Among the West Siders who visited Lake Winola yesterday were: Rev. David Jones, D. D. Evans and Samuel Powell. W. G. Lewis, of Catawuga, has returned home after a visit to West Side friends. Howell Davis, of Knoxville, Tenn., who has been in Wales for the past year, is now visiting on this side. Rev. David Jones, pastor of the First Welsh Congregational church, has returned from New York city where for the past two Sundays he has occupied the pulpit of the Eleventh Street Congregational church. During the period Mr. Jones' family were at Ocean Grove. Rev. Samuel Lewis, of Lewis, Essex county, New York, is visiting at the home of Rev. David Jones, of South Lincoln avenue.

A mistake appeared in this column yesterday morning in regard to the name of the officiating clergyman at the Reese-Phillips nuptials. Instead of Rev. R. S. Jones, D. D., it was Rev. W. F. Davis, who performed the ceremony. John Buttard and David Smith are visiting friends in Waymart. The Misses Bridget and Helen Ma-

MARKETS AND STOCKS.

Wall Street Review.

New York, June 11.—The failure of any sensational rumors current yesterday to materialize led to a general calm in the movement at the stock exchange today and the market was strong from start to finish. The circulation of the reports yesterday which led to the needless sacrifice of small holders was much discussed today. It can be stated that the market is not so perturbed as there is often said to be. A general investigation is on foot with the object of bringing the instigators of the false reports before the governing committee of the stock exchange. Two members of the board are under suspicion and every effort is being made to get to the bottom of the matter. There were no traces of yesterday's weakness at the opening of the market this morning and prices immediately improved 1/4 to 1/2 per cent. This checked selling for the long account and frightened the shorts. The market was strong and the reports forthcoming at the advance and the bears were compelled to come in the market and bid for securities. Under this process prices gradually lifted and at the close of the whole list showed gains of anywhere from 1/4 to 2 per cent. Commission houses were in the market and fairly large orders were first in weeks past, yesterday's break having attracted outside buyers. The main factor in bringing about the change for the better was the statements by people alleged to have close connections with the McKim's combination that the Lowry combination had come out strongly in favor of sound money in the platform to be adopted next week. J. Pierpont Morgan also came out with an interview in which he dwelt upon the necessity for an out and out gold plank. Mr. Morgan stated that in this event, European capital would certainly be invested here. The belief that this little gold will be shipped this week stimulated purchases. London had a rumor that there will be large shipments of the metal from New York shortly. Local exporters, however, know nothing of the matter. Every day the hinges on the position taken by the political parties at St. Louis and Chicago. The adjournment of congress and the favorable government crop report induced some buying for the long account. The greatest gains were made by Sugar, the Grangers, Louisville and Nashville, the Louisville and Tennessee Coal and Iron. As a rule the best figures were current in the final transactions. Manhattan was weak on the leasing of the Fourth avenue horse car line to the Metropolitan Traction company. The latter is to pay an annual rental of \$2,000,000 for the first five years and 4 per cent thereafter. Net changes show gains of 1/4 to 1/2 per cent outside of Manhattan, which lost 3/4 per cent. Chicago, Great Western common just listed sold at 67 3/4. Total sales were 15,082 shares.

SOUTH SIDE NEWS.

Guth's band held their annual picnic at Central Park yesterday afternoon and evening. The attendance was large and everyone was well entertained. The picnic was a financial success. Mrs. Henry Bonn, of Cedar avenue, who was dangerously ill, has improved somewhat and her condition is more reassuring. Councilman T. J. Coyne, of the Twelfth ward, proposes to keep before the Delaware and Hudson Railroad company the fact that the Steel Works station is built on Cherry street, and he will not desist until the company removes the station. Mr. Coyne noted the officials recently to clear the street very quickly or he will have the street commissioner do it for them. Prof. James F. Foley, of Rendham, was the guest of Prof. Thomas P. Joyce, of Minooka, yesterday.

DUNMORE.

Miss Ruby East, of North Blakely street, is spending a few days among friends at Wilkes-Barre. Charles Cole, who has been attending school in Scranton, returned to his home in this place for his vacation. The marriage of Minnie L. daughter of Mr. and Mrs. Daniel Bingham, to Charles M. Potter, of this borough, will take place at the home of the bride's parents in Hawley on Wednesday afternoon, June 24, at 6 o'clock. Miss Grace Review, of West Pittston, is the guest of her sister, Mrs. A. M. Bingham, of Cherry street. The ladies of the Golden Eagle will give an entertainment and social in the Odd Fellows' hall on Monday night, June 15. An interesting programme has been prepared after which refreshments will be served. Frank Jones, of Brook street, has for several months been confined to the house, his right leg being diseased, and yesterday it was found necessary to amputate the member between the thigh and the knee, the operation being performed by Dr. Lee, Longstreet and Pennypacker. The M. E. church excursion goes to Lake Ariel today.

MINOOKA.

The Connell Council, Young Men's Institute base ball team, will battle for supremacy with the St. Brendan team on the new grounds Sunday afternoon. The supervisors have served notices on the Bell Telephone company to remove their poles from the middle of the road. The Traction company has commenced to comply with the supervisors' request. The employees of the Fyne, Taylor and Holden mines received their monthly stipend yesterday. Grocer Higgins has commenced excavations for a new building adjoining his store on Main street. The Minooka band paraded last evening for the first time in a number of months. The Carpenter's union, No. 77, of Taylor, will hold a picnic at Weber's Park on Saturday, June 13.

KINGS AGREED TO ARBITRATE.

And Their Differences Were Amicably Adjusted. Yesterday Mr. and Mrs. J. C. King, the unhappily mated West Lackawanna avenue junk-dealers, woke up to the fact that they are spending a whole lot of money in attorney's fees and resolved to withdraw all the prosecutions begun on both sides and go their several ways in peace. The adjustment was effected in the office of Alderman Howe, before whom Mrs. King was arraigned at the instance of her husband on the charge of assault and battery. It was agreed between them that they would not attempt to live together any more and that neither was to have any more claim on the other than if they had never met. It developed that the cause of their trouble was the husband's falling for cards, which kept him and his money away from the house. His excuse was that he had to do something to keep him awake nights till his wife got asleep, and as the national game was the most efficacious means at hand, he adopted it.

SAYS HE WAS LIBELED.

Odd Kind of a Charge Preferred by a Railroad. John McAndrew, of Moscow, a Delaware, Lackawanna and Western brakeman, went before Alderman Wright yesterday and swore out a warrant charging Harry Gould, of the same place, with libel. The allegation is that Gould spread broadcast the false and defamatory report that McAndrew reported a brakeman for drunkenness, so that he might have him discharged and get his job. An officer will go to Moscow with a warrant for Gould this morning. Buy your ticket at the depot (E. & W. V.) tomorrow for the grand school excursion to Lake Ariel.

ATTORNEY SOPER HURT.

Found Unconscious and Lying Beside His Broken Bicycle.

Attorney C. H. Soper met with a serious accident early last evening. He was found unconscious under the railroad bridge on Penn avenue and Carbon street. His bicycle lay in a damaged condition alongside him.

Nobody was found last night who could relate how the accident happened. He was found by the crew of a Green Electric car and carried to his home, 615 Capouse avenue, where Dr. J. E. O'Brien attended him. For several hours he was in a semi-unconscious state. It could not be found that any bones were broken, though the bruiser and cuts on his face and scalp and the damaged bicycle showed the results of what must have been a bad fall.
