At the close of the incident by a vote of 31 to 4, the Republican national committee adopted a resolution as a substitute for those pending, to the effect that it was inexpedient to make any recommendation to the national convention on the subject of the change of representation. The substitute was moved by Mr. Fessenden, of Connecticut.

**NEW YORK'S STORMY SESSION.** 

Ex-Senator Warner Miller Criticises

Platt's Denunciation of McKinley. St. Louis, June 15-There was a stormy session of the New York delegation this afternoon. Ex-Senator Warner Miller criticised ex-Senator Platt's denunciation of McKinley and asked the delegation not to confer upon him the honor of naming him as chairman of the delegation, Mr. Miller, in return, was severely excoriated by Thurlow Weed Barnes and Senator John Raines, much to the gratification of the Platt men, who were largely in believe this is an insult to the intellithe majority. MENT. General Reeder, secretary of the com-monwealth of Pennsylvania, furnished the only excitement of the meeting. He stated that in the conventions at Chicago and Minneapolis each delegate had been alloted five extra seats and while the seating capacity of the hall here is larger than any previously used, only two extra seats are to be given to delegates. He said he believed it the right and duty of the delegation to ask for an inquiry as to what has been done with all the seats. His remarks were greeted with applause. He continued: "I understand that the seating capac

ity of the hall is 15,000. Take all the

delegates and multiply the number by four and there are 11,000 seats unaccounted for. What has become of them? "Sold." said a member.

"Yes, sold, and for sale and at auction shops and on the streets of St. Louis," continued General Reeder. He urged that the Pennsylvania delegation enter a formal protest. This was done by unanimous vote and Messrs, Elkins Flood and Rex were appointed a com-

mittee to present the protest. The Illinois delegation elected T. N. Jamieson national committeeman and after a hot discussion of the financial plank a resolution favoring the gold standard was finally adopted by a vote of 42 to 6.

St. Louis, June 15 .- "We have won the fight. Gold is the victor. The committee on resolution will declare for a gold standard and that declaration will be adopted by the convention." Such was the statement made this afternoon by Senator Lodge, of Massachusetts. He continued: "Since the conference we held last night we have had returns from many of the states that have elected their members of the committee on resolutions, and we now know exactly where we stand. Mr. Nodine Sued for Breach of Promise on His Wedding Day.

Bridgeport, June 15 .- Charles E. Nodine, a former merchant of this city, but now a resident of Lenox, Mass. was married to Miss Eveline E. Mather. of Howard avenue, on last Wednesday afternoon. A few minutes before the marriage ceremony was performed at St. John's church Nodine was made the defendant in a \$5,000 breach of promise suit, in which Mrs. Esther J. Wood, a widow, of Norwalk, is the plaintiff. Just before the time for leaving the Mather residence an officer called at the house and asked for Mr. Nodine. Miss Mather opened the door. She was attired in her wedding gown Mr No. dine was summoned, and Miss Mather stepped into another room. Then the officer served the papers. It was kept very quiet, and the bride did not know of the occurrence.

The marriage of Mr. Nodine and Miss Mather was celebrated with some floral decorations that had been used for the fashionable Thorne-Thorne wedding at noon of the same day. There was a reception at the bride's home on Howard avenue, and then the couple left on a bridal trip. All this time Nodine kept the secret to himself.

Nodine is about thirty-eight years old. The widow is a year or two younger. She says that Nodine has been courting her for four years, and that three times she has prepared her wedding trosseau only to be disappointed by Nodine. She read of the notice of his marriage in a paper, and she knew that she had been forsaken, and determined to take action to recover damages.

## COMPOSES HIS OWN EPITAPH.

#### Old Bachelor of Indiana Mourns His Lifelong Mistake.

Indianapolis, June 15 .- One of the most eccentric characters of the state is Allison Dewitt, of Battle Ground, an old bachelor who has lived alone in a little cabin for nearly half a century, and is now an octogenarian, enfeebled by disease and near death's door. Over one year ago he began digging his own grave, which progressed slowly because of his feebleness, and after reaching the required depth, he spent several weeks in walling it up, using brick and mortar.

Then he contracted with a Logansport firm for a suitable monument, bearing his own epitaph, and this stone was placed in position during the present week. He prescribed what should be carved on the tombstone, stipulating that no capital letter should be used save in the word God. A literal copy is as follows.

Iowa Farmers Organize to Rid Thei Fields of the Pests.

Waterloo, Iowa, June 15 .- The farm ers of Maxfield township, Bremer county, have organized to fight the advance of the army worm. Furrows ten inches deep and four or five feet deep width have been plowed around the fields.

#### YOUNGBLOOD'S SENSATION.

## An Alabama Representative Makes Accusation Against Politicians.

St. Louis, June 15 .- A debate that for heat and vigor of language rivalled that of the stormy sessions of last week, was precipitated in this morning's meeting of the national Republican committee upon the motion of Mr. Payne, of Wisconsin, changing the basis of representation in the next national convention in such manner as to increase the delegations from the north and decrease those from the south. When the debate was at its height, Col. Youngblood, of Alabama, created a sensation by a vigorous address in which he charged that the conflicts among the Republicans in the south and the
