WEST SIDE EVENTS.

Contractor D. E. Nichols, of Everett Avenue, Charges a Neighbor with Stealing Lumber from Him.

Seventy-five dollars worth of lumber has disappeared from the premises of Contractor D. E. Nichols, of Everett avenue, during a period of one year. Last evening before Aiderman Blair, of the Fifth ward, George Harris, a neighbor of Mr. Nichols, was given a hearing, he having been charged with the larceny of the wood. It was attempted to prove that Harris had entered the shed wherein the lumber was stored and had taken, at different times, the greater part of it. What he did with it is a matter to be proved. Attorney Will R. Lewis was counsel for prosecution. Mr. Harris entered ball in the sum of \$500 and the case will be tried at court.

ANOTHER CO. F CONTEST. Company F met last evening and drilled. Captain Fellows appointed George Griffiths as company clerk. There is another contest on in the company. Mr. Davies' candidacy savors of real hot politics. He has issued ballots in the regular way and his supporters are at work in their distribu-

That case in which Whalen and Teirney, two Keyser valley young men, were discharged after having been arrestd for hikhwayrobbery may come up again. Constable Timothy Jones, of the Fif-Leyshon, are not yet through with the young men. Mr. Jones, who was seen last night was bitter in his denunciation of the outcome of the case. He has worked hard to bring about the arrests and then to have practically nothing come of it is somewhat tantalizing. He infers that further action will be taken.
