Yesterday's Results. Scranton..... 8 Syracuse..... Rochester..... 12 Wilkes-Barre.....10 Ice...... 18 Toronto..... Buffalo...... 14 Springfield.

The Barons are tied with Wilkes-Barre in last place. Syracuse drops from fourth in favor of Buffalo. Those two changes are all that took place as a result of yesterday's games.

The Barons won out in the last inning a game which they never should have allowed the Stars to almost win. Rochester pounded out a victory from Coakley down at Wilkes-Barre. The Grays treated Toronto's pitchers very discourteously and won by several lengths. Springfield's errors permitted the Bisons to win a heavy-hitting game. Percentage Record.

WON IN THE NINTH.

The Barons Take One from the Stars

in a Heart-Breaking Pinish. The Barons won in the ninth by the hair-raising margin of one run. For eight innings the Barons tried to play the great national game as it should be played, but made a dismal failure of it and by costly errors allowed the Stars to get a lead of three runs when they should have had but one tally all told. Harper had meanwhile been twirling gilt-edged ball and wasting his strength

In the ninth while many of the cranks were leaving the grounds Latham singled and stole second, but Hutchinson and Meaney, the next two up, were easily disposed of. So with two out and a runner on second there did not seem to be much chance of winning. Ward, however, got a walk and then began the fireworks which won the Barons the game. O'Brien, Eagan, Maguire, Outcalt and Harper singled in succession and when it was all over five runs were in and two were on bases. The flew out to Bill Egan.

STARS MADE A RALLY.

Up to this point Captain Reilly of the Stars had been as busy and mouthy as an old maid at a church fair. After seeing the game go sliding away from him at the very last of the entertainment he encouraged his hired men to a great effort in their half and the game ended at a mile-a-minute clip. Bill Egan singled to right and stole second. Ward assisted Shearon out at first Egan going to third. Outcalt played back for Garry, the next batter. He popped up a high foul which Outcalt gathered in and then played back again, Egan walking in without any attempt being made to stop him. Minnshan hit a sharp grounder between short and third. The ball had whiskers on it when Latham made a beaut of a one-hand stop and recovered in time to assist the runner out at first.

Jimmy Delaney, who was released from Scranton to Syracuse last year. was in the box for the Stars when the game began. For three innings he pitched good ball, barring his wildness ore single, four bases on balls, two "hit by pitcher' and two strike-outs being recorded against him. But in the fourth he was touched for a double and three singles, which netted two runs, and Mason was put in the box in the fifth. For four innings his terrific speed prevented the Barons from getting more than one two-bagger, but in the ninth he was slaughtered.

HARPER'S GOOD WORK.

Harper had a better record. A wild pitch and a batsman hit were the only errors recorded against him which makes a very creditable performance out of his keeping the Stars down to nine hits, especially when is con-sidered the three-base hit credited to Ryan, which was scratched back of third because of Eagan's misjudgment.

Two errors by Maguire and one by Rufferty made possible the Stars' one run in the first and the two in the third. Ward's error and a passed ball in connection with a single presented the twinkling Stars with two more in the

fifth. This made a total of six with only one earned, and the Barons had meanwhile made two and earned but one, all of which shows that the game had not been brilliantly played.

The Barons were first at bat and got three on bases on a "hit by pitcher," Meaney's single and a walk to Ward. Hutchinson having meanwhile flew out o Shearon. O'Brien flew out to Eagan, who doubled Latham at the plate. The Stars were more fortunate, scoring one on a "hit by pitcher," a steal, a fly to the outfield and Maguire's wild throw with two out.

Second inning. The Barons went down one, two, three. The Stars earned one on Pete Eagan's misjudgment of Ryan's high fly, which was good for three bases, and Delaney's two-baser to right.

BARONS BEGIN TO SCORE.

Third inning. With two out, Hutchinson was hit by a pitched ball, and Meaney and Ward got wide ones and the bases were filled for the second time. O'Brien had the third strike called on him. With one out Garry singled and was advanced to second on Ma-guire's fumble of Minahan's grounder. The latter was forced by Carey and Garry got third on the play. Carey stole and Rafferty threw wild over third, letting Garry in, Carey going to third and scoring on Ryan's hit, Score,

Fourth Inning-Pete Eagan sent one sizzling down the left line for two stations and scored on Maguire's drive to left and Rafferty flew out to Garry. Harper singled to center and Garry let the ball get through him, Maguire scoring and Harper reaching second. Latham's single was followed by a double play. Score, 2-4.

Fifth inning-A single, Ward's fumble, a passed ball, a fly to the outfield and an infield out gave the Stars two

more runs. Score, 2-6. Seventh inning-Hutchinson got a walk and, after two files to the outfield, scored on O'Brien's two-baser to right.

Ninth inning-Latham singled and stole second. The next two up were easy out. A base on balls to Ward and singles by O'Brien, Eagan, Maguire Outcalt and Harper scored five and earned two runs and left Outcalt and Harper on the bags when Latham sent an easy fly to Bill Egan.

STARS GIVEN A RUN.

The Stars were-intentionally made present of a run after Bill Egan had singled and stolen second and the next man up had been assisted out at first. sending Eagan to third. Outcalt played back for the batter, Garry, who fanned at two and then sent up a high foul which Outcalt swallowed. Egan walked in while Harper was shooting fast ones over for Minahan. He hit one which Ward easily fielded to Hutch and the game ended. Score, 8-7.

COAKLEY A SOFT THING.

Rochester Had No Difficulty in Con-

necting with His Curves. Wilkes-Barre, Pa., June 18.-Coakley was hit hard today by Rochester. He was especially unfortunate with men on bases. The visitors succeeded in getting twenty-two hits, with a total of thirty-two bases off his delivery.

Herman, who occupied the box for the Blackbirds, was touched up lively, but he kept the hits well scattered. Shannon's error in the fourth inning was a very costly one. With one man out he had a chance to make a double play, but he fumbled the ball. The home team scored eight runs in that inning Weather fine. Attendance, 800, Score

The Rochester players left Wilkes-Barr after yesterday's game and are quartered at the St. Charles hotel. It's hard medicine to have to play ball in Wilkes-Barre, but it's tougher to have to loaf there without any means to kill time.

Scranton won one of the two games with Rochester and one of the two with Syracuse. In today's game with the former and tomorrow with the latter the Barons have a chance to make it two out of three with each.

It was unfortunate that Eddle Raf-ferty should cripple himself again. In the fourth inning of yesterday's game he split the nail on the little finger of his right hand. The injury will keep him out of the game for at least a week.

There have been thirteen shut-outs in the Eastern league this season. Providence and Syracuse are ther only clubs that have escaped. Toronto has been blanked four times, Wilkes-Barre three, Springfield and Scranton twice each and Buffalo and Rochester once each. None of the white washes have been administered by Prov idence or Buffalo; Syracuse has performed four, Rochester three and Toronto, Wilkes Barre and Scranton two each.

Not Enough of Entries to Warrant the Promoters in Conducting It Next Week.

After expending a sum approximating \$15,000 renovating its buildings and making its track as good and fast as any half-mile circle in this part of the country, the Scranton Driving Park don the circuit races which have been extensively advertised for next week, Tuesday, Wednesday and Thursday This decision was reached last night

and it seems to have been about the only thing to do, as only thirty-seven positive entries had been made in nine event, which would average but four horses to each class, not figuring in those that in all probability would be Scranton had been made a part of the

New York and Pennsylvania circuit. Early in the season the prospect for a successful spring meeting seemed bright and the association proceeded to spare neither money nor effort in arranging to have the affair eclipse in crowds, in accommodations for horses and in all else that goes with a success ful trotting meeting at the races at Allentown, Bethlehem and Binghamton, the other cities on the circuit.

To a Tribune reporter J. A. Fritz, the tion, said last night that the association proposed to arrange for a fall meeting and to increase the values of the purses to \$400 each.

NOT ENOUGH OF ENTRIES.

Tuesday night was the time designated for the entries to close, but it was then seen that the number of horses entered would not warrant the races being given and the time-limit was extended until yesterday afternoon. The telegraph wires were kept busy in an effort to swell the list, but thirty-seven positive entries was the best that could be done and so the meeting has been abandoned. The horsemen who were expected to be here were notified by wire not to come.

The meeting was advertised by circular and by the customary method in the turf papers. The failure to secure entries is ascribed to Scranton's newness in the circuit and to its remoteness from other cities where races were to

To those horsemen who had made entries and knew of the good financial backing to the meeting and the improvements made at the track, the abandonment will be a great disappointment. Such well-known men as Walter M. Jermyn, president; M. D. Brown, vice-president; J. A. Fritz, secretary and treasurer; James Mears, Joseph Jermyn and C. H. Schadt, of the board of directors, were directly interested in the success or failure of the undertaking. The disappointment is particuarly provoking to them because of the large outley that had been made. The park property was practically made over anew.

AROUND THE BULLETIN BOARD.

Crowds That Followed Conventions Deliberations at Tribune Office.

When the news of McKinley's nom! nation was received in this city yesterday afternoon the unanimous feeling of rejoicing that greeted it was everywhere apparent. The great interest taen in the doings of the convention was manifested by the large crowds that thronged around the bulletin boards in front of The Tribune office from morning until 9 o'cloc at night, when the news flashed over the wires that Garret Hobart, New Jersey's favorite son had been nominated for vice president. The nomination of McKinley was known at 6 o'clock.

Bulletins were posted on The Tribune board telling a running story of the deliberations at St. Louis, and these were the center of attraction. The news was passed from mouth to mouth and it was interesting to observe the way in which it was received. On the street corners, in hotel lobbles and wherever two or more men met the outcome of the Republican national convention

was the topic of conversation. There dld not'seem to be near so much speculation concerning the presidential nomination, as it was quite generally conceded that the Ohio statesman was in the lead without serious chances of being disturbed. The attitude of the silver states on the adoption of the gold standard was a matter that engaged attention from everybody.
