DEATH OF MRS. J. C. ULMER.

Respected Resident Passed Away Early Yesterday Morning.

Mrs. John C. Ulmer, of Salem avenue, passed away yesterday morning after an illness from which she has been suffering for the last two years.

The deceased was a most estimable lady who won the love of all those who came in contact with her. Her home life was to her the happiest and she will be greatly missed by her family.

Mrs. Ulmer was fifty-six years of age; was born in Lepsic, Germany. She came to this city when quite young and settled with her parents in Archibald. She was married in 1857 to John Ulmer and shortly after moved to her present home. She has since been her home. Her mother, husband and four sisters survive her, Mrs. A. V. Gerbiz, Mrs. C. C. Battenberg, Mrs. William Calloway, Archibald; Mrs. Neimyer, Scranton; four brothers, H. C. Miller, Kingston; T. M. and C. P. Miller, of Scranton, and A. B. Miller, of Stroudsburg; and two daughters, Mrs. W. J. Brunk, of Scranton, and Miss Minnie Ulmer, of this city. The funeral will take place Monday afternoon from the late residence, No. 152 Salem avenue.

OPERA BY HOME TALENT.

Will Be Given in the Early Part of July.

It has been definitely decided that the opera "Priselia" will be given in this city in the early part of July by home talent. The great number of people who responded to the invitation of the club to meet in their rooms made the presentation of the opera practicable.

The cast will consist of ten persons, five ladies and five gentlemen. The chorus will number about fifty persons and will consist of the best singers in the city. The work of rehearsing will commence at once and will be pushed rapidly. The music is very catchy and soon learned, so that no difficulty will be experienced in that line. A meeting of those who will take part was held last evening at the music school through. All express themselves as well pleased with the play.

Injured His Eye.

A severe and painful injury occurred yesterday to Edward, the little nine-year-old son of Mr. and Mrs. J. E. Burr, of Park street. The little fellow was shooting fire crackers when one hit his eye and as it exploded burned the ball badly. Dr. Fletcher examined the burn, but it is too soon to say what the result will be. The eye ball was blistered for about an eighth of an inch.

That

Extremely tired feeling afflicts nearly everybody at this season. The hustlers cease to push, the tireless grow weary, the energetic become enervated. You know just what we mean. Some men and women endeavor temporarily to overcome that
