WEST SIDE EVENTS.

Entertainment That Professor and Mrs. L. J. Richards Were Advertised to Give Postponed.

Last night and yesterday on this side was noteworthy because of four weddings which took place. A detailed account is given on another page. The day was also noteworthy because of a death of other events. At the First Welsh Baptist church, where Professor and Mrs. L. J. Richards, with Mr. J. L. Richards were to have given a dramatic and humorous recital, several hundred people assembled.

At 4:30 Professor Richards announced that the entertainment would not be given, and the several hundred fled out. The elements undoubtedly kept down the attendance. On the West Side there is a great interest in the Richards and it will be a mistake if another date is not arranged.

The police station things were of a dull cast and the aldermen fell to studying law.

MARKETS AND STOCKS

Wall Street Review.

New York, June 24.—American Sugar was traded in to the extent of nearly 150,000 shares at the Stock Exchange today, and the fluctuations in this specialty completely overshadowed operations in the railway and miscellaneous list. The stock opened slightly lower, but soon advanced to 116 1/2 on purchases to cover short contracts. The rise brought out liberal offerings, and a break to 113 1/2 quickly followed. The stock held on slender margins was thrown overboard and for a time the market, so far as Sugar certificates were concerned, was demoralized. No new reasons were given for the break and in fact none are needed. The street has since taken the opinion that the turn on the long side of this most mercurial specialty has been carried through successfully and that in the immediate future, at least, the stock will lack the support of influential parties. The break led to buying for a turn and a rally to 116 1/2 followed. A break to 113 1/2 quickly followed.
