### NO MONEY YET.

Pottsville Waiting for McQuade Before Paying.

The \$250 which Pottsville still ower our base ball association has not yet been forthcoming, and considerable trouble may be experienced in getting the money.

Pottsville makes use of a very lame excuse as the cause of her refusal to pay the remainder. They say that Mc-Quade, who played left field for Carbondale, has not yet turned up and that when he arrives everything will be set-tled. How much good this will do is evito every reasonable man. Cardent bondale has no control over McOuade and cannot turn him over if he won't If the matter cannot be settled any other way, the association will appeal to the National league.
