### WARRING ELEMENTS ARE GATHERING

Democratic Leaders Prepare to Rend Each Other at Chicago.

SILVER IS NO SIDE SHOW

Comptroller Eckies on the Scene Prepared to Give Expert Testi- Mattle Collier, of Old Forge, Sunday. mony -- Senator Teller's Candidacy Not Regarded with Favor.

Chicago, June 29 .- Contrary to the established rule of such occasions, the generals of the great political battle to be fought out next week, are arriving in advance of the rank and file. Senator Jones, of Arkansas, came in late last night, and this morning Colonel T. smong relatives and friends. Mr. Wells O. Towles, of Missouri, secretary of the is a member of the police force of that bimetallic Democratic national committee, opened up headquarters at the Sherman house in the parlor adjoining that occupied by the Arkansas senator.

Comptroller of the Currency Eckles led the list of morning arrivals at the Palmer house and was closely followed by Hon. John F. Shafroth, the Republican sliver congressman from the First district of Colorado, who broke his journey west to keep an appointment with Senator Fred T. Dubois, of Idaho, one people of Neath, the present fortnight, of the bolters from the St. Louis convention. At the Auditorium annex the the week. first signs of the Bland boom became evident with the arrival of George W. July celebration was in town the middle Alien, one of the delegates at large from of last week, and created the attention Missouri, who will be joined later in the day by Nicholas P. Bell, John A. Knott | cart nicely decorated in the national coland J. T. Bradshaw, constituting the executive committee of the Bland forces, lively attired in fantastic style. Congressman Shafroth made a tour of the hotels in search of Senator Dubols, a lady friend from out of town. but had not succeeded in locating him tion as to the plans and intentions of of ideas, and now a recent visit to a our country flad antile employment at these two representative sliverites, and nearby town has caused his head to be- home, sustained, encouraged and deabout the Palmer house it was reported | come load d with a new scheme in the that they would seek to effect an arrangement with the Democratic bi-metallic committee in the interest of Senator Teller's candidacy.

Senator Jones was specifically asked to express his views on this point to the United Press. He replied: "Ours is essentially a Democratic organization, and I do not see how we could admit these gentlemen to participate in our councils and ever were any overtures to that end made

"I take it, however, that if they desire to appear before us for the purpose of presenting any statement or making any suggestions, our committee would be very glad to give them a hear. given by the band of that place. ing. Beyond that however, I do not think that we could go."

THE BLAND BOOK.

Governor Stone with Moses C. Wetmore, the millionaire tobacco merchant | W. H. H. Gore, candidate for prothonoand others will be here early tomorrow morning. A car lead of literature concerning the public career and the speeches of the Missouri advocate of the white meth) is being unloaded this morning and will be at once put into circulation. There will be two Bland headquarters, one at the Auditorium annex and the other at the Falmer

Naturally enough the headquarters of the bimetallic Democratic rational committee at the Sherman house were the chief centre of interest this morning and before Senator Jones and Secretary Towles had finished breakfast a stack of cards from members of the local and state silver contingents lay be a handsome structure. alongside their plates. Once the meal an ever changing crowd of silver visit- of his dwelling. ors. While he unpacked his trunk, Secretary Towles took occasion to exmittee, so far from being a side show, terests among the Republican voters. was thoroughly representative of every state and territory.

### LEARNED IT IN THE JURY-ROOM.

Oklahoma Farmer Arrested for Manufacturing Bogus Money.

Wichita, Kan., June 29.-Walter N. Owens, a farmer of Oklahoma, was sntenced to serve a term in the penitentiary at Leavenworth for counterfelling. The case, to some extent, is a remarkable court here and tried a counterfeiter, During the progress of the trial counterfeiter's tools were exhibited and evidence introduced showing how false moneys were coined.

Owens examined the tools closely and listened to the evidence attentively. After the conclusion of the trial he went home and made conterfeiting tools himself and proceeded to work. Owing to his good reputation he made and passed a great deal of spurious money before

[Concluded from Page 1.]

patriotic devotion of the people to the best interest of our beloved country and the sustaining care and aid of Him without whose support all we do is empty and vain. Should the people ratify the choice of your convention for which you speak, my only aim will be to promote the public good, which in America is always the good of the greatest number, the honor of our coun-

and the welfare of the people. he questions to be settled in the Na-Saturday evening. Those who were in attendance had an enjoyable time.

tional contact year are as serious and important as any of the great governmental problems that have confronted to in the past quarter of a century. They command our sober judgement and a settlement free from partisan projudice and passion, beneficial to our-selves and benefiting the honor and grandeur of the republic. They touch every interest of our common country. Our industrial supremacy, our productive capacity, our business and commercial prosperity, our labor and its rewards, our national credit and curand Mrs. C. A. Carter.

Mrs. Eleanor Lines, who has been birthright of every American—are all spending the past two months with near layouved in the pending campaign, and thus every home in the land is directly and intimately connected with their proper settlement. Great are the issues involved in the coming election and eager and earnest the people for their right determination. Our domestic trade must be won back and our idle working relatives here. people employed in gainful occupations at American wages. Our home market must be restored to its proud rank of first in the world, and our foreign trade so percipitately out off by adverse national legislation, reopened on fair and equitable terms for our surplus agricultural and manufacturing products. Pretection and reciprocity, twin measures of a true American policy, should again command the sagnest encourageat of the government at Washington. blie confidence must be resumed, and fended against the unequal competition and serious diradvantages with which they are now continding.

NECESSITY OF TARIFF.

The government of the United States ta current expense and increasing needs its revenue should be raised to protect the platerial intersis of our people, with the lightest possible drain upon their resources, and realetain that high standard of civilization which has distion until after the Fourth, consequent-ly a "skip" will be made this week. tinguished our country for more than a contary of its existence. The income Several of our bicyclists took a spin of the government, I repeat, should count its necessary and proper expendihas compelled the government to bor-J. V. Keeler is spending several days at his former home in Wyalusing.

Mrs. Dr. Dinga was entertaining relatives from Rush last Friday.

C. F. Hull, of Athens, accompanied by ow money, in time of peace, to sustain is the duty to provide a sequate revenue for the extenditures of the government conomically and prodently admiristeral. This the Republican party has heretefore done, and this, I confidently be-Heve, it will do in the future when the party is again entrusted with power in the executive and legislative branches of our government. The national credit which has thus far fortunately resisted every assoult upon it, must and will be upheld and strengthened. If sufficient revenues are provided for the support of the government there will be no necessity for borrowing measy and in-creasing the public debt. The complaint of the people is not against the adminisiration for borrowing money and issuing bonds to preserve the credit of the courtry, but a tainst the rulnous policy which has made this recessary owing to the policy which has been inqueneated. over, their parlors were the scene of noticeable improvements to the exterior. The inevitable effect of such a policy is seen in the deficiency of the United States treasury except as it is replen-ished by lears, and in the distress of people who are suffering because of the scant demand for their labor and the products of their labor. Here is the W. H. Cogswell was up from Skinners fundamental trouble, the remedy for which is Republican opportunity and duty. During all the years of Republican ern Bradford, but prospects are good control following resumption, there was for a large yield in the apple crop a steady reduction of the public debt while the gold reserve was sacredly maintained, and our currency and credit preserved without deprecation, taint or suspicion. If we would restors this policy, that brought us exampled pros-perity for more than thirty years under the most trying condition ever known
