HARPER WEAKENED.

Barons Had the Game Won Until the Ninth luning When the Stars Took a Brace.

Syracuse, N. Y., June 29,-The Stars pulled out a victory from the jaws of defeat today in one of the most exciting games of the season. The home team did not score until

the eighth inning and Scranton looked like a sure winner. Harper, who was in superb form up to the eighth inning having allowed only five hits and given no bases on balls, became erratic and his wildness, together with the Stars' well placed hits in the eighth, ninth and tenth innings, gave Syracuse the game Moss brought in two runs in the ninth inning, tieing the score after two had been retired and Treadway, the Stars new outfielder, batted in the winning run in the teach inning. Treadway's batting and the Stars' base running were the features of the game White hill pitched a good steady game and kept the hits well scattered. Score:

LEADERS BEATEN.

Wilkes-Barre Took a Hard-Fought Game from Rochester.

Rochester, N. Y., June 29 .- Errors by Sweeney, who played second base in place of Shannon, are responsible for the defeat of the home team by Wilkes-Barre today. McDermott pitched his first game and did good work. His support was poor throughout. Score: ROCHESTER.

Springfield-Toronto.

Toronto, Ont., June 29.-Shorty Fuller and Third Baseman Relliy gave an awful example of how to fumble grounders to-day, and as a consequence Toronto won a game that also abounded in many other errors and heavy hitting. Springfield pounded McPartlin for four singles and a home run in the third, and with a base on halls and a batter struck, seven runs to sulted and Dunn came in. Toronto caught up in the fourth. For three innings it was a tie. Then, in the eighth, with two out a tie. Then, in the eighth, with two out and two on bases, Casey made a hit. Atendance, 500. The score:

VICTORY FOR THE LAWYERS.

Vanquished the Doctors in an Exciting Game at Athletic Park.

Nine young lawyers and the same number of young doctors took a few hours off yesterday afternoon and journeyed to Athletic base ball park where they played the national game for several innings, and then virtually agreed to discontinue for a few days in order Chronicle sizes up Pitcher Corbett and that they might recuperate. The usual explains the game lost by the Barons base ball season sign, "will be back at 6 p. m." could be found over the doors of these professional men yesterday and the clients of the attorneys and patients of the physicians will probably see some of the same signs in the same places today if they should call.

It is not known just how many people attended, but it is estimated that there was not one thousand persons present. The double umpire system was adopted so that each side would get its share of what was being dispensed in that line. J. Alton Davis was the choice of the lawyers, but Mr. Davis had something else in view for a day's work, and consequently did not put in an ap-

Dr. P nnypacker undertook to diagnose the balls and strikes for the physicians, and like all men of his profair in his treatment of all. was behind the bat. Judging from the manner in which the attorneys met the ball when at bat they possessed all the "good eyes." two clean

home run hits being made by them, together with several single, two doubles and a triple.

The result of the game shows that the lawyers had the best of the conching and that they had the most wind power, for they made twelve circuits of the bases to the doctors' eight.

It was generally conceded that there vere a sufficient number of errors on oth sides and by the umpires as well to assign as reasons for a new trial. Another game will be arranged for next veek. TORONTO'S FRANCHISE.

Rumor Has It That It Is to Be Trans-

ferred Soon. From the Rochester Democrat-Chronicie The Toronto club started the season iff well, but has been losing of late. The team has not been drawing well at home and the management is losing money rapidly. On the out-of-town ames they only secure the guarantee and this does not leave much of a margin over the regular expenses of the

Those that know say that the management is desirous of selling the franblse. If this is done, it is said that Albany is prospecting to obtain it. 'This change would make a beneficial change in the circuit; although perhaps not from a financial standpoint. Nothing of a definite character has been learned. but that the franchise will be transferred in the near future is considered by some to be certain.

RUSIE CASE DECIDED.

National League Directors Declare That the Freedman Fine was Right.

Pittsburg, Pa., June 29.-The board of directors of the National league held a meeting in this city today and decided that the fine of \$100 imposed on Pitcher Amos Rusie last year at Baltimore for alleged drunkenness by President Freedman, of the New York club, was just and proper.

Oliver Tebeau, manager-captain of the Cleveland team, was also remembered by the directors, and will receive a let-nd ter informing him that he has been ball field, and if he does not settle within ten days he will be ineligible to play 3 on any league grounds. The session which was secret, lasted five or six hours.

Pitcher Herman, recalled by Louisville from Rochester, didn't have very good luck yesterday in his first game after his return to the big league. He gave Cininnati twenty-two hits. Wilkes-Barre-Scranton series will

be as follows: At Scranton, Thursday; at Wilkes-Barre, Friday; at Scranton, Sat-urday morning; at Wilkes-Barre Saturday afternoon. Providence and Springfield as named, will play here two games each

beginning next Monday. The batting order was changed yester-day. Ward was changed from fourth to the head of the list; Latham was dropped from first to second; Eagan from sixth to seventh. Maguire, who has been averaging nearly two hits a game, was shoved up to fourth between Meaney and O'Brien, Hagan has not been hitting much better than .250 per cent, since the team left

"Joe Corbett put up a good game in the box for Scranton and then nullified it by throwing wildly to bases. If it had not been for his and Ward's bad work when Rochester had men on the bags it is very doubtful what the outcome of the game would have been. Corbett's work as a pitcher, however, was good, only nine hits being made off his delivery by the experienced and good batters who faced him while he was steady at critical periods. He struck out five Blackbirds, had good speed and good curves, but was a little wild at times. When he gets experience he will be a good man if his work yesterday is a riterion of what he is ordinarily capable Where he erred, however, was in throwfession, he had some successes and some ing to bases to catch runners. He is apt failures in his diagnosis, still he was to get excited and a couple of times sent the ball down to Ward and to Maguire as if he were trying to strike out a good bat-
