EASTERN LEAGUE BASE BALL GAMES

Scranton Had No Trouble to Win from Wilkes-Barre.

BARONS ARE UP IN SIXTH PLACE

Rochester Had to Work to Win from Syracuse--All the Clubs Play Two Games Today and Several Are Likely to Lose Their Positions.

Yesterday's Results. Scranton..... 9 Wilkes-Barre..... 6 Rochester..... 7 Syracuse..... 4

Scranton jumped from eighth place to sixth yesterday, ahead of Wilkes-Barre and Springfield. That was the result of the game down at the Allegator City. Griffin's men won because Corbett only gave one base on balls, because Scranton's errors were not costly, and because the Wilkes-Barre men couldn't hit the ball when hits were needed. Rochester had to struggle hard to win the game from Syracuse, and the latter might have tied or won in the ninth if Eagan had not interfered with the Rochester catcher and got himself declared out.

Percentage Record Table with columns for P, W, L, P.C. and rows for Rochester, Providence, Syracuse, Buffalo, Scranton, Wilkes-Barre, Toronto, Springfield.

HEAVY-HITTING GAME. Scranton's Drives Were Timely, Corbett Was Steady and So Wilkes-Barre Was Defeated.

Scranton, July 3.--Sandy Griffin and his men repeated the dose of Thursday to the old time enemy here today, and from the close of the fourth inning Scranton was never headed. The locals again passed Yerrick into service and he was as wild as a storm on the lake, having no more control of his curves than the pilot of a ship rendered rudderless. Four men massed movies driving to the bases on balls because, while in conjunction with this his support was decidedly eccentric. Errors were in at critical points and then when the tide might have been reversed, runs began making their appearance.

Joe Corbett was selected to pitch by Manager Griffin and he stepped into the box amidst a hearty and liberal applause. The Baltimore man was thoroughly in good form in so far as his command of the ball was concerned and was not hit with any effect until the sixth inning, the few drives made being harmless.

The playing of both teams was ragged but Maguire was the hero of the occasion his fielding and throwing being of a star order, while the sensational steps of the day was one by Ward in the sixth inning when he robbed Lezotte of what would ordinarily be a clean hit.

Two bases on balls and Maguire's hit gave Scranton two in the first inning, while Eagan's base on balls, Corbett's force hit, and singles from Ward and Latham with Bonner's error gave three in the second. With Ward, field manager for the fourth six consecutive singles with Latham leading the list and as a finish Earl's error gave Scranton seven runs. Meaney's home run drive earned a run in the fifth, another run was shown in during the sixth from four straight bases on balls by Yerrick, and this left

Wilkes-Barre's first run was in the third inning to Ward's fumble of Lezotte's slow bouncer, Lezotte driving him in. The sixth saw Smith gain first from Corbett's only base on balls. Bonner's two-base drive and Wentz's single coupled with Earl's out to Meaney gave two more. A force hit from Lezotte and singles by Lezotte, Smith and Bonner gave three in the seventh and errors from Ward and Latham scored McMahon in the eighth. The ninth opened with Lezotte, who singled. A passed ball advanced him, Bonner got his fifth hit of the game via a two-bagger, Wentz, Earl and McMahon singled, McMahon being doubled out on Yerrick's hit closing the inning. Smith previously having fouled out to Outair.

SLEEPY AND LISTLESS. The game was a sleepy, listless contest devoid of interest excepting that of the work of McMahon and Maguire, and Lezotte's brilliant double play in the fifth having retired Hutchinson on a fly. There was, however, much noisy ginger about the playing of the visitors who seemed on bagging the game.

WILKES-BARRE. A. B. R. H. P. O. A. E. Lytle, 5 2 0 4 0 0 0 0. Betts, 4 0 0 1 1 1 0 0. Smith, 4 1 1 2 3 1 0 0.

SCRANTON. A. B. R. H. P. O. A. E. Ward, 2b 4 1 2 1 3 0 0. Latham, 3b 4 1 2 3 3 0 0. Maguire, 3b 4 1 2 3 3 0 0.

ROCHESTER-SYRACUSE. Rochester, N. Y., July 3.--Wilkes-Barre's game between Scranton and Rochester was the most exciting of the season. The Stars touched up McFarland often than the local men hit Whitehill, but McFarland was a mystery when there was any danger of a Syracuse score. In the last half of the ninth inning, when two men were out, Eagan was on third and Harry on second, the latter having a corking struggle to centerfield. Eagan easily scored, on the hit, but there was much probability that Johnson would field the ball back in time to catch Harry. Eagan then threw his stand directly in front of Boyd and prevented his catching the ball. Umpire Lovett promptly declared Harry out and disconnected the run. Score: R.H.E. Rochester 10 0 0 2 0 0 0 3 0 9. Syracuse 3 0 0 0 0 0 0 1 1 1 2 1 1 2.

TODAY'S GAME. Big Crowd Will See the Scranton-Wilkes-Barre Contest. In anticipation of the large crowd which always attends a holiday game in Scranton, complete arrangements have been made to accommodate the extra thousands and avoid confusion at Athletic park today. The game will be called at 12 o'clock.

Reserved seat tickets may be obtained at Florey's up to 9:30 o'clock for 75 cents, which includes admission. The regular admission and grandstand tickets will be sold for the usual price, 50 cents. It is estimated that over 2,000 more spectators can be accommodated with seats this season than last year, so much of the past crushing and crowding will be avoided.

NATIONAL LEAGUE.

Yesterday's victories and defeats were quite evenly distributed between the first and second divisions, the advantage being slightly in favor of the leaders. The Phillies jump ahead of Washington, the only change in position.

Percentage Record Table with columns for P, W, L, P.C. and rows for Baltimore, Cleveland, Cincinnati, Boston, Pittsburgh, Philadelphia, Brooklyn, Chicago, Washington, New York, St. Louis, Louisville.

STATE LEAGUE. Lancaster, Pa., July 3.--Pottsville and Lancaster played a postponed game this afternoon. The game was well contested throughout. In the absence of the regular umpire, one player from each team umpired the game. Score: R.H.E. Lancaster.....002400102-9 11 2. Pottsville.....0000102020-6 10 9.

JACK CHAPMAN RESIGNS. He Retires as Manager of the Wilkes-Barre Club. During yesterday's game at Wilkes-Barre Captain Bonner, of the Wilkes-Barre team was notified by President Bogert to take charge of the club until further orders. It developed that Manager Chapman had resigned at noon. The following dispatch was received at The Tribune office last night: "Manager Chapman, July 3.--John Chapman, of Brooklyn, N. Y., manager of the Wilkes-Barre Base Ball club, tendered his resignation today, and it was accepted. It has not been officially announced, but it is well founded that Howard Earle, the first baseman, will take charge of the team. About a week ago while Earle was with the team in Rochester he was asked by letter if he would become playing manager. He would not give a decided answer. As Bonner has been given temporary control of the team it is probable that Earle and the officers of the club have not come to terms."

DIAMOND DUST. Scranton has won five of the eight games with Wilkes-Barre. "Senator" Ward's one-hand stop and assist was the best play in yesterday's game. Maguire has made eight hits and a batting average of .367 per cent. in the last two games with Wilkes-Barre. His fast work at shortstop was one of the features of yesterday's game.

AMATEUR BALL NOTES. At Olyphant--Scranton's 1 2 0 0 1 4 5. Club of Olyphant 0 0 2 2 1. Catterick-McVittie Shipman and Hart, Catterick, Walsh and Patton. The club of 75, of Olyphant, challenge the favorites of the same place to a game next Thursday. There will be no game at Olyphant this morning. This afternoon the Browns will go to Erie with a team of players. The Olyphant would, for a prize offered by the Delaware and Hudson company. The Has-beens would like to play the Olyphant. R. J. Phillips, captain, 7, on the Olyphant grounds. Answer in The Tribune.

BOOMING TELLER. This afternoon a party of silver Democrats consisting of Senator Stewart, of Nevada, Representative Newlands, of Nevada, and Hon. George C. Gorham, formerly secretary of the United States senate, called upon Senators Jones and Cockerill to urge the nomination of Senator Teller as the one man who could solidify the forces of silver and make the victory of that metal absolutely certain at the coming election. So far as the expressions of the gentlemen visited were concerned, it is said the interview was not very satisfactory. Senator Stewart, of Idaho, Pettigrew, of South Dakota, and Mantle, of Montana, and Representative Hartman, of Montana, the bolting delegates from the St. Louis convention, have headquarters at the great Northern hotel, where they are directing a very active canvass in behalf of Senator Teller. Senator arbor, of Montana, is expected tomorrow. The report that Senator Teller had issued a letter to the effect that he would not accept the nomination if it were made, has been denied at the headquarters this afternoon, and is conclusively disproved by the letter from the senator published by the United Press. Mr. Newlands is exhibiting to his silver Democratic friends a tabulation as follows:

A FEW FIGURES. Democratic vote in 1892, 5,000,000; Democratic vote in hopeless gold state of N. Y., N. C., England, N. J., N. H., Pa., Ill., Ind., 1,200,000. Democratic vote in populist states of the west, 250,000. This leaves a total of 5,750,000. Deduct for the Democratic silver vote 20 per cent.--750,000, and the aggregate Democratic silver vote pledged to the silver not to be nominated, at Chicago amounts to just 3,000,000. If the silver Democrats will accept the combination now offered them by the Teller boomers, Mr. Newlands pledges them the following vote: Populist and silver vote on the basis of the vote of 1892, 5,000,000. Free silver Republican vote, 1,000,000; independent vote of organized labor, 500,000. Total for the Teller candidacy, 3,500,000. Grand total for the ticket, if Teller is named, 6,500,000.

INDIANA WEAKENS. The Delegates Will Not Join the Silver Caucus on Monday. Chicago, July 3.--The first serious break in the ranks of the silver men occurred tonight at a meeting of the Indiana delegation at the Hotel de Ville into the caucus next Monday. Some of Mr. Bland's friends visited Indiana headquarters this afternoon and urged the Hoosier delegates to attend the caucus. After they had gone, at the request of several members of the delegation Senator Turpie, the chairman issued a call for the meeting. Mr. John E. Lamb, of Terre Haute, as alternates at large will occupy the seat of Senator Voorhees detained at home by illness, introduced a following resolution: "Resolved, That the delegation from Indiana believe that the nominee of this convention ought to be made by the convention and we decline to attend or be bound by the action of any caucus or conference called for that purpose."

The Standard bank gave an open air concert in front of the Lackawanna house last evening. Evening prayer and sermon will be held in the Episcopal mission in Ed-ward's hall tomorrow afternoon at 3 o'clock. Rev. E. J. Houghter will have charge. Miss Charlie Crisp has returned home after a week's visit with relatives in Dunmore. A delightful social was held in the Club of '96's rooms last evening. A number from out of town were present.

Watch Chaskey Win on Waverly. R. C. Chaskey, of the Waverly team, 9th regiment wheelmen, New York, and holder of indoor world's record for 1/2 mile, tied on a "Waverly" fitted with "Vim" tires, will race at Scranton Driving Park July 4th, afternoon and evening.

SILVER MEN WILL RUN CONVENTION (Continued from Page 1)

Then came Mr. Harry, the national committee chairman, who greeted the New Yorker as if very glad to see him safely in Chicago. Close behind the Pennsylvania walked the presidential candidate, from Kentucky, Senator Blackburn, who added his welcoming words. All the members of the Whitney party could not be accommodated at the Annex so they were quartered at the main hotel. These were: James B. Mattin and ex-Governor Grant of New York. Ex-Governor Flower went to the Palmer house. While Mr. Whitney was at the elevator waiting to go into conference with Mr. Harry and others he was greeted by Colonel S. W. Fordyce, president of the Texas and St. Louis parties, who forms one of the gold standard contingents from Missouri. He evidently came at the request of Mr. Whitney as he called to the New Yorker while the latter was being started: "You sent for me to Chicago to see you. I always come when you call me and like to oblige my friends."

SILVER NOT A CURE. Senator Hill and ex-Governor Flower went to the Palmer house where the state delegation, as a body, has a large parlor reserved for its use as headquarters. Ex-Governor Flower discoursed at some length on the financial condition of the country. He said that free silver was not the cure for the existing evils, but that the "Senator" Ward's one-hand stop and assist was the best play in yesterday's game.

Boomed His Finger's. Thomas Carroll was playing with lighted powder last night at his home on Eynon street. He was badly burned about the hands. This was the only accident reported though many suffer in oblivion. The scene on Main avenue near Jackson last night was the equal of former years. Much danger to pedestrians was experienced and the police were very vigilant.
