Death of Mrs. Thomas H. Jones, of Lafayette Street—Well Known in This Part of City.

Mrs. Thomas H. Jones, a well-known West Side woman, died at 7 o'clock yesterday morning at her home, 1608 Lafayette street, after an illness of one month. In her large circle of acquaintance the deceased was highly respected. She was beautiful and striking in personal appearance.

She was born in Bryn Mawr, North Wales, and was 62 years of age. She came to Scranton in 1867 and has resided here since. Her survivors are: Thomas H. Jones, husband; Lewis Phillips, Henry Phillips, of this side; Thomas Phillips, of Pittsburg; Lincoln Jones, Mrs. Robert Williams; Mrs. Luther Williams, of Rome, N. Y.; and Rachel Jones.

WHEEL TALK.

The West Side Wheelmen made their midsummer run yesterday, the objective point being Lake Winola. About thirty members followed the coasters by Captain Charles Bertling. Dinner was eaten at the Fresh hotel and the ride home was begun at 4 o'clock p. m. The club is at work furnishing its suite of rooms on South Main avenue and, when completed, the apartments will be very conducive to social life. Captain Bertling is genial, popular and generally well fitted for the position. Mr. Dorby, the secretary, makes a conscientious official, and President Edwin G. Peters is suitably conversant with parliamentary law.

Thy Cycle News, recently issued by W. W. Cyns and Howard Davis, the latter a West Side young man, was favorably received by West Side Wheelmen. The paper supplies to a nicety the demand for local bicycle news and this section of the city wishes it a century run of prosperity.

FOR JAMES HARDING'S FAMILY.

Lieutenant of Police Williams, of this side, is collecting personal subscriptions for the benefit of the widow and children of the late James Harding, who, several weeks ago, fell from a pole on West Lackawanna avenue and was thereby killed. The young men carried lanterns and were lined up in their step by music from the Lawrence band. It was a very creditable showing. The excursion will be on the best managed of any that has ever reached the lake. The name of the council is a passport for pleasure without the disagreeable annex to disturbances.

GAMES THIS AFTERNOON.

The "New" base ball club will again play this afternoon at the Central grounds. The West Side Browns are the opposing team and the game will be called at 4:30 o'clock. The make up of the "New" club will be: Owen, catcher; Edwards, pitcher; Jones, short stop; Thayer, first base; Nonkes, second; Jeremiah, third; Harry Acker, left

FLAHERTY'S ANSWER FILED.

In the Equity Suit Brought Against Him by William Cahillin.

In the equity suit brought by William Cahillin of Cherry street against Patrolman Martin Flaherty, an answer was filed on Saturday by Senator J. C. Vaughan and O. B. Partridge, attorneys representing the defendant. The officer is building a business block on corner of Pittston avenue and Cherry street, and in the bill it is alleged that he had no right to build on that site but that he had obtained the deed by fraud.

In his answer the defendant claims title to the ten-foot privilege by prescription, and that he has been in possession of the same by his grantor, Michael Kerrigan and himself for more than twenty-one years. The answer further states that if the plaintiff claims title to the land he has a simple remedy at law.

MARKETS AND STOCKS.

Wall-Street Review.

New York, July 11.—Higher prices were the rule at the stock exchange today and a confident tone characterized the trading from start to finish. The strength of the market was attributed to the repudiation of the Chicago Democratic platform, and the announcement of the withdrawal of prominent members of the party. The advance in prices ranged from 1/2 to 3/4 per cent. Speculating closed firm at 10:25 a. m. and light for the day. Total sales were 165,122 shares.

TWO GANGS AT WORK.

New Route Being Tried by the Twin Shaft Rescuers.

The only new feature in connection with the operations at the Twin shaft is that a gang of men were laid off have been put at work in the West side of the mine clearing a passage through the chambers which run parallel to the slope and lead to workings where the entombed men are supposed to be.

This action is taken on the strength of the hope that these chambers have not experienced so severe a fall as the boys and that possibly better progress can be made in this way of the solidly-choked slope. This will also enable the operators to judge whether or not the mine will have to be entirely abandoned. At present it is feared the mine is a total loss.

HDME FROM CHICAGO.

Mayor Bailey was Greatly Impressed with Bryan, the Boy Orator.
