Exciting Incident Varies the Routine of Camp Life.

HARD WORK OF THE THIRTEENTH

Have Prepared for Today's Inspection--The First Is the Only Regiment That Our Boys Fear--Mr. and Mrs. Connell Are Guests of Governor Hastings--Notes of Camp Life.

By the United Press. Camp John Gibson, Lewistown, Pa., July 21.--The heavy rains of last night drenched the Second Brigade camp today, and many of the men were standing up all night to keep themselves respectively dry for inspection today.

TAKEN BY SURPRISE. The Eighteenth, taken by surprise, fell back in confusion, as the Tenth checked their line, and with wild yells Colonel Hawkins' scrappers were about to hurl themselves on Colonel Smith's "Dutch."

The inspections lasted from 7 a. m. to 7 p. m., one organization being inspected every two hours, in the following order: The Fourteenth, Sixteenth, Fifth, Eighteenth, Fifteenth and Tenth. They had present for inspection, Fifth regiment, 508 out of 510 men; Tenth regiment, 439 out of 441 men; Fourteenth regiment, 505 out of 507 men; Fifteenth regiment, 482 out of 490 men; Sixteenth regiment, 485 out of 488 men; and Eighteenth regiment, 566 out of 568 men.

TRIED TO RUN THE CAMP. Some colored camp followers attempted to run things to suit themselves in the Third regiment yesterday. Ten of them were loafing around the stables, smoking Pittsburg stogies and cigars.

While the Second brigade was being inspected this morning Lieutenant Brooks, of the Sixth cavalry, United States of America, entertained a large number of spectators at division with fancy riding and a school drill, by members of Troop E.

A hurdle was placed on the open, and for half an hour the troop performed some remarkable feats of fancy barrel-back riding over and around the hurdle, until a perfect circus was cut in the turf by the hoofs of the horses.

MEETING OF SURGEONS. Acting Surgeon General McCandless today inspected the sanitary arrangement and hospital corps of the First brigade, and found them first class in every particular.

The governor's review is fixed for half past four o'clock Thursday afternoon and General Miles' review for the same hour on Friday afternoon.

BROWN HOIST WORKS STRIKE

Soldiers Fire Several Shots at Rioters About the Scene of Action.

Cleveland, July 21.--Soldiers at the Brown Hoist works fired several shots into the yards of the H. P. Nail works last night, bayoneted a motorman to make him stop his car, and arrested two men, who had claimed to be "scabs" as the wagons containing non-union men were passing along Wilson avenue.

BANKERS PATRIOTIC

Eighteen Million Dollars to Increase the Gold Reserve Is Subscribed Upon Short Notice.

New York, July 21.--President Frederick Tappan, of the Gallatin National bank, said this afternoon: "The gold has been contributed to the treasury has been collected entirely among banks which belong to the New York clearing house. About \$18,000,000 has been pledged up to the present. It is hoped to increase the amount to \$20,000,000. Some of the trust companies which have been asked to contribute."

Washington, July 21.--Acting Secretary Curtis said he had no "official information" to give out. The treasury has about \$7,000,000 in United States notes and about \$32,000,000 in Silverman notes, and is daily exchanging \$20,000,000 of those for gold.

MR. QUAY'S BUSY DAY

Philadelphia, July 21.--Senator Quay put in a busy day today. His time was largely devoted to consultations with politicians from up the state, and under findings were reached in reference to many of the contests. Rarely, if ever, have so many state politicians been in this city at one time except to attend some important gathering.

Died at the Camp Grounds. Wilkes-Barre, July 21.--S. F. Hovey, of Philadelphia, aged 75, died suddenly at an early hour this morning at the Wyoming Camp Grounds, a summer resort six miles from here.

Vanderbilt Improving. New York, July 21.--Late this afternoon it was stated by a member of the family that Mr. Vanderbilt had improved steadily all day. The clot in the blood vessel on the brain, which caused the paralysis, is believed to be absorbed, and it is thought that all danger now is passed.

Died at 103 Years of Age. Wilkes-Barre, July 21.--Mrs. Lucretia Ferris, died at her home in Exeter borough, this morning at the Wyoming Camp Grounds, a summer resort six miles from here. She was born in New Hampshire and had been a resident of Luzerne county for the past seventy-five years.

NATIONAL POPULIST COMMITTEE MEETS

Senator Marion Butler, of North Carolina, for Temporary Chairman.

REFORM PRESS MEN IN A WRANGLE

Evidence That There Will Be Serious Objection to the Indorsement of Bryan and Sewall--Kansas Idea of Relieving the Country of Gold Bugism and McKinleyism.

St. Louis, July 21.--The "Siamese twin" conventions, which will meet here tomorrow in different halls, but at the same hour, will have as the feature that binds them together in a settled purpose only the free silver plank of the Chicago platform.

ATELON SESSION. One of the features of the afternoon session of the national committee of the silver party was a speech made by Mr. Battell, the member from Vermont.

PURPOSE OF SILVERITES. The national silver party is to meet at what is known as the "Music Hall." Its course will be plain sailing. The object of the party is to secure the endorsement of free coinage of silver.

Mr. Donnelly, of Minnesota, moved in the interests of harmony that the two delegations be seated, each member to have half a vote. After some discussion Mr. Donnelly's motion was agreed to--9 to 15.

TAUBENECK'S DISCLAIMER. Against this theory Mr. Taubeneck, chairman of the People's party, interposes the strongest kind of a disclaimer.

There has been all day strong talk of nominating a southern Populist for the second place on the ticket, even if Bryan should not receive sufficient strength to be endorsed for first place.

DELEGATIONS MIXED UP. The contesting delegations from Illinois got mixed up in the hallway outside the room in which the national committee were hearing their respective claims this evening and blows were exchanged.

Cook county (Chicago). The Colorado contestants were headed by ex-Governor Waite, but he having declared for Bryan's nomination, his colleagues deposed him for another leader.

After the matter of membership of the committee from the states, and an additional delegate to consider applications by a number of states for increased representation in the convention.

Washington, July 21.--In all their estimates of the probabilities in November Bryan's managers persist in figuring on a solid south as the basis upon which they will build a majority of electoral votes.

Another prominent New York Democrat in conversation with a Georgian advocate of free silver said in Chicago: "Don't forget that we have had to do a heap of counting to hold the South solid in the past."

Reports reaching the campaign committee here indicate very clearly that the danger of the loss of Tennessee, Louisiana and Kentucky is growing more imminent daily.

and declared emphatically against the endorsement of Mr. Bryan. The reading of the address was followed by a stormy scene. It was put through with a rush, however, and the Kansas members of the association walked out of the room to emphasize their disapproval.

MANAGERS ALARMED. Silver Men Are Preparing for Great Efforts in the Solid South--Some States Surely Slipping.

Washington, July 21.--In all their estimates of the probabilities in November Bryan's managers persist in figuring on a solid south as the basis upon which they will build a majority of electoral votes.
