Today's Eastern League Games.

Albany at Scranton. Buffalo at Buffalo. Rochester at Springfield. Syracuse at Providence.

PLAYED ELEVEN INNINGS.

Game Ended in Darkness and a Draw. Corbett Shows Up with the Best of Them.

One of the most exciting games of the season was that of yesterday between the locals and the adopted sons of the Empire state capital. Eleven innings were played without a victory for either side, darkness causing the battle to remain undecided.

The game lasted for two hours and thirty-five minutes, two hours and five minutes of which was devoted to actual playing. In the beginning of the fifth inning with Albany at the bat and the score 1 to 0 in their favor a drizzling rain set in and the game had to be called. When it was resumed Albany made another tally and it looked pretty sure for Scranton. The sixth and seventh were blanks for both sides. In the eighth Scranton tied the score and for the next three innings breathing was quite generally suspended. In the ninth Scranton got into a bad hole. There were men on second and third and Delahanty, Albany's best hitter, was at the bat. Then came the situation that we read about. Ninth inning, score 1 to 2, two men on bases and two strikes on the batter. With one mighty swing of his arm Corbett earned his salary. Delahanty struck out and the suspense was over for the time. The ovation that greeted this performance was enough to turn the head of an older pitcher, but it only seemed to tone him down for the remaining innings. He was never excited and the more critical the situation the better he pitched. He made a fine showing and will certainly do. His eight strike-outs is somewhat of a record in itself.

Dumme, the Albany twirler, who is a Scranton boy and a former member of the Young Men's Christian Association team, also did himself proud. Only eight hits were made off him and he gave but three bases on balls.

MANY BRILLIANT PLAYS.

There was brilliant playing all through the game. In the first inning Ward made a nice catch of Snyder's fly, running with the ball way into right field. In the second inning Keister made a terrific drive into left field for three bases but was caught at the plate in his attempt to reach home on Maguire's fly to center. Wright making a beautiful throw.

In the third inning Deahanty got a life and stole second. Casey got an other life and reached second, while Delahanty was being run down between second and third by Corbett. Hutchinson's miss of Maguire's imperfect throw which play if successful would have retired the side, permitted Casey to score. In Scranton's half of the third O'Brien and Wright distinguished themselves by capturing hard, long drives respectively by Corbett and Ward.

The rain stopped the game at 5:05 o'clock and for thirty minutes the crowd sat patiently waiting for it to clear up. Just as the time limit was about to expire the rain ceased and play was called. The game was at the bat when the rain interrupted took his place at the call of play and bunted safely to first. He reached second on Delahanty's out at first and continued on to third when he saw no one covering the post that Keister deserted when forced to run up on the hunt of Delahanty. A single to center by Casey drove him in.

In the fifth Maguire made a pretty but unavailing single to right and in the next inning Hutchinson enthused the crowd by making a star catch of Smith's foul over near the bleachers. In the seventh Hutchinson again distinguished himself by stopping a hard grounder from Casey's bat, retiring the side and leaving Delahanty on third. Scranton's two in the eighth were the result of hard hitting principally, although Smith's bad throw to first had much to do with both runs. Eagan opened up the inning with a corking hit to center, stole second, went to third when Hutchinson grounded to Smith, and came home when Smith threw wild. Then Bowerman bunted safely. Meany followed with a two-bagger, driving Hutchinson home. O'Brien's fly to Luttonberg retired the side.

THAT DESPERATE NINTH.

In the ninth Albany made a desperate attempt to break away from us and nearly succeeded. Wright bunted safely, stole second, advanced to third on Truby's sacrifice and attempted to get home on Dumme's bouncer to Keister, but missed it by about a foot. Keister's throw being too quick for him. Delahanty then came up with fire in his eye,

race (under 16 years of age), two-mile lap race, four county race (Columbia, Montour, Lycoming and Luzerne), club handicap (one mile), one mile open, three-mile handicap; \$400 in prizes will be distributed among the contestants. The Benner boys, the celebrated mid-gate cyclists of Philadelphia, aged 5 and 7 years, have been secured and will give exhibitions in handicap racing, track and tandem riding.

Applications for entry blanks are being received daily from many of the best amateurs of the state. This meet coming as it does between the Williamsport and Scranton meets, will insure good riders and fast races.

NATIONAL LEAGUE.

Only one change resulted from yesterday's play in the National league, Philadelphia jumping over Brooklyn into seventh place. AT LIBERTY.

Served Ninety Days for Spending Other Men's Money.

Upon petition of the county commissioners David Charles Roberts, of the West Side, was let out of jail yesterday without serving sixty days longer for his fine and costs. He was sent on Oct. 7 last for nine months on a charge of larceny, to which he pleaded guilty. He had been indicted for robbery, but a plea of guilty on the lesser charge of larceny was accepted. David is a character. He lost one leg in an accident, and was employed as watchman at a sewer trench on the West Side last fall. One evening while at his post of duty, two foreign gentlemen came along, freighted with heavy jags. They had a pint bottle of whisky and shared it with the watchman, until he got sleepy. He piloted them along until Farr's rink was reached and then all three went under the stoop and fell asleep.

CHARGE WAS WITHDRAWN.

Van Horn's Eloquence Softened the Heart of Mrs. Westcott.

J. K. Van Horn, who was arrested Tuesday evening for stealing \$15 from the property of Mrs. Josie Westcott of Franklin avenue, was given a hearing yesterday before Alderman Howe. Van Horn formerly boarded with Mrs. Westcott, but now resides at Clark's Summit, where he is employed as a teamster. He knew that it was Mrs. Westcott's property, but he had pocket book to lay on the bureau, and early Tuesday morning he entered her apartment by a rear window and removed \$15 from her pocketbook.

He pleaded very hard yesterday with the jury to withdraw the charge made against him, and for a long time she refused to listen to him. Eventually, however, Van Horn's eloquence won her over and she withdrew the charge on his furnishing security to pay the amount he took from her.

BURNED FATALLY BY GAS.

Wm. Evans Died a Few Hours After Being Brought to the Hospital.

William Evans, of Edwardsville, died at 4:30 yesterday afternoon at the Moses Taylor hospital. He was received only a few hours before that and was suffering so intensely that death was a great relief to him.

Arrangements for the Bible conference to be held in the Railroad Young Men's Christian Association hall in this place from July 27 to Aug. 2 are practically completed.
