## BAKING POWDER.

"I prefer Cleveland's baking powder because it is pure and wholesome. It takes less for the same baking, it never fails, and bread and cake keep their freshness and flavor."

**BOSCHINO IS RESPITED.**

His Execution Postponed from August 5 to October 7--His Case to Go Before Board of Pardons.

Governor Hastings yesterday granted a respite to murderer Joseph Boschino until Wednesday, Oct. 7. The case will be brought up before the board of pardons at the September meeting, which will be held on the 15th of that month. A strong effort will then be made to present the case to the board in such light as will result in a commutation of sentence to at least imprisonment for life.

**WEST TO FOREST CITY.**

Boschino fled to Forest City and hid there three days, when he was arrested and brought to jail. He was indicted by the grand jury on Jan. 8, 1895, and his trial began on Feb. 4, and lasted nine days. A verdict of murder of the first degree was returned. Judge Gustafson recommended that he be hanged on Oct. 14, but he was given an opinion refusing a new trial, the court saying "that they had looked in vain for some error which might warrant them in giving the defendant another trial for his life." The case was carried to the Supreme court and was argued at the February session. It has now been a month and Justice Sterrett handed down an opinion affirming the decision of the court below. The governor soon after appointed Wednesday, Aug. 5, as the date of execution.

**IS BUOYED UP.**

The strain upon the condemned man has had a very depressing effect and he was quite sick lately. Within a week the defendant was reported as being buoyed up with hope that the board of pardons will act favorably.

**TALKED OF FOR YEARS.**

The Country Club idea dates back several years and almost came to a definite conclusion two years ago when the Elmhurst boulevard was being graded. The club proposed at that time was more on the paper order, although privileges were to be arranged for women. Inaccessibility killed the boulevard scheme and the leading spirits turned their attention to hunting a site nearer home and to evolving a plan which the courts might be expected to favor. The result is the Country Club that will be a fact and not an idea by noon tomorrow.
