MARKETS AND STOCKS

Wall Street Review.

New York, Aug. 3.—The stock market today was a tame affair, the dealings being up a little over 50,000 shares, of which three stocks, Sugar, St. Paul and Manhattan, figured for 61,400 shares. The movement throughout was entirely professional. London furnished no business to speak of, it having been a Bank of England holiday, while home operators were inclined to go slow until the political situation is better understood. At the opening the market weakened under sales of St. Paul. This selling was attributed to the demoralization of rates in the west and had an adverse influence on the general market. After the early decline, which ranged from 1/4 to 1/2 per cent. in the usually active list and 2 1/2 per cent. in Manhattan, the market improved slightly. Manhattan fell to 8 1/2, the lowest in years and was the result of re-iterated reports of decreased earnings and rumors of a proposed reduction in dividends which cannot be confirmed. Sugar fell from 10 1/2 to 10 1/4 and closed at 10 1/4. The fluctuations in the railway list call for no special mention. Speculation closed quiet. Net changes show losses of 1/2 to 1/4 per cent., Manhattan and Lacleda leading.

THREE YOUTHFUL THIEVES.

Stole a Horse and Wagon and a Load of Potatoes.

A case of youthful thievery was brought to light last night, when three boys under 13 years of age were arrested on charges of stealing a horse and load of potatoes. They had sold the load and were in possession of \$1.75 of the proceeds.

In the afternoon A. Posner, of Lackawanna avenue, had left his horse and wagon and ten bushels of potatoes standing on Lackawanna avenue, while he entered a store. When he re-appeared on the street the outfit was missing. He notified police headquarters of his loss. Up to evening the property had not been recovered and the night force was given a description of the rig and instructed to watch for it.

Patrolman George Jones found the horse and wagon on Cedar avenue. The ten bushels of potatoes were missing. Seated on the box were John Barrett, Harry Siegel and Abraham Steinberg, 11, 10 and 9 years of age. They acknowledged that they were the thieves. When searched \$1.75, part proceeds of potato sales, was found in their pockets. The balance they had "blown in," as one of them said. They were locked in the South Side police station and will be given a hearing this morning. The horse and wagon were returned to the owner.

ARE REFUSED A LICENSE TO WED.

William Easton and Bertha Limeberry Elope to Terre Haute.

Terre Haute, Ind., Aug. 3.—William Easton and Bertha Limeberry, a runaway couple from near Mattoon, Ill., applied for a marriage license here this afternoon, but the county clerk refused it because the girl did not look to be more than 14 years of age. Easton, who is 21, tried to bribe a reporter who was in the clerk's office to make affidavit that the girl was 18 years old.

The girl admitted that they had run away, but said she did not think her father would object after they were married, although he had refused to give his consent. She has a bullet in her back which was fired by Easton a few months ago. She exonerated him by saying it was an accident.

Brookings, S. D., Aug. 3.—A crowd of tramps boarded a freight train going to Watertown this morning and at Junction the tramps put them all off. While doing so one of the tramps stabbed brakeman Charles Gattell in the neck, inflicting a serious wound and nearly maiming the jaguar victim. Sheriff Lindskog was on the train and arrested the tramp, catching him in a wheat field.

The prisoner is about 20 years old, slim built, and gives the name of John Smith. The injured man is in a serious condition, but the attending physician has hopes of recovery.
