LAI D AT REST.

The Body of Howard E. Foster Placed in the Tomb.

The funeral of Howard Foster, who was drowned on Wednesday, was held yesterday afternoon at Trinity church. The funeral services were conducted by Rev. E. J. Baisley, rector of the church. Mr. Baisley delivered a short sermon, which was full of consolation and sympathy for the family and relatives of the deceased. He spoke of the certainty of death and of the need of always being prepared. Several appropriate hymns were sung by a choir composed of Mrs. Hannah Leonard, Mrs. Thomas Lee, Ida Snyder, W. D. Evans, David Lewis, William Ward and George Mason.

No words were necessary yesterday to show the respect and esteem in which the deceased was held. The vast number of people who filled the edifice bearing testimony in a manner which is far beyond the power of the tongue.

The following young men were pall-bearers: Edmund Feek, C. B. Samson, Sidney Beckett, J. Barry Rowson, Leon Hollenbeck, and C. L. Doty. The remains were interred in Maplewood cemetery.

The following persons from out of town were present: Mrs. A. E. Wilcox and daughter, Match Chumk, F. E. Schenberger, of Philadelphia; Mr. and Mrs. William Foster, of Pockville; George Foster and family, of Fairview.

CHASED HIM WITH AN AX.

James Jennings Objects to the Tomahawk Process of Collecting Rent.

A days ago James Jennings, a resident of that part of the city commonly known as "the Swamp," appeared before Alderman Bunnell and had a warrant issued for the arrest of Sears and Sears, on the charge of assault and battery and for being a common scold. Jennings is a tenant of Sears and on the landlord coming for the monthly rent could not come up the required amount. Sears vowed vengeance and left returned a little later with an axe with which he proceeded to chase Jennings and not being able to catch him threw the axe and narrowly escaped hitting him. Constable Gilroy arrested the man who received a hearing and was accordingly placed under \$200 bail on each charge.

O. & W. TRESTLE ABLAZE.

A Large Loss Saved by the Timely Discovery of the Fire.

Early yesterday morning the Ontario and Western trestle was discovered to be on fire, the flames having already gained considerable headway. The blaze was first seen by Conductor Histed and trainman Skeels, who were going home after coffee in on the late train. The men saw at once the danger should the flames get beyond control and at once hurried to the Mitchell company's house, where help was secured and the fire soon put out. It is supposed that the blaze was started by a spark from an engine, and but for its timely discovery the loss to the company would have been very large.

Arrested for Throwing Handbills.

A young man was arrested Thursday evening for throwing handbills rather too freely about the streets. He was warned by a constable and on being heard it was promptly picked up. He was fined and then let go. This is a lesson which should not fail to have an effect upon those parties who throw bills promiscuously about the streets.

An Italian Injured.

Salvatore Monnesi, an Italian laborer employed on the Gravity railroad, had his foot badly crushed yesterday morning while loading some stone on a car at No. 2. He was removed to his home at No. 4, where Dr. Bailey attended him. The injuries are not of a serious nature.
