JOHNSON-MASSEY.

The Pitching of the One and the Hitting of the Other Were to Much for the Canadians.

Tommy Johnson's pitching skill and some timely stick work in which "Big Bill" Massey played the leading role for Scranton the game with Toronto Saturday.

But the pace was too hot to be maintained and the Canadians were presented with three unearned runs in the ninth, Deleahy hit a fast grounder to Moss.

MADE FOUR RUNS. Scranton made four runs and earned three in the first on Deleahy's bad throw, a single by Meany, O'Brien's sacrifice and singles by Egan, Maguire and Massey.

Hickey placed second in place of Keister who had a badly strained throwing hand. Hickey showed himself to be a fast youngster who covers a great deal of territory and puts a great deal of steam in his work.

Johnson and Massey made a pretty play in the first when Ward bunted one toward first, Johnson scooping it up to Massey just before Ward reached the bag.

Ward who played his first game for Toronto, was given generous and lusty applause when he first appeared at the plate and the same recognition was accorded him later.

The splendid running catches of Freeman in right field when men were on bases robbed Scranton of three runs.

KETRICK IS RETIRED.

True That Incompetency Had Anything to Do with It.

A great injustice has been done Empire Larry Ketrick of this city by the publicity given the following dispatch:

Wilkes-Barre, Pa., Aug. 15.—Larry Ketrick, of Scranton, recently appointed umpire in the Eastern league, was released tonight.

There is not a grain of truth in the fact that "several" clubs had made charges of incompetency against him.

When Empire Gaffney was re-engaged last Thursday it meant that either Hornung, Doeschler or Swartwood would have to go.

The falsity of the incompetency part of the Wilkes-Barre dispatch is shown in the fact that Tom Burns, the Springfield manager, is the only league official who has made any protest against him.

When Empire Gaffney was re-engaged last Thursday it meant that either Hornung, Doeschler or Swartwood would have to go.

Two Newark wheelmen who are riding to San Francisco on a wagon were in this city Saturday night. They are

Edward Day and John Kinsey. They proceeded to Binghamton yesterday. While here they were the guests of their friend, W. S. Callahan, proprietor of the Manhattan house on Penn avenue.

DUTY OF EVERY CITIZEN TO READ THEM.

On the Currency Question. On America's Great Steamship Line.

The Northern Steamship Co., Buffalo, N. Y.

Gentlemen—I write to congratulate you on the launching of a sister ship to the "North West." Last summer I took a trip from Cleveland to Duluth on the "North West" and never did I have a more enjoyable vacation. The scenery is superb and the vessel a veritable floating palace.

Wishing you every success, I am, Very truly yours, W. MCKINLEY.

Major McKinley wrote these enthusiastic words after he had enjoyed

America's Inland Ocean Voyage BETWEEN BUFFALO and DULUTH

The most delightful trip, under the most luxurious conditions of any on the American continent.

The superb steel constructed, twin-screw and magnificently appointed steamships

NORTH WEST AND NORTH LAND OF THE NORTHERN STEAMSHIP CO.

They are greater than a half-score of the famed ocean-ships of the Hamburg-American Line, an superior in point of comfort and luxury to any of the Atlantic liners.
