A SERIOUS BLAZE.

Kinback's Furniture Store Totally Destroyed by Fire on Saturday.

A serious fire occurred in this city Saturday afternoon about half past three o'clock, and before it could be controlled the building owned by Kinback brothers and occupied by DeVeaux the furniture man, was badly damaged.

The alarm was sounded at once, responded to the alarm in short order and soon the Michaels and Columbias had streams upon the building. The Cottage fire company was upon the spot a little later and aided materially in preventing the neighboring places from catching.

It was soon seen that the fight was a hopeless one, but the firemen fought stubbornly and only gave in when flames and smoke and falling timbers compelled them to leave the doomed building.

The fire had gotten such a start before discovered and the goods were such that it was impossible to do more than protect other buildings.

The fire raged with great fury so that in a short time nothing was left of the large building except a heap of smoking ruins.

Just how the fire originated it is hard to tell and the owners do not yet say anything in regard to the matter. The loss will be very large but the building is partially insured.

DELICATE OPERATION.

Performed Upon Contractor G. H. Tryon Last Week.

A delicate operation was performed upon Contractor G. H. Tryon last week by Dr. W. J. Lowry, assisted by Dr. J. S. Niles. Mr. Tryon has for several years been troubled with contraction of the muscles of the jaw which left him in such a condition that the mouth could only be opened wide enough to allow liquid nourishment to be put in. As no relief came it was decided that an operation would be necessary.

To make matters worse several of the teeth became ulcerated and the pain was intense.

The surgeons cut the cheek open and operated the muscles of the jaw. On the bone was found a cartilaginous tumor as large as a hen's egg.

It is hoped now that the tumor is removed that there will be no further trouble.

PHILIP MANG INJURED.

He is Thrown from a Wagon During Runaway.

A painful accident occurred on Saturday to Philip Mang who drives the wagon for his father P. Mang the baker. At the time of the accident he was coming down Brooklyn street when suddenly his horse took a right turn and bolted throwing the young man from the wagon. He landed in such a manner that one of the wheels passed over his head, badly bruising it and cutting it. In a terrible manner. Besides these injuries one of his arms was badly hurt.

The horse ran some distance further but was brought to a stop by coming in contact with a telephone pole.

Retreat Ended.

The retreat which has been in progress at St. Rose convent was brought to a close Saturday afternoon, nearly ten of the sisters of the Immaculate heart taking part. Father Muller of the Redemptorist Order of Annapolis, Maryland, had charge of the retreat which has lasted for nine days.
