TENTH'S REPRESENTATION. Attention was called to the fact that he Tenth ward had returned two delegates. Attorney M. W. Lowry made a statement to the effect that at the last state election 105 votes were cast for State Treasurer Jackson, the head of

the Republican ticket. The rules of the party as he understood it was that there must be ten Republican votes in a district to entitle it one representative and for every one hundred over that number they were entitled to an additional delegate. As this would only give the Tenth ward one delegate he

moved that Mr. Buenzli and Mr. Rayner be given half a vote each. This drew forth a protest from Mr Buenzil. Attorney James J. H. Hamilton did not agree with Mr. Lowry's

interpretation of the rules. He said district is entitled to a representative for each one hundred Republican votes and fraction thereof no matter how small that fraction is. A copy of the rules was obtained and it was found that Mr. Hamilton's position was the correct one. Mr. Lowry withdrew his

motion and the names of the two Tenth ward delegates remained on the roll. and each had a full vote. Joseph Danner nominated Fred Durr for temporary chairman and John F.

Scheuer named Fred W. Zizelman. The roll was called by the secretary and the vote was as follows: Durr, 22; Zizelman, 15. Chairman Seamans declared Mr. Durr the temporary chairman. Mr. Durr thanked the delegates for the honor and then called for nominations for temporary secretaries and on motion of M. W. Lowry, C. S. Seamans and Isadore Goodman were chosen. Chair-

man Durr named the following committees: THE COMMITTEES.

Resolutions-M. W. Lowry, A. S. Alworth, Joseph Kramer. Permanent Organization-C. B. Gardne Charles F. Kloss, M. D. Hine, Chairman Gardner of the committee on permanent organization, presented

a report recommending that the temporary organization be made perman-ent. On motion of W. E. Davis the report was adopted. Chairman Lowry of the resolutions committee, read the platform which closed with the following paragraph: In conclusion we desire to express our

hearty appreciation of the faithful and effective services rendered by our present representative from this district, Hon. A. Connell, and believe that his arduou labors in that behalf have earned for him the united support of his constituents to re-elect him for another term in the legis-

lature of #is commonwealth. Attorney James J. H. Hamilton ob

jected to the latter part of the resolution concerning the reelection of Mr. Connell which he said was in effect pledging the delegates to vote for Mr. Connell something all of them were not willing to do. If Mr. Connell was nominated by the convention no one, he said, would be more willing to favor such a resolution but prior to the nomination he thought it improper to offer it. Mr. Lowry arose and by permis-

sion of the other members of the resolutions committee withdrew that portion of the paragraph given above which follows the words "Hon. A. T. Connell." The remainder of the resolutions were then adopted and are as

follows: THE RESOLUTIONS.

B. Shank, \$2; Ira Wells, \$2; A. F. Hitchler, \$1; O. N. Jones, \$1; H. F. James, \$1; he expected from the delegates in view of his labors for the people of the district during the term he was their representative at Harrisburg. On motion of Mr. Fleitz the candidate was directed to name his committee in the usual way and the convention ther adjourned. TOOK GALLAGHER'S LAND.

He Now Seeks to Recover \$5,000 from the Borough of Winton. Michael Gallaghger began an action

in trespass against the borough of Winton yesterday to recover \$5,090. Warren & Knapp are his attorneys. He owns a lot of land in Winton and the borough authorities tore down

his fence and seized a portion of his land for street purposes. They then gave him a street line and he crected a nouse in conformity to that line. Afterwards the courts failed to an

prove of what the borough council did. Gallagher's neighbor moved his fence to the original line and now the plaintiff finds his house away back from the street line.
