WEST SIDE EVENTS.

Mule Becomes Kittenish After a Day's Outing, Runs Away and Breaks a Carriage.

The runaway of an Oxford mule, attached to a carriage, was the sensation of a few moments on Washburn street last evening. The mule had traveled without mishap from Lake Winola to the air shaft.

At the latter point the passing of a bicycle scared the animal, and with a lurch peculiar to the mule, he threw the man and woman out of the carriage. Both were slightly injured. The long-eared animal was stopped by a telegraph pole further down the street. The carriage was smashed.

ALL SORTS OF MISDOINGS.

The West Side police station was a "bull house" Saturday night and yesterday morning. Police Officer Martin Gurrell captured the honors for arrests made. John Coleman, with whom all about the jail are acquainted, was picked up on Scranton street. Coleman was drunk, very drunk. When he was placed in a cell he immediately proceeded to smash things. He was chained to the bars and was kept that way all night. Alderman Blair collected \$3 from him as a fee for the fun. David Williams journeyed down Main avenue Saturday night, and in David's hands was an accordion. Like the David of old this David played the accordion with the loud pedal on. Saul, the officer, was over town at the time, but Lieutenant Williams threw the javelin at his musical namesake and a short time afterwards the police station resounded with mouth music by David. He was fined \$2.

WAS A DISHONEST RECEIVER.

Anthony Mazotta, who is the big landlord of the Tenderfoot precinct, some time ago contracted a rent bill. Anthony was arrested and the case was settled upon the defendant's promise to pay the amount of \$50 which was due. Anthony was honest in his intentions, but business prevented him from paying the money in person. So he gave the money to his best friend, John Steble, and John started off to hand over the \$50 to Constable Jones. But John liked to have the money. For this he also spent Saturday night in the police station and Mazotta appeared against him yesterday morning. Steble went to the county jail for 20 days.

of \$500 bail was committed to the county jail. Acting upon the advice of his attorney, J. T. Martin, he declined to plead.

Miller sought out his recent wife Sunday night and asked her to give up her boy lover and return to her children. She agreed to have nothing more to do with Downer, but would not accept the invitation to return home. At last accounts she was still in this city.

Miller says that he does not want to arrest his wife because he did not want it said hereafter of his children that their mother was a jail bird.

ANOTHER DISTURBANCE.
Members of Father Aust's Congregation Force Their Way Into the School Hall—Arrests Will Follow.

There was another clash yesterday at St. Mary's, both churches on the South Side, between Rev. Father Aust and the members of the parish who want to depose him. The priest stated in an interview last night with a Tribune reporter that patience has ceased to be a virtue, and he proposes to invoke the aid of the law against those who participated in yesterday's transaction.

One of the oppositiorlists burst in the door of the school hall and another forcibly climbed through a window. Father Aust said he will have the men arrested, but will not have a conference with Bishop O'Hara, and unless the bishop advises him to the contrary the warrants will be sworn out.

After late mass Joseph Nyth came to Father Aust and asked for the key to the school hall. The request was refused. After mass Father Aust drove to Clark's Summit on a sick call, and in his absence members of the congregation forced their way into the hall and held a meeting. The object of it was to raise money to defray the expenses of the various committees that have been sent backward and forward to Bishop O'Hara and Bishop Hoban. A collection of \$11.00 was taken up and after that the meeting adjourned.

Later in the afternoon Daniel Langowska, employed on the Tyrondik, got into an encounter with a young man who upholds the priest and Langowska's face was severely battered.

LAW BREAKERS OF TWO DAYS.
Doings of Police During Last Forty-eight Hours.

Between the hours of 3 and 4 o'clock Saturday morning three men were picked up by the police in different parts of the central city for being "dopey." William McLaughlin wanted to sleep off his jag on the bench in the Delaware, Lackawanna and Western station, but the authorities there wouldn't let him. He was lodged in the police station and at the hearing paid \$3 for the trouble he caused. Patrick Herrity wasn't so particular. He went to sleep on the sidewalk on Lackawanna street. This cost him \$2.50. John Muller selected a fruit stand at the corner of Lackawanna and Penn avenues as his lodging quarters. When Lieutenant John Davis woke him up he was very wrathful, and threatened to do dire things to the officer. His fine was \$5.

George Thurby, arrested for stealing a watch from Wright's jewelry store, on Lower Lackawanna avenue, admitted his guilt and went to jail.

MARKETS AND STOCKS.

Wall Street Review.

New York, Aug. 22.—Less than 50,000 shares were traded in at the Stock Exchange today, and in this small total, sugar and wheat were the chief items for nearly 90 per cent. of the business. Notwithstanding the dullness, the market was strong, and few traces of the weakness which characterized the closing on Friday were noticeable at the opening today. Western Union was the feature at the start, the stock jumping nearly two points to 75 1/2 in a report which was subsequently denied by Director Russell Sage, that the company had secured control of the Bell Telephone company. It then reacted to 74, but later the stock improved and rose to 75 1/2. The firmness of the market, especially at the close, was due to the fact that the bank statement showed a much smaller loss in reserves than had been expected. Speculation closed dull and firm. Net changes show gains of 1/16 per cent., the latter in Western Union.
