WEST SIDE EVENTS.

Ice Cream Social For the Benefit of a Flag Fund—Personal Mention and News Notes.

The Ladies' Auxiliary of the Patriotic Order Sons of America and the Patriotic Order True Americans are making an effort to place American flags over the two new public school buildings on this side, No. 15 and No. 19. With that end in view an ice cream social with cake accompaniment was given last night in the hall over Jenkins' drug store. There was a large attendance. The committee in charge consisted of Mrs. Randolph Jones, chairman; Mrs. Hattie Marsh, Mrs. Anna Loden, Mrs. Lizale Dorsey, Miss Augusta Burchell, and J. J. Green. At the social were representatives of nearly every patriotic camp in this region. A great interest is being taken in the flag movement. Camps 175 and 333 are assisting in raising the fund.

The Ladies' Auxiliary will next Saturday afternoon drive to Bald Mount, where the camps of that place will hold a clam bake.

WEST SIDE WHEELMEN.

The club house on South Main avenue will soon have a novel sign in front. A large wheel will be erected on the front balcony and on the wheel will be placed in letters of bronze the name of the club. The wheelmen are preparing for the winter social season. In the better dance circles the club will take the place of the disbanded "Colonials," who are now members of the wheelmen. The rooms will be headquarters for the elite dancing class. Lieutenant Charles Sotley has returned from a stay at Atlantic City. Arch McCracken on his return trip from Pen Yan. The next club run will be to Nanticoke.

THEY KISSED BUT QUARRELED.

Those Arabians who enjoyed an Armenian meal among themselves last Saturday night at the Seventh street hotel seem a peculiar lot. After the hearing before Alderman John Monday afternoon the four male defendants and the one female prosecutrix participated in a consultation as to a proof that all ill feeling was over. It was a novel sight to see full-grown men kissing each other and the woman kissing her lips on each of four assailants of the night previous. But the kisses did not heal all wounds. Constable Timothy Jones requested one of the defendants yesterday. The man would not pay his fine of \$2. At an early hour in the morning he visited the constable and asked that the law would compel another man to pay the fine. The Arab was arrested, but soon produced the money.

ACADEMY OF MUSIC.

It Has Been Thoroughly Brightened and Improved.
The Academy of Music for the first time since its recent renovation was last night lighted and opened for inspection by a few friends of Proprietors Mishler and Burgunder.
The changes most apparent and which were most appreciated by non-professional theatre-goers are a new and complete system of electric lighting, a new drop curtain, and new auditorium furnishings. A little later on there will be announcements of reduced prices for the season, and that, too, will be appreciated as the attractions will be brought up to the standard of past seasons.
No other business college in this city has been made, and with the aid of the electric apparatus constitutes a modern means of presenting any kind of attraction. The dressing rooms have been newly furnished and a new property room has been provided. Altogether, from box office to stage the old and popular house has been thoroughly brightened and improved.

FOUL PLAY NOT DETERMINED.

Was Not Proven that Thomas Carroll Was Murdered.
Coroner Longstreet went to Olyphant last night on a special investigation in the case of Thomas Carroll, of Carbonate, who died from fracture of the skull and contused wounds on the head, being found unconscious at the corner of Delaware and Susquehanna streets in Olyphant three weeks ago. He died five days after being found there. It was strongly suspected that the wounds were inflicted by some person or persons with murderous intent. The testimony of a dozen or more witnesses taken last night did not support the theory of murder, but there are other theories yet to be heard, which could not attend the inquest last night, and adjournment was taken until tomorrow evening at Mahon's hall, where the investigation was conducted last night.

IT IS WORTH SEEING.

Splendid Entertainment Given by the Dogs and Ponies.
The tent on the corner of Mulberry street and Adams avenue, where Gentry's trained animals are on exhibition, last night contained a good-sized and delighted audience. The show is amusing to young and old and last night the audience showed much appreciation.

VERY WARM SESSION.

Supreme Lodge of Knights of Pythias Discuss Report of Board of Trade.
Cleveland, O., Sept. 1.—The morning session of the supreme lodge, Knights of Pythias, was the warmest of the convention. The report of the board of control, uniformed rank, recommending that suicides be debarred from all death benefits, if death occurred within a period of five years after joining, aroused a strong opposition.
Compromise was effected whereby the claims of suicides will be on the graduated system of life expectation, as used by the American board of underwriters. Thus, if a man enters the order and is classed with twenty years expectation of life, he will receive one-fourth of the benefit if he commits sui-

THE GREAT CAMPAIGN OF 1896.
13 MILLION patriotic voters have recognized the confusion of our public politics, and are determined to inform themselves, and stand like patriots in the hour of their peril and vote to the best of their knowledge, for the best interests of the common people of the whole country. It means further that every voter wants to know, not only the doctrines of his own party, but the views of all other parties and the reason for the differences—Gold, Silver, Tariff and Free Trade. To this end we have secured a complete handbook of public political information, edited by Lawrence F. Prescott, WHICH WE WILL PRESENT TO THE PURCHASER OF ANY MEN'S SUIT.
