Hungarian at a Feltz Patch Wedding Shoots Through a Door at His Fellows.

A Hungarian wedding is in progress of finish in Feltz paich, Taylor. Its a great soirce and the beer consumed is certainly worthy of mention. There were seven people in a room when he tried to get in and finding the door locked he shot through the barricade with the evident intention of hitting some one inside. The bullet, fortunately, took an upward course and lodged in the Shasbanick was arrested by Special Officer Fred Young. The case was settled before Alderman Moses, of the Fifteenth ward.

PLEASED THE LITTLE ONES.

The Dog and Pony Show Attended by Many Orphans.

The children from the different charitable institutions in the city were out in full force yesterday afternoon to witness the performance given by Professor Gentry and his wonderful company of educated dogs and ponies. They had been invited to attend the entertainment free of charge. Seats were reserved for them and they were made exceedingly comfortable and enjoyed the cute and intelligent actions of the animal actors as only children can and especially those who have few opportunities to witness good and pure

Another large and enthusiastic audience was present last evening and they enjoyed the fun, that is, if applause is any indication. The animals are all in spleadid con-

dition and their general demeanor bespeaks the fact that their proficiency professor remains all the week giving entertainments nightly and matinees today and Saturday at 2.30 p. m.

The programme is a succession of nteresting and marvellous feats from beginning to end and one's attention is never allowed to stray from the aren wherein the animals are located and appearing to take as much interest in the events as the spectators who have paid the modest admission fee.
