This will leave the township only as large as Minooka, and the people of that place allege that if the two boroughs are incorporated the rest of the township will not be self-supporting, or they will have to impose heavy burdens of taxes. Attorneys I. H. Burns and M. J. Donahoe have been engaged to file petitions in court against the boroughs, and to argue against them when the hearing comes up before the grand Mrs. S. C. Dorsey, of Delaware jury in November. The citizens of Mineoka met in Fassold's hal and decided on this step.
