DRUM SHAFT BROKEN.

Work Suspended for Some Time on the Gravity.

Traffic was suspended yesterday on the Gravity railroad by the breaking of the dram shaft at No. 9 head. The secident occurred shortly after work e-animenced in the morning. No coal will sent over until late in the afternoon, but the passenger trains went mough on scheduled time, being let down the plane from Farview by notans of the brakes.

A large force of men were sent to the spot and have by afternoon had actudent had occurred this side of No. 5 no difficulty would have been found in setting the coal over, its it could be taken as far as No. 9 by means of the halit tracks and a locomotive

NARROW ESCAPE.

Pairick Kearney Caught Under Eight Feet at Rock.

The friends of Patrick Kearney, of the West Side, are constatulating him upon his narrow escape from instant parents here, feath. Mr. Kearney is employed at No. I mine and at the time of the acendect was at his usual work. Sudconty, without a moment's warning, the whole roof came tumbling down upon him crushing him to the ground, How It imported that he was not instantly killed Mr. Kearney does not stiempt to explain. There was eight foot of rock over him, but notwithtaneting this he escaped with a few bruises upon his left arm and leg.

MARRIED AT SUSQUEHANNA.
