WEST SIDE EVENTS.

Primaries in the First Legislative District Will Be Held This Afternoon Between 4 and 7.

Today, between the hours of 4 and 7 p. m., the Republicans of the First Legislative district will ballot at their respective polling places for a candidate to represent the district in the legislature. There are five candidates in the field, John R. Farr, Isaac Jones, E. E. Robathan, M. E. Saunders and H. D. Jones. These men have delegates in every district where there is even the alightest personal following.

It has been a hard fight and is loaded with memorable incidents. Ever since the beginning no aspirant, once announced, has withdrawn. The convention will be held next Tuesday at St. David's hall. Dr. W. A. Paine, chairman of the executive committee, will call the convention to order.

HE HIT DOWNES.

William Downes was moving his household goods from a dwelling on Tenth street Thursday and somehow or other Mr. Downes mixed his goods with several of the portable property of John Lacey, who was a boarder at the Downes table. When Mr. Lacey saw his tooth brushes, etc., going off in the dray wagon he expostulated by plachis fist on Mr. Downes' nose. The melee that resulted was interesting. Alderman John last night enjoyed the finale of the fun at a suit brought by Downes against Lacey. The case was settled.

JOHN MARSHALL DEAD.

John Marshall, who has lived here for 8 years, died at 6.30 o'clock last evening at his home on North Sumner avenue. He had been ill for the past seven years and has failed greatly since the advent of the hot weather. He was born in Wales. The surviving children are: Mattie, Maggie, and Maria Marshall, each unmarried. The funeral arrangements had not been made last evening.

ANOTHER LOST CHILD.

Eugene, a young son of Mr and Mrz. Silas Rosar, of North Main avenue, wandered from home yesterday and was lost for several hours. A telephone message to Lieutenant Williams at 7 o'clock last evening was to the effect that the child was at Walter's butcher shop on the South Side. Its age is about 6 years.

MILLION patriotic voters have recognized the confusion of our public politics, and are determined toinform themselves, and stand like patriots in the hour of their peril and vote to the best of their knowledge, for the best interests of the common people of the whole country. It means further that every voter wants to know, not only the doctrines of his own party, but the views of all other parties and the reason for the differences--Gold, Silver, Tariff and Free Trade. To this end we have secured a complete handbook of public political information, edited by Lawrence F, Prescott, WHICH WE WILL PRESENT TO THE PURCHASER OF ANY MEN'S SUIT.
