which I at this time stand, and shall never have cause to complain of my de-sertion of the cause which I advocate. (Cheers and long continued applause, a voice "What's the matter with Joe Black-He was knocked from the car and

burn?") It seems to me that this cannaign dem-onstrates more than any recent cannaign the power of the people to govern them-selves (Cheers) in ordinary times peop-ple let the machinery of the party con-trol, but in times of great mergency the people themselves assert their sovercler right to conduct public affairs. (Obesr-ing.) The Democratle party has proved in the recent cannaian the canacity of the people to do what they please in a meas-mergency of the prime of the party has proved in the recent cannaian the canacity of the people to do what they please in a meas-mergency of the person as a second of the people of a what they please in a meas-mergency of the party has proved in a goal standard. (A voice, "and let them go.") And some believe in the free-colarge of silver; and these classes went before the primaries throughout the states to determine before the people themselves what should be the poley of the Demo-crate party. We believe that a majority of the party has a right to control the poley of the party, but the right to re-thing the party mane by so control the poley of the party of the person the intervence of the party mane by so control the poley of the Democrate of this Union de-dared for the Immediate restoration of free and unlimited coinage of gold and sil-ver (applause) at the present ratio of is to tupplause without waiting for the consent or ald of any other mation. (Ap-plause.) when picked up was unconscious and ems to me that this campaign dembleeding from the nose and mouth. At the city hospital it was found that his skull was tractured just behind the right ear, showing that he was struck from behind. There was also a deep gash on his forehead, presumably made by the fall to the pavement. He died shortly after being taken to the hospital.

His parents went down to Wilkes-Barre on a late train and took the remains home.

A SETTLEMENT PROMISED.

Polish Church Trouble Will Be De cided by the Bishop.

A committee headed by Albert Open ski went to the residence of Rt. Rev Bishop O'Hara Monday evening to favor Rev. Father Aust. They represent ed that he is satisfactory to a majority of the parish and that those who are raising the disturbance are in the weak Mr. Bryan reached Versailles at 12.20, The band was at the station playing

but throughout the world. We looked for a large majority in Maine, but hardly expected it to equal the plurality given in 1884, when so many Democrats re-fused to vote, but it has exceeded that plurality by about 30 per cent, and no one can for a moment doubt that this vote in Maine indicates the sentiment of the great northwestern states. The states where there are large manufacturing and agri-cultural interests, the states where pro-ple read and have an intelligent voting population, will, in my ophion, join the procession and follow the lead set by Ver-mont and Maine. "The situation in a campaign is to de-termine which way the tide is setting. This is often extremely difficult to do. Two years ago at this time, after the Oregon vermont and Maine elections, I recognized and claimed that they were indicative of the sentiment of the whole country, and 1 believed that that practically setted the contest and my ophion and predictions were fully borne out by the result of No-vermont and Maine are much more pro-nounced and larger than they were two years ago, and from this I can come to only use conclusion, as I have said before, that the great manufacturing and agri-tion or a states will follow the example set by Vermont and Maine, and give such a pronounced and larger than they were two years ago, and from this I can come to only one conclusion as I have said before. but noisy minority. They were informed, one of them said, that the case will be decided by the bishop this evening. Father Aust's friends insist that he shall not resign. Those opposed to him maintain that if he is not sent away they will give him no peace, and if they find at last that the bishop fails to heed them, then they will withdraw and organize an independent church.
