RAISED THE FULL AMOUNT. Monday evening the First Baptist church called in the tithing books which had been distributed among the members, with the result which more than astonished those who had the matter in charge. Morday evening proved one thing conclusively: that by adopting some novel scheme all will be induced to give. Mrs. Dr. Beddoe, president of the Ladies' Ald society connected with the church procured 196 or more of the novel tithing books and pu: them in the hands of as many members or families These books held fifty silver dimes and when the names were called the full amount, \$500, was realized. Last month the congregation paid some \$200 interest on their bonded debt, and the idea is to apply the \$500 raised to reduce the burden.

A mere allusion to these declarations of the Chicago platform is all that is necessary for the present occasion.
