Annual Fall Excursion.

The great number of people visiting the metropolis of the Empire state during the month of October, have resulted in the New York, Ontario and Western railway establishing an annual fall excursion to New York. These excursions in past years have carried many thousands, and this year will be no exception, as the elegant equipment and popularity of the line insure to all taking advantage of the extremely low rate of one single fare for the round trip, a most enjoyable time. Trains will be made up of reclining chair cars (seats free), Pullman sleepers and elegant day coaches, accompanied by the company's experienced excursion agents. Tickets will be good going on all regular trains of Monday, Oct. 26, and for return passage up to and including Saturday, Oct. 31, and they will be extended for an additional five days at a nominal figure.

Last year it required four trains to transport the immense throng, and we have never heard of a solitary complaint being made.

EVIDENCE CLOSED IN FLYNN SUIT

Court Would Not Permit Dr. Weston to Tell How Much He Charged. SUPREME COURT RULED THAT WAY

Attorney Scragg for the Defense Moved for a Non-Suit, but Judge Archbald Refused It-The Defense is That Mrs. Flynn Imagines All Sorts of Things While Suffering from Hysterical Hallucinations.

Before common pleas court adjourned yesterday all the testimony of both sides in the suit for damages brought by Mrs. Katesa Flynn and her husband against Dr. G. E. Hill, the Albany dentist, was heard, and it will go to the jury today after the arguments of attorneys and the charge of the court are heard.

The most important part of the plaintiff's testimony was heard Thursday, when Mrs. Flynn, her husband and Dr. G. E. Weston were on the stand. A few of her neighbors in Minooka were heard yesterday, and they gave evidence of her being in a highly nervous state immediately after April 28, 1892, before that she seemed to them to be possessed of ordinary good health.

Dr. Weston was recalled to the stand to tell how much he charged for his services in attending to Mrs. Flynn, but Judge Archbald decided not to permit him to tell, as under a recent ruling of the Supreme court it is not competent evidence. The purpose of bringing it out was to go toward estimating the measure of damages.

Attorney Scragg asked for a non-suit, but Judge Archbald thought that the jury should decide whether or not the plaintiff is entitled to damages. Mr. Scragg then moved that the case be far as Dr. G. E. Hill was concerned, be taken from the jury, it not having been shown that he was connected with the Albany Dental association in 1892. The court refused this also.

FOR THE DEFENSE.

For the defendant, Dr. N. Y. Leet was called to testify as a medical expert. He, Dr. Allen and Dr. Weston examined Mrs. Flynn after the action was brought, and without finding her suffering from hysteria. He did not believe that a plaster of Paris cast in a woman's mouth from 10 in the morning until 4 in the afternoon would bring on hysteria unless she were predisposed to it or had it in some form or another. The three doctors, he said, came to the conclusion that that consultation that Mrs. Flynn was affected with a deranged mind and that she imagined the things she complained of as having been subjected to in the dental chair.

EVIDENCE IN REBUTTAL.

Dr. Weston was called in rebuttal and testified that at the consultation there was nothing said about Mrs. Flynn being affected with insanity. They agreed that she had an attack of hysteria, in answer to a question by Judge Archbald, he said he often saw worse cases and ones not so bad.

FOURTH TICKET IN THE FIELD.

Nominated by the People's Party at a Mass Meeting. A fourth county ticket has been placed in the field. The latest candidates for public favor were nominated by the People's party at a mass meeting Thursday night. The ticket is as follows: Congress, John Zupus, M. D. of Scranton; county commissioners, Jesse W. Davis, of Pysicburg, and John R. Slick, of Tonawanda; county auditors, John Barron, of Priceburg, and Acurin Williams, of Dunbar.

Legislature-First district, George Goethe, of West Scranton; Second district, A. C. Houck, of Scranton; Third district, James E. Everett, of Poyne; Fourth district, J. A. Lennon, of Olyphant.

The resolutions adopted by the convention endorse the candidacy of Bryan and Watson, and among other things contain the following:

Resolved, That we favor an amendment to our state constitution providing for the adoption of the initiative and referendum system as early a date as possible, to be applied to all national, state and municipal elections.

Resolved, That we do not favor the iniquitous system of bribery and intimidation during election as being detrimental to the best interests of the state.

Resolved, That we are in favor of enforcing all labor laws for the benefit of labor, and especially in the mining sections, viz: the abolition of company stores, safety in mine-employment of children under age, and the eight-hour day pay bill.

Resolved, That in our judgment the election to be held in November next is of greater importance than any that has taken place since the period of the civil war involving, as it does, nothing less than the question whether the government is to control the banks, or the banks the government.

Resolved, That we most emphatically denounce the present plutocratic form of government and we condemn the system whereby the wealth of the nation is concentrated in the hands of the few to the detriment of the many; and further, that we are in favor of majority rule on all national, state and municipal affairs.

Resolved, That we, the People's party of the county of Lackawanna, do affirm our adherence to the two great fundamental principles of the constitution, namely, civil and religious liberty, embodied in the first amendment to the constitution.

THE SILVER MEN WON.

Lively Debate at Scranton Business College Lyceum. The regular meeting of the Scranton Business College Lyceum was held last night at the College hall. A lively debate took place on the gold and silver questions, and was won by the silver side. The gold side was upheld by Messrs. Carpenter and Pierce and the winning silver side by H. A. Smith and John P. Martin.

After the business part of the meeting the following interesting program was rendered and much enjoyment was derived by the members: Select reading, Hattie Brown; piano selection, Cora Halldeman; recitation, John P. Martin;

BRILLIANT ORGAN RECITAL. Given by Prof. Pennington in the Elm Park Church.

In his fourth organ concert last evening at Elm Park church, J. Alfred Pennington, again proved his mastery of his instruments. The audience was large and appreciative. Mr. Pennington's programme evinced that he was not bound to any one school or style since the composers represented no less than seven different nationalities. The opening number was a sonata by Merkel, who was one of the greatest composers for the organ. The first and last movements left an impression of majestic, and at times impassioned grandeur, and the calm and serenely beautiful way of contrast.

The "Swedish Wedding March" with its strongly accented rhythms was a charming suggestion of Swedish music and Swedish country life. The "Pastorale" by Gullmatt, was, as its name indicates, in a peaceful pastoral vein and suggested browsing herds and shepherd's pipes. The "Slumber Song" by Hanser, was a delicious little morceau and carried one back to childhood's days. The "Favotte" by Martin, good old Pader Martin, who lived more than a century and a half ago, was as quaint and comical as if it represented to nineteenth century eyes a sturdy peasant yoman dancing with "his lady" on the greens. The "Marche Pontificale" of Lemmens, is one of the best works of that style and the "Grand Chorus in D" of Fuhlmann, was the most of the organ. The "Marche des Gueux" of Liszt, was brilliantly and nimbly rhythmic a glittering pageant of armed warriors.

"Walk in and look around."

ENTERTAINED AT KARLSRUHE

Ex-Sheriff Robinson's Summer Home the Scene of a Pleasant Gathering.

SECOND ANNUAL EVENT OF THE KIND Brought Together a Large Number of Representative Scrantonians--An Interesting Fishing Contest and an Exciting Quoit Match--Those Who Won Prizes--Bauer's Band Accompanied the Party.

"Cottage Karlsruhe" at Lake Henry, the summer home of ex-Sheriff Charles Robinson, was decked out in holiday attire yesterday. A large American flag waved about the wharf in front of the cottage, flags peeped out here and there between the trees and on the front of the cottage there was a generous supply of the stars and stripes. The occasion of the display was Mr. Robinson's second annual "Outing and Fishing Party" to his friends and it is needless to say that the latter thoroughly enjoyed it.

The party left this city at 8.45 yesterday morning in special cars attached to the Erie and Wyoming Valley train. Those who went to the lake were: Mayor James G. Bailey, County Treasurer Charles Schadt, ex-Sheriff Charles Robinson, ex-Sheriff John J. Fahey, T. J. Jennings, Dr. Finelberg, Peter Ziegler, Ed. Fish, Andrew Warman, A. R. Gould, E. J. Conway, Sidney Broadbent, Carl McKinney, Charles Speicher, John Gaffney, Stephen Fenner, Victor Koch, William Pierce, Fred Durr, W. P. Gunter, P. P. Gunter, C. G. Wegman, C. J. Weichel, Emil Weichel, W. J. Weichel, E. J. Walsh, Frank B. Ward, Charles Hindsell, A. H. Thomas, Adam Speicher, Edward Curtis, Fred Speis, Dr. Burnstein, John Scott, James Callahan, R. J. Beamish, J. E. Kern, James O'Connor, Mitchell, H. F. Ferber, Frank Dwyer and William Craig. Bandmaster Robert Bauer and twenty-five of his musicians accompanied the party and played several selections on the way to Hapwood.

MARCH TO KARLSRUHE.

Arriving there a procession was formed with the band in the lead and the march to "Karlsruhe" began. The route was along a wooded road and after a ten minutes walk the cottage was discovered among the trees. It is a most inviting building with wide piazzas and a general air of restfulness and comfort. Overcoats were laid away and cool yachting caps, supplied by the host, took the place of the usual street hats and everybody settled down to a thorough enjoyment of the day.

Some of the more enthusiastic fishermen almost instantly had fish poles in their hands and were trying to lure the pickerel and perch from their watery haunts. A fishing competition was on the programme for the afternoon and when John Gaffney pulled a twenty-inch pickerel from the water an order was given to stop fishing until the hour for the contest had arrived. The ex-sheriff featured the contest, Fred Durr and Charles Wegman would play such havoc with the fish that the afternoon's contest would have to be abandoned.

Until noon the visitors amused themselves in various ways about the grounds and in listening to the superb concert given by Bauer and his men on the piazza of the cottage. Selections on the mandolin and guitar were also played by Peter Sheppard, Edward Curtis and W. W. Ross.

ROBINSON WAS HAPPY.

At 12.30 an excellent dinner was served and at its conclusion Mr. Robinson briefly addressed his guests. He told them he was glad to have them with him and hoped they would all derive as much enjoyment out of the day's outing as he would in having them to entertain. Short addresses by Mayor Bailey and Judge Gunster, who came over from Lake Ariel to join the party, followed and then Mayor Bailey proposed three cheers for Mr. Robinson, which were given with a will.

After the dinner the party was photographed in front of the cottage and then the fishing and quoit pitching contests were called. The judges were: Fishing, H. O. Sillman, Judge F. W. Gunster and Carl McKinney; quoits, ex-Sheriff Fahey, C. G. Wegman and James O'Connor.

The first prize in the quoit pitching contest was awarded to County Treasurer Schadt and R. J. Beamish. It was a large, live ram, elaborately decorated with ribbons. The second prize, a young pig, went to Garb, Ewing and H. R. Ferber. Fred Durr and John Gaffney won the first prize for being the best fishermen. It was a young lamb, bedecked in holiday attire. The second prize, a young pig, went to George Grambs, of Bauer's band, and the third, a rooster, to James O'Connor.

MORE ARRIVALS.

Late in the afternoon the party was reinforced by the arrival of another large party from Scranton. A banquet served at 6.30 was the crowning event of the day's festivities.

Mayor Bailey was chosen toastmaster.

er, and addresses were made by a number of the guests. At 9.35 last night the sheriff and his guests arrived in the city. They declared the second annual outing a success.

REXFORD'S

Sensational Silver Selling.

A talk about the yellow tag. Today we adopt an idea that we expect will help us sell goods and help you find the special bargains around the store. We have had printed a goodly lot of large yellow tags to go only on goods that have been reduced in price. In other words, wherever you see a yellow tag you may be certain the article has been reduced in price and is a sure bargain. In fact, we intend that "Look for the yellow tag" shall be the watchword of the bargain seeker.

Today is the first day we use them, and we've used rather more of them than we intended, but we are determined they shall be well introduced and honestly used. To introduce the tag we've made a slaughter of the prices in the Silverware department. The reason we chose the Silverware Department is that the large pieces of silverware have not been selling as well as they ought. It means that we've had to clean it oftener than we ought, and consequently the "brand new" look is gone from some pieces. It doesn't hurt them a particle as to wearing quality; it doesn't hurt them a particle as far as the buyer is concerned, but it makes it rather hard for us--rather hard for the seller. But we think we know a way to sell them and today we try it. The cut is a great one, averaging over one-half, and cost has cut no figure in the figure cutting. All the goods are good quality, triple and quadruple plate, fully warranted as to wear. Here's some of the items with new and old prices side by side, as they are on the yellow tag:

If there's a home in Scranton that's cake-basketless after this sale it's not our fault. All quadruple plate and hand engraved.
