IT BECOMES A LAW.

Mayor Bailey Did Not Veto the Ordinance Providing for the Opening of Price Street.

Price street is to be opened. The ordinance providing for this improve-ment became a law on Saturday and as it specifies that the required land "is hereby appropriated" there is no getcures

hereby appropriated" there is no get-ting back of it. In view of the fact that The Trib-une on Friday announced that Mayor Balley would veto the ordinance some may be lead to believe in the light of this later development that The Trib-une knew not whereof it spoke. Such, however, is far from being the case. Mayor Balley did intended, to veto the measure, and maybe he did veto it, or rather did something that he thought was a veto of it. At all events he didn't veto it. Neither did he aphe didn't veto it. Neither did he ap-prove of it. Yet it is a law. By his failure to do one thing or the other he didn't veto it. induce to do one thing or the other within the prescribed fifteen days from the time the measure came before him it went into effect, and without let or hindrance from the chief executive. Just what Mayor Balley's idea was hindrance from the chief executive. Just what Mayor Balley's idea was In announcing that he intended to veto the ordinance and then allow it to become a law by default is more than any one about city hall cares to vouch-

safe just at present. The land required is owned by Mrs. Elizabeth Davis. There is a double house on it and she wants \$6,000 for the house and lot. The city hasn't got as much as sixty cents to apply to this purchase, but it will have to find it or corrow it somewhere, It is most likely that nothing will be ione about the matter until after the

needed improvement.
