Harrisburg, Sept. 29.—Despite a heavy wind and weather today the crack marksmen of the Pennsylvania State Sportsmen's Association successfully opened their sixth annual tournament at the Harrisburg driving Park. The tournament is being held under the auspices of the Harrisburg Shooting association, who have made every provision for the success of the events. Over fifty marksmen were present. To-Over fifty marksmen were present. To-days events were shot from three sets of traps, each set having five targets. Clay pigeons were used, and the work was speedily and successfully carried through. There are a number of noted marksmen present, with records for great shooting. Among them is R. O. Helcks, of Dayton, Ohio, chalmion in-animate target shooter of the world. Mr. Heicks recently won the champion-ship cup of the world from Fred Gli-bert, at a match in Chicago. He did some excellent shooting today, missing in one event one target out of sixty-five. Another noted shooter is Capt. B. A. Bartlett, of New York, whose reputation as a marksman is next to Helkes. He will, during the week give exhibitions of trick shooting of which he is an expert. W. H. Wolstencroft, of Philadelphia, is also present. In his day he was one of the leading marksmen of the country. Another good men of the country. Another good shooter is G. F. Nesbit, of Wilkes-THE CHIEF EVENT.

The chief event today was the con-test for the W. Wolstencroft Sons' tro-hpy, to which the Worden Brothers, of this city added \$10. The trophy is a very handsome medal, valued at \$100. The prize goes to the winner each year In trust, and then goes to the succeeding winner of the next year. It is the prize for the championship of the state. The successful contestant today was G. F. Nesbitt, of Wilkes-Barre, a young man who is rapidly forging to the front as the leading marksman. The events of the tournament are divided into

association, while the others are open to all comers.

The scores in the state and open events for the day were as follows:

LIVELY GAME ANTICIPATED.

Harmonies and Scranton Reserves Will Contest at the Ball Park.

What promises to be one of the best base ball games played here for some Jime will take place at the base ball park this afternoon between the Harmonies and a picked team called the Scranton Reserves. The Harmonies have proven themselves to be the fastest amateur ball players in the counest amateur bail players in the county, while the Reserves are made up mostly of all last year's champlon Y. M. C. A. team and will make their opponents play base ball. The probable line-up of the both teams will be as follows. Game called at 3.30:

Reserves—John Brooks, shortstop; Dunn, right field; Malott, first base; Dean, sesond base; Reese, center field; Coughlin, third base; Hofner, left field; Gilleran, catcher; McDonald, pitcher, Harmonies—Gaughan, first base; Sweeney, left field; Loftus, shortstop; Coleman, second base; McAndrew, third base; Hurst, catcher; Shine, center field; McLaughlin, right field; Cawley, pitcher.

Scranton Turn Verein Basket Ball Club Reorganized for the Season. The members of last season's Scran ton Turner's basket ball club and a few new members met last evening at the Scranton Turn Verein hall on Seventh street to reorganize the basket ball club for the coming season and also to make arrangements to organize an in-door base ball team. The Turner bascet ball club this season will be the strongest they have have ever had and will consist of fourteen of Scranton's best athletes. The same players who lay on the basket ball team will also blay on the indoor base ball team.

The players selected are: Victor Noth, William Commer, Joseph Mc-Donald, George Koch, Nelson G. Teets, William Vockroth, Edward Elsele, Theodore Huber, Theodore Heip,

Jacob Hefferfinger, Henry Vockroth, John Sewart and Edward E. Vail, Nelson G. Teets, who acted as managercaptain last season, will also act in the same capacities this season. The club uniforms will be white shirts, greypants, with black stockings. The season will open with either the Pittston professional basket ball team, the Pittston Y. M. C. A. team, or the Scranton Athletic club team. During the season the club will play some of the strongest basket ball teams in the county, including the Camden, N. J., Turn Verein team, who won the championship banner for '95, for the states of Pennsylvania and New Jersey.

The indoor base ball club will meet some of the strongest team in North-Diseases of the Human Body.

THE WONDERFUL X-RAY

And Its Uses -- The Appliances in Use at Dr. Greene's Institute in Mear's Building.

Late developments in the electrical some of the strongest team in North-eastern Pennsylvania and are now open for dates. Manager Teets will try to get Bert Murphy, Frank Mallott, Theo-dore Fahrenholt, Thomas Murphy and Oille Cowles to play with the Turners. If he does he will have one of the strongest teams in the county. Late developments in the electrical line for medical use have attracted the attention of the prominent physicians of the world, and well may it be so, for the numerous discoveries in this unlimited field have surpassed the expectations of the most ardent believers in electricity for medical purposes.

A few years ago we found in the physician's office only the small galvanic and faradic batteries, but today physician's office only the small gal-vanic and faradic batteries, but today we have in nearly every city, electrical institutes equipped with a plant far superior to that formerly maintained in our largest medical colleges. Wems-hurst, Holtz, Toepler, Atkinson, Mor-ton and Ranney have developed the electro-static Influence Machine into one of the most useful medical appli-ances of today, and it is now acknowl-Baltimore Won by a Margin of Only Wilkes-Barre, Sept. 29.—The Baltimores today had as much difficulty in defeating a scrub Wilkes-Barre team as they did in Scranton on Monday. The tally was 4-2. Twenty-two hundred persons saw the game, though the weather was threatening all day and light rain feel at intervals after the

electro-static Influence Machine into one of the most useful medical appliances of today, and it is now acknowledged by all competent physicians, the means of applying the greatest tonic known for the human system.

The static spray bath will benefit in every case; athletes take the static treatment to remove soreness from the muscles and to build up and strengthen the muscular and nervous tissue of the body. Rheumatics find great relief from the application of electro-static massage, the wasting of the muscles in cases of paralysis is prevented and the unpleasant disease of catarrh can be conquered by the inhalation of ozone from the electro-static machine. If you have ever breathed the air in the vicinity of Pike's Peak, Colorado, you will recognize the same peculiar atmosphere when in a room with a large electro-static machine in operation.

The discovery of the X Ray from the Crooke's tube by the aid of which metalic substance can be seen through the discovery was a second of the party o Keeler's base on balls and steal and Jennings' two-bagger gave the champions a run in the first. Wilkes-Barre tied it in the third on Coakley's force hit, Goeckel's bunt and Bonner's single. Baltimore got two in the sixth on singles by Doyle and Reitz and Brodie's triple.

In the eighth Freeman hit a bouncer back of second, where Jennings made a marvelous one-handed stop, but before recovering himself threw the ball over Doyle's head. Freeman reaching third, from where he scored on Ward's O'Nelli's catching was one of the fea-tures. He threw out at second four of the five attempted steals, though Umpaper, leather and nearly every known material except metals, has astounded the scientists of the world. pire Devanney once declared Keceler safe when he was plainly out. He hit the ball hard, but good catches by Brodie and Keeler rebbed him of safety. The score:

The galvanic current has proven to be the greatest curative known to medical science. No first-class phy-sician will dispute the merits of galvan-

sician will dispute the merits of galvanism; it has long been known as a valuable therapeutic, and has recently accomplished good results in cases not
heretofore considered amenable to any
electrical treatment.

Faradism, which has grown steadily
in popularity since the active days of
Fariday, whose name will forever be
honored in every medical college of the
world, is now used one hundred times
to one ten years ago. Sinusoidal (magnet) currents were not utilized as a net) currents were not utilized as a therapeutic a few years ago, where to-day it is recognized as the standard treatment for many diseases. The galvano-cautery is taking the place of the surgeon's knife in most cases, and can be put to use in scores of ways, We find all of these valuable ma-chines and appliances in Dr. Green's Electro-Therapeutic Institute, 607, 608 and 609 Mears building, Scranton,

Penna.

To give the reader an idea of what can be seen at this institute, we will mention a list of the appliances now in use by Dr. Green and his assistants: A mammoth electro-static machine, capacity 80,000 volts, all electrodes for same, a galvanic and faradic cabinet carrying any desired number of cells with a switchboard comprising cell switch throwing in circuit from one cell anumber of ce number of ce cabband number of ce cabband number of ce cabband comprising ce carboard comprising cere carboard comprising cere carboard comprising comprisi treatment are treated at this institute. The occupants resisted and a general fight followed during which Michael Pezza, one of the inmates was shot and killed while on the roof. In delivering the courts opinion, Judge Thayer said that the raid and arrest were both infamous and outrageous, and that all the prisoners with the exception of Woelpper, who would be required to enter \$600 ball to answer the charge selling liquor without a license, should be discharged. He further said that when an armed force of policemen made an onslaught on a dwelling on Sunday for the purpose of serving a disdemoanor warant the occupants had a perfect right to use every in their chimney to resist the iller attack. In the opinion of court, he said, it was not through any instrumentality of the prisoners that Pezza was killed.

All the prisoners, with the exception of Woelppers, were then discharged.
