Of good clothes is good cloth. But the good material alone won't do. You've got to put the shears and the needle into skilled fingers. You've got to put brains and care into the making. The manufacturers of whom we buy do just that. As a great man once said: "Angels can do no more."

We Want Gentlemen

To know that we have an abiding faith in our ability to sell them dependable garments. We want them to know that we extend credit to folks in and around Scranton. We do this because it is an accommodation that is appreciated by honest men. We are willing to wait a little while for our money whenever a man needs clothes but hasn't the ready cash to pay for them.

We like to have men who are not acquainted with our Credit System come in and talk with us about it.
